KEY TRANSIT FACTORS

♅ Uranus ☌ Quincunx ☉ natal Sun

These days you feel out of step with your usual routine, even though nothing obvious has changed. Your instinct is to **shake things up or rebel against your normal habits**, but the timing feels awkward and you are not sure what you actually want to do differently. Over the coming weeks, this restless feeling will likely push you to make small adjustments to how you work or present yourself, rather than the dramatic overhaul your mind keeps suggesting.

☾ Moon ☌ Conjunction ♂ natal Mars

Right now you feel **more direct and impatient** than usual, and you're likely to say what you actually think instead of holding back. Your emotional reactions are faster and stronger, so small frustrations can suddenly feel urgent. Over the coming weeks, this makes you either get things done quickly or start arguments you wouldn't normally pick, depending on what's happening around you.

☉ Sun ☌ Square ♁ natal Chiron

These days you're more aware of where you feel inadequate or hurt, and this awareness is uncomfortable rather than helpful. You might find yourself **withdrawing from situations where you feel exposed or judged**, even if no one is actually criticizing you. Over the coming weeks, this self-doubt can make ordinary tasks feel harder than they should be, though it usually passes once the transit moves on.

☾ Moon ☌ Opposition ♅ natal Uranus

Right now you feel restless and want to break free from routines that suddenly feel suffocating. Your **need for sudden change clashes with your actual responsibilities**, leaving you irritable with people who expect you to stay consistent. Over the coming weeks, small frustrations can escalate into conflict unless you find a practical outlet for this agitation.

♁ Chiron ☌ Opposition ♆ natal Neptune

Over the coming weeks, you become aware of ways you have been avoiding practical reality by retreating into fantasy or wishful thinking. Your usual escape routes stop working, and you feel **exposed and raw when you cannot slip away into daydreams**. This discomfort is real, but it is also pointing you toward the concrete problems you need to address instead of imagining them away.

☿ Mercury Rx · ♐ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☒ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

☉ Sun ☍ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

LUNAR DAY

Moon in ♈ Aries · Day 9 / 30 · First Quarter

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.
