KEY TRANSIT FACTORS

☾ Moon ☐ Square ♄ natal Saturn ★

Right now you feel **emotionally heavy and withdrawn**, as if your normal mood swings have turned sluggish and grey. You notice yourself avoiding people, cancelling plans, and sitting with feelings of inadequacy that feel hard to shake. Over the coming weeks, this low mood will likely push you to look honestly at what you actually need instead of what you think you should want.

☉ Sun ☐ Quincunx ♅ natal Uranus

While this lasts, you feel **restless with your own routine** and notice small details about how you spend your time that suddenly bother you. Your usual way of doing things works fine on the surface, but something inside keeps pushing you to adjust or try small changes. This psychological discomfort is not a sign something is wrong—it is just your mind signaling that you need to fine-tune how you operate right now.

♆ Neptune ♂ Conjunction ♁ natal Chiron

Right now you are more aware of where you feel inadequate or broken, and you may find yourself wanting to help others with similar pain instead of focusing on your own healing. This shift toward **helping others deflect from yourself** can feel noble but often leaves your own needs unmet. Over the coming weeks, watch whether you are actually listening to what you need or just getting lost in someone else's problems.

♅ Uranus ☐ Quincunx ♀ natal Venus

Right now you feel pulled in opposite directions about what you want from relationships and money. You might suddenly lose interest in something that mattered to you last week, or you find yourself **restless with routines** that used to feel comfortable. These impulses don't last long, but while they're here, you need to sit with the discomfort rather than act on every urge to change things.

♀ Venus ☐ Square ♄ natal Saturn

You feel **emotionally withdrawn and critical about your relationships** while this lasts, noticing flaws in people you normally accept. *Venus* square *Saturn* makes you doubt whether you deserve affection or whether others really care, so you pull back first to protect yourself. Over the coming weeks, this psychological distance can damage connections if you mistake your own fear for genuine incompatibility.

♀ Venus Rx · ♈ Aries

Relationships feel competitive or impatient right now, and old romantic patterns tend to resurface. Impulsive decisions about love, money, or self-presentation made during this period often need correction afterward. What feels like a fresh start now is more likely a return to something unresolved.

☉ Sun ☌ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

☉ Sun ☌ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

LUNAR DAY

Moon in ♎ Libra · Day 16 / 30 · Full Moon

The social atmosphere becomes more diplomatic during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
