KEY TRANSIT FACTORS

☉ Sun △ Trine ♄ Chiron ★

Right now you find it easier to **talk about what actually happened to you** without getting defensive or ashamed. Your practical ability to understand your own patterns improves, and you can explain your mistakes to others without needing to apologize repeatedly. This makes conversations feel clearer and less emotionally exhausting than usual.

☿ Mercury * Sextile ♇ natal Pluto

Right now your mind is working at a level that lets you see through problems to what's actually driving them. You're able to ask better questions and listen more carefully to what people really mean, which makes conversations feel more honest and useful. This period is ideal for tackling complicated topics at work or sorting through decisions you've been sitting on, because your thinking is both clear and intuitive.

♂ Mars ♂ Conjunction ♇ natal Pluto

Right now you're running on raw determination and you'll push harder than usual to get what you want. You might notice you're **less willing to compromise** and more likely to confront situations you'd normally avoid. Over the coming weeks, channel this intensity into physical activity or a project that needs real force behind it, because sitting still will only build frustration.

☉ Sun □ Square ☿ natal Mercury

Right now you're finding it hard to say what you actually mean, and people keep misunderstanding you even when you're trying to be clear. Your **thoughts feel scattered and your words come out wrong**, which makes conversations frustrating for everyone involved. Over the coming weeks, you'll need to slow down and write things out or repeat yourself more often, because your usual way of communicating just isn't landing.

♇ Pluto ♂ Quincunx ♄ natal Saturn

These days you feel caught between wanting to keep things stable and being pushed to question whether your usual routines actually work anymore. You might find yourself **rewriting rules you've lived by** or suddenly seeing flaws in systems you've trusted, which creates practical awkwardness as you adjust. Over the coming weeks, this friction between your need for control and pressure to change will likely settle once you accept that some old structures need to be rebuilt differently.

♂ Mars ♂ Opposition ☾ natal Moon

Right now you're more **irritable and quick to react** than usual, especially when someone upsets your plans or questions your feelings. Your emotional responses feel stronger and harder to control, which can create unnecessary conflict with people close to you. These days you need to notice this pattern and step back before you speak, because your impulse to push back or argue is working against you.

♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

☾ Moon ☾ Semi sextile ♃ Jupiter

These days you feel a bit more generous with yourself and others, which makes social situations feel easier and less forced. You're noticing small good things around you more readily, and this **gentle optimism** makes it simpler to ask for help or offer support without overthinking it. The *Moon* and *Jupiter* connection right now creates a quiet permission to be a little kinder to yourself about your limitations.

LUNAR DAY

Moon in ♊ Gemini · Day 24 / 30 · Last Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
