KEY TRANSIT FACTORS

♁ Chiron * Sextile ♁ natal Chiron

Over the coming weeks, you find it easier to talk about your own past difficulties without getting stuck in them. You notice you can listen to others' problems and actually help instead of just feeling overwhelmed by what they are going through. This is a good time to **share what you have learned from your own hard experiences** in ways that feel natural and useful.

☿ Mercury Δ Trine ♁ natal Chiron

While this lasts, you find it easier to **talk through painful situations** without getting defensive or stuck. Your conversations with others become more straightforward and practical, which helps you actually work through what bothers you instead of ruminating alone. Over the coming weeks, this clarity in how you communicate can turn old hurts into useful lessons you can actually learn from.

♃ Jupiter * Sextile ♁ natal Chiron

Over the coming weeks, you find it easier to talk about your past difficulties without getting stuck in them. When something painful comes up, you can **acknowledge it and move forward** rather than dwelling on old hurts. This practical shift makes your conversations with friends or a therapist more productive, and you actually feel lighter afterwards.

☉ Sun ♁ Opposition ♀ natal Venus

Right now you are more critical of the people close to you and harder to please in your relationships. You might push away someone who genuinely cares about you because you're noticing all their flaws instead of their good qualities. This **temporary harshness** in how you judge others can create distance that takes real effort to repair once this period passes.

♅ Uranus □ Square ♁ natal Chiron

Right now you are likely feeling **restless about old wounds** that you thought you had worked through. Your usual coping methods for psychological pain are not working the way they normally do, which can feel frustrating and unsettling. Over the coming weeks, you may need to experiment with entirely new approaches to your emotional recovery instead of relying on what has always felt safe.

☉ Sun □ Square ♆ Neptune

Right now you are likely to **confuse what you want with what you imagine you want**, making it hard to set realistic goals or stick to decisions. People around you may seem unreliable or evasive, and you might notice yourself doing the same thing without meaning to. This period asks you to slow down and write things down before acting, because your usual sense of what is real gets cloudy.

☾ Moon * Sextile ☿ Mercury

These days your thoughts feel clearer and your feelings find words more easily than usual. You notice you can **explain what you're going through without getting stuck or defensive**, and other people seem to understand you better. This is a good time to have conversations that matter, because both your head and your heart are on the same team right now.

› Moon ♂ Conjunction ♀ Venus

These days you feel more **comfortable showing affection** to the people around you, and they respond by being warmer in return. Your *Moon* and *Venus* are aligned right now, which makes it easier to express what you actually care about instead of holding back. This is a good window for having honest conversations with someone you're close to, or simply spending time with people who matter to you without the usual self-consciousness.

LUNAR DAY

Moon in ♊ Gemini · Day 27 / 30 · Waning Crescent

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
