♁ Lilith	in	♑ Capricorn	12°22'11"	VI

## KEY TRANSIT FACTORS

### ♊ NNode ∠ Semi sextile ♀ natal Venus · peak 31 Jan ★

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

### ♁ Chiron ∠ Semi sextile ♀ natal Venus · peak 5 Jan

You find yourself noticing what you actually need from people around you instead of just accepting whatever comes. This clarity helps you express your preferences without guilt or over-explaining yourself. Your relationships feel more **honest and straightforward** over the coming weeks because you're willing to say what matters to you.

### ♅ Uranus \* Sextile ♀ natal Venus · peak 29 Jan

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

### ♁ Chiron \* Sextile ♊ natal NNode · peak 30 Jan

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

### ♄ Saturn ♂ Opposition ♁ natal Chiron · peak 1 Jan

Right now you are running into hard limits on what you can do to help or fix things for people around you, and it feels like failure. You keep trying to solve problems that aren't yours to solve, and **reality is pushing back harder than usual**. Over the coming weeks, you'll need to accept that some pain in your life or others' lives cannot be managed away, no matter how skilled you are at it.

### ♃ Jupiter \* Sextile ♀ natal Venus · peak 10 Jan

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

### ♃ Jupiter □ Square ♊ natal NNode · peak 19 Jan

Over the coming weeks, you may feel pulled to take on more than you can reasonably handle, which can frustrate your actual sense of direction. Your **confidence outpaces your judgment**, making you say yes to opportunities that don't fit your real priorities or skills. This misalignment between what you think you should do and what actually works for you creates unnecessary setbacks and wasted effort.

### ♇ Pluto □ Square ♇ natal Pluto · peak 31 Jan

Right now you are **fighting against your own need to control things**, and this makes everyday situations feel like power struggles. You might find yourself pushing harder in relationships or at work, only to meet resistance that frustrates you more. While this lasts, the practical lesson is that forcing your agenda does not work—stepping back and observing what is actually happening around you will show you where you have real influence and where you do not.

### ♆ Neptune ∟ Semi sextile ♀ natal Venus · peak 31 Jan

Right now you're feeling more **generous and open-hearted** in your relationships without much effort. People around you respond well to this softness, and you find it easier to listen and connect without agenda. Over the coming weeks, this gentleness helps you strengthen bonds that matter most, as you naturally give more attention to what you actually care about.

### ♃ Jupiter ☌ Quincunx ♁ natal Uranus · peak 1 Jan

Over the coming weeks you feel pulled toward making changes but run into practical obstacles that slow you down. Your impulse to break free from routine collides with real constraints like money, time, or other people's expectations. You might feel restless and frustrated because what you want to do does not line up with what is actually possible right now.

### ♁ NNode ☌ Opposition ♄ natal Saturn · peak 1 Jan

Right now you feel pulled between wanting to break free from old rules and fearing what happens if you do. Your instinct is to rebel against responsibilities that used to feel safe, but **anxiety about losing control or stability** keeps you stuck. Over the coming weeks, you'll notice yourself saying yes to obligations you actually want to refuse, then resenting people for holding you to them.

### ♆ Neptune △ Trine ♁ natal Uranus · peak 1 Jan

You find yourself **more willing to experiment with unconventional ideas** without the usual anxiety that normally holds you back. Your imagination is practical right now, which means you can actually turn creative impulses into something real instead of dismissing them as too strange or risky. Over the coming weeks, you'll notice you're more comfortable being yourself in social situations and less concerned with fitting into what others expect.

### ♁ Uranus ☌ Quincunx ♁ natal Uranus · peak 1 Jan

You feel restless about routines that used to work for you, and small changes in your daily structure suddenly feel important to make. Your usual way of staying independent or rebelling against rules gets awkward or misaligned, like you are not sure whether to stick with what you know or push against it. Over the coming weeks, you might experiment more with how you organize your time or your space, testing what actually fits you right now.

### ♃ Jupiter ∟ Semi sextile ♂ natal Mars · peak 1 Jan

Over the coming weeks, you'll notice yourself **taking action on plans you've been sitting on** without the usual self-doubt. You feel more confident when you push forward on practical tasks, and small wins come easier than usual. This is a good time to start that project or have conversations you've been putting off, because your natural momentum is working in your favour right now.

### ♆ Neptune \* Sextile ♂ natal Mars · peak 1 Jan

You find yourself **acting on your goals with less resistance and more creative confidence** while this transit lasts. Your usual drive to push forward softens into something more intuitive, and you accomplish things by feeling your way through obstacles rather than bulldozing past them. Over the coming weeks, people respond better to this quieter approach, and you discover that backing off the gas pedal actually gets you further.

