KEY TRANSIT FACTORS

♆ Neptune △ Trine ♅ natal Uranus · peak 13 Dec

You find yourself **more willing to experiment with unconventional ideas** without the usual anxiety that normally holds you back. Your imagination is practical right now, which means you can actually turn creative impulses into something real instead of dismissing them as too strange or risky. Over the coming weeks, you'll notice you're more comfortable being yourself in social situations and less concerned with fitting into what others expect.

♃ Jupiter ∟ Semi sextile ♂ natal Mars · peak 26 Dec

Over the coming weeks, you'll notice yourself **taking action on plans you've been sitting on** without the usual self-doubt. You feel more confident when you push forward on practical tasks, and small wins come easier than usual. This is a good time to start that project or have conversations you've been putting off, because your natural momentum is working in your favour right now.

♁ NNode ♂ Opposition ♄ natal Saturn · peak 24 Dec

Right now you feel pulled between wanting to break free from old rules and fearing what happens if you do. Your instinct is to rebel against responsibilities that used to feel safe, but **anxiety about losing control or stability** keeps you stuck. Over the coming weeks, you'll notice yourself saying yes to obligations you actually want to refuse, then resenting people for holding you to them.

♄ Saturn ♂ Opposition ♁ natal Chiron · peak 31 Dec

Right now you are running into hard limits on what you can do to help or fix things for people around you, and it feels like failure. You keep trying to solve problems that aren't yours to solve, and **reality is pushing back harder than usual**. Over the coming weeks, you'll need to accept that some pain in your life or others' lives cannot be managed away, no matter how skilled you are at it.

♃ Jupiter △ Trine ♃ natal Mercury · peak 14 Dec

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

♃ Jupiter ⚡ Quincunx ♅ natal Uranus · peak 29 Dec

Over the coming weeks you feel pulled toward making changes but run into practical obstacles that slow you down. Your impulse to break free from routine collides with real constraints like money, time, or other people's expectations. You might feel restless and frustrated because what you want to do does not line up with what is actually possible right now.

♁ Chiron △ Trine ♅ natal Uranus · peak 1 Dec

You find it easier to **think clearly about what you actually want to change** in your life without getting stuck in doubt or fear. Your practical side connects with your need for independence, so you can plan real steps toward breaking old patterns instead of just daydreaming about them. These days you notice you're less defensive about feedback and more willing to try new approaches, which makes tackling problems feel less exhausting.

♆ Neptune * Sextile ♂ natal Mars · peak 1 Dec

You find yourself **acting on your goals with less resistance and more creative confidence** while this transit lasts. Your usual drive to push forward softens into something more intuitive, and you accomplish things by feeling your way through obstacles rather than bulldozing past them. Over the coming weeks, people respond better to this quieter approach, and you discover that backing off the gas pedal actually gets you further.

♄ Chiron ∟ Semi sextile ♀ natal Venus · peak 31 Dec

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

♅ Uranus ♂ Quincunx ♃ natal Uranus · peak 6 Dec

You feel restless about routines that used to work for you, and small changes in your daily structure suddenly feel important to make. Your usual way of staying independent or rebelling against rules gets awkward or misaligned, like you are not sure whether to stick with what you know or push against it. Over the coming weeks, you might experiment more with how you organize your time or your space, testing what actually fits you right now.

♄ Chiron * Sextile ♂ natal Mars · peak 1 Dec

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

♅ Uranus ∟ Semi sextile ♂ natal Mars · peak 6 Dec

You're noticing small windows of **creative restlessness** that actually help you break old habits without major disruption. *Uranus* is gently nudging your *Mars* energy sideways, so instead of forcing big changes, you find yourself naturally trying different approaches to familiar problems. Over the coming weeks, you'll discover that your usual way of doing things has room for improvement, and you're willing to experiment in ways that feel refreshing rather than risky.

♅ Uranus * Sextile ♀ natal Venus · peak 31 Dec

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

♆ Neptune ∟ Semi sextile ♀ natal Venus · peak 31 Dec

Right now you're feeling more **generous and open-hearted** in your relationships without much effort. People around you respond well to this softness, and you find it easier to listen and connect without agenda. Over the coming weeks, this gentleness helps you strengthen bonds that matter most, as you naturally give more attention to what you actually care about.

♇ Pluto □ Square ♇ natal Pluto · peak 31 Dec

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

KEY DATES

Wed, 1 Dec ♄ Mercury enters ♑ Capricorn

♄ Chiron ∆ Trine ♃ natal Uranus

♆ Neptune ✕ Sextile ♂ natal Mars

♄ Chiron ✕ Sextile ♂ natal Mars

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 5 Dec ♃ Jupiter △ Trine ♃ natal Mercury

Mon, 6 Dec ♅ Uranus stations Direct

New Moon in Sagittarius

Uranus turning direct after months backward means **stuck situations finally shift** — delays in tech, contracts, or unusual projects resume their forward motion. What felt **blocked or confusing** about your routines, friendships, or work systems becomes **clearer to act on** now that the planet moves the way it normally does. Most people notice they can **make real changes** instead of just thinking about them, whether that's switching jobs, updating systems, or ending relationships that went nowhere during the retrograde.

Wed, 8 Dec ♂ Mars enters ♑ Capricorn

Mars in *Capricorn* brings **steady focus** to work and long-term goals, so people tend to notice they can **stick with difficult tasks** without burning out or losing patience. In relationships and at work, this transit makes people more **direct and serious** about what they want, which often means fewer complaints and more straightforward conversations about practical problems. Over the next weeks, expect a shift toward **getting results** rather than starting new things—the energy works best on finishing projects and building something that actually lasts.

Sat, 11 Dec ♃ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Sun, 12 Dec ♁ NNode ♁ Opposition ♄ natal Saturn

Mon, 13 Dec ♆ Neptune △ Trine ♅ natal Uranus

♄ Chiron △ Trine ♅ natal Uranus

Tue, 14 Dec ♃ Jupiter △ Trine ♃ natal Mercury

Sun, 19 Dec ♃ Mercury enters ♐ Sagittarius

♄ Saturn ♁ Opposition ♄ natal Chiron

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Mon, 20 Dec ♆ Neptune △ Trine ♅ natal Uranus

Tue, 21 Dec Full Moon in Cancer

Wed, 22 Dec ☉ Sun enters ♑ Capricorn

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Fri, 24 Dec ♁ NNode ♁ Opposition ♄ natal Saturn

Thu, 30 Dec ♃ Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.