## PROGRESSED MOON

---

- Progressed Moon in ♌ Leo 15.8° H2
- Progressed Moon △ Trine ♃ natal Chiron

## LUNATIONS

---

- New Moon · Tuesday, 4 Jan Eclipse

### in ♑ Capricorn

long-term goals, ambition, structural reset

### in H6 — Health & Service

Your daily routines and health habits are ready for a reset. This lunation opens a new cycle around **work, service, and physical wellbeing** — an ideal moment to start a new diet, organize your work environment, or establish habits that will support your energy long-term. Small, consistent changes begun now will compound into significant improvements. Pay attention to your body's signals and don't dismiss minor issues before they develop further.

○ Full Moon · Wednesday, 19 Jan

in ♋ **Cancer**

emotional culmination, family matters, inner needs surface

in H1 — **Self & Identity**

Something significant about your identity and self-presentation is coming to a head. A situation that has been developing is now reaching a **turning point involving your confidence, independence, or personal direction**. Others see you clearly now — which can bring recognition but also reveals whatever you've been projecting unconsciously. Decisions made at this peak about how you want to show up in the world will carry lasting weight. Your personal needs deserve to come first.

**KEY DATES**

**Sat, 1 Jan** ♄ Saturn ☌ Opposition ♄ natal Chiron

♁ NNode ☌ Opposition ♄ natal Saturn

♆ Neptune △ Trine ♁ natal Uranus

♆ Neptune ✕ Sextile ♂ natal Mars

**Tue, 4 Jan** New Moon in Capricorn

**Sat, 8 Jan** ♀ Venus enters ♏ Sagittarius

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

**Mon, 10 Jan** ♃ Jupiter ✕ Sextile ♀ natal Venus

♄ Saturn ☌ Opposition ♄ natal Chiron

♆ Neptune △ Trine ♁ natal Uranus

♁ NNode ☌ Opposition ♄ natal Saturn

**Thu, 13 Jan** ☿ Mercury enters ♑ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Sun, 16 Jan** ♂ Mars enters ♒ Aquarius

♁ Uranus ✕ Sextile ♀ natal Venus

*Mars* in *Aquarius* pushes people to **act on ideas** rather than emotions, so you'll notice a shift toward logical problem-solving and less patience for traditional ways of doing things at work or in groups. In relationships and conversations, this transit brings **directness about independence** — people tend to state what they want without softening it, which can feel refreshing or blunt depending on who you're talking to. The pattern is that **group projects and teamwork** become more appealing than solo efforts, even though *Mars* here makes people more willing to disagree with the group if they think something's wrong.

**Wed, 19 Jan** Full Moon in Cancer

♃ Jupiter □ Square ♁ natal NNode

**Thu, 20 Jan** ☉ Sun enters ♒ Aquarius

*Sun* in *Aquarius* brings a **shift toward independence** and a stronger need to do things your own way instead of following the usual pattern. At work and in conversations, you'll **notice people speak up more** about ideas that feel different or go against what everyone expects. In relationships and friendships, **distance often increases** slightly as people pull back to focus on their own projects and interests rather than staying close to the group.

**Sun, 23 Jan** ♃ Jupiter enters ♈ Aries

♇ Pluto □ Square ♇ natal Pluto

♄ Chiron ✕ Sextile ♁ natal NNode

*Jupiter* in *Aries* tends to make people **push forward faster** on plans they've been sitting with, whether that's asking for a raise, starting a project, or ending something that isn't working. You'll likely notice others around you acting more **direct and confident** in conversations, and **taking risks** they wouldn't have considered before — some pay off, some don't. In work and money matters, this period often brings **new opportunities** that require quick decisions, so the practical skill is knowing when to act and when to wait rather than getting swept up in the rush.

**Wed, 26 Jan** ♄ Saturn stations Retrograde

*Saturn* stationing retrograde means **delays and reviews become the pattern** for the next few months in work, responsibilities, and long-term plans. When this planet appears to move backward, people commonly experience

**slowdowns in projects, contracts, or official processes** — deadlines shift, approvals take longer, and progress feels stuck even when you're putting in effort. The practical shift is to **focus on fixing past mistakes** and tightening up weak spots in your systems rather than pushing hard for new starts during this time.

**Sat, 29 Jan** ☿ Uranus \* Sextile ♀ natal Venus

**Sun, 30 Jan** ♄ Chiron \* Sextile ♃ natal NNode

**Mon, 31 Jan** ♅ Pluto □ Square ♅ natal Pluto

♅ Pluto □ Square ♃ natal Moon
