♁ North Node	in	♐ Sagittarius	29°20'50"	VI Rx
♁ Lilith	in	♑ Capricorn	12°22'11"	VI

## KEY TRANSIT FACTORS

### ♄ Saturn ☐ Square ☾ natal Moon · peak 1 Dec ★

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

### ♅ Uranus ☐ Square ♀ natal Venus · peak 31 Dec ★

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

### ☿ Mercury ☐ Quincunx ♂ natal Mars · peak 6 Dec ★

Over the coming weeks, you'll notice your words and actions don't quite line up the way you expect. You might say something that comes across too blunt, or realize mid-sentence that what you meant to express sounds completely different out loud. This **mismatch between intention and delivery** creates small friction in conversations, especially when you're trying to get something done or persuade someone to your side.

### ♁ NNode ☐ Opposition ♀ natal Venus · peak 26 Dec

Over the coming weeks you are likely to feel **disconnected from what you usually enjoy** and from the people who matter to you. Activities that normally please you may feel empty, and you might pull away from social situations or intimate moments without fully understanding why. This friction between what you want to give in relationships and what you actually want for yourself will push you to figure out what you really value, though the process feels uncomfortable right now.

### ♄ Saturn ∟ Semi sextile ♃ natal Jupiter · peak 11 Dec

Over the coming weeks, you find it easier to **say no to things that don't matter**, which actually makes your bigger plans more likely to succeed. *Saturn* is helping you cut away distractions while *Jupiter* reminds you that the effort is worth it. You notice yourself feeling calmer about money and commitments because you're building something solid instead of spreading yourself thin.

### ♄ Chiron \* Sextile ♀ natal Venus · peak 9 Dec

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

#### ♃ Jupiter \* Sextile ♇ natal Pluto · peak 7 Dec

You are noticing that **you can actually follow through on changes you've been wanting to make**, whether at work or in your personal life, because your motivation to act is both strong and steady right now. *Jupiter* sextile your natal *Pluto* means you have real leverage to transform something practical — you see what needs to happen and you have the confidence to do it without second-guessing yourself. Over the coming weeks, people around you may pick up on this shift and start treating you differently, which can open doors you didn't expect.

#### ♃ Jupiter △ Trine ♁ natal Moon · peak 11 Dec

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

#### ♃ Jupiter ♂ Conjunction ♆ natal Neptune · peak 11 Dec

Over the coming weeks, you may find yourself **more willing to believe in possibilities that seem unlikely**, and this can work for you or against you depending on what you're pursuing. Your practical judgment softens right now, making you generous with money and optimistic about future outcomes in ways that feel good but may not be realistic. If you're starting something new, channel this confidence into concrete steps rather than letting it stay as wishful thinking.

#### ♃ Jupiter \* Sextile ♃ natal Jupiter · peak 19 Dec

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

#### ♁ NNode ♁ Quincunx ♁ natal NNode · peak 1 Dec

Over the coming weeks you notice a disconnect between what you think you should be doing and what actually feels right to you. Your **usual sense of direction becomes unclear**, and small decisions that normally feel straightforward now require more thought. This awkward mismatch between your plans and your instincts will settle once this period passes.

#### ♅ Uranus △ Trine ♁ natal NNode · peak 1 Dec

While this lasts, you find it easier to **break free from old patterns that no longer fit** and try something genuinely new. You feel less afraid of standing out or doing things differently than usual, and others seem to respond well to this shift in you. Over the coming weeks, this confidence in your own direction can open doors you didn't expect.

#### ♄ Saturn ∟ Semi sextile ♆ natal Neptune · peak 1 Dec

Right now you find it easier to **turn vague ideas into concrete plans** without losing the creative spark. Your imagination doesn't disappear—instead it becomes practical, helping you sketch out what actually needs to happen next. Over the coming weeks, this steadiness makes you more likely to follow through on things you usually abandon halfway.

#### ♆ Neptune □ Square ☉ natal Sun · peak 1 Dec

Your usual sense of who you are feels fuzzy and unreliable right now, making it harder to trust your own judgment about what matters to you. You may find yourself **second-guessing decisions** you thought were solid, or feeling pulled toward things that don't actually fit your real goals. This confusion can show up practically as poor timing in work or relationships, since you're not reading situations clearly while *Neptune* squares your *Sun*.

#### ♄ Saturn ♂ Conjunction ♁ natal Lilith · peak 31 Dec

While this lasts, you become much more aware of the rules you've been breaking or ignoring, and you feel pressure to either follow them or admit you won't. You experience **reluctance to pretend anymore**—social expectations that never bothered you before suddenly feel heavy and false. Over the coming weeks, you'll likely make a choice about which boundaries you actually respect and which ones you're ready to stop hiding behind.

#### ☿ Mercury Rx · ♏ Scorpio

Communication about sensitive or private matters is particularly prone to misunderstanding during this period. Past secrets, investigations, or unresolved trust issues may resurface and demand honest attention. What you hesitate to say is often more important than what you actually say right now.

*\* = natal resonance — this transit echoes your birth chart, amplifying its influence*

#### PROGRESSED MOON

---

○ Progressed Moon in ♏ Sagittarius 0.1° H5

Entering ♏ Sagittarius this month (was in Scorpio)

#### LUNATIONS

---

● New Moon · Friday, 7 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

○ Full Moon · Saturday, 22 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H12 — Inner Life & Solitude

Something hidden is surfacing. This full moon illuminates **the private, unconscious, and carefully concealed aspects of your life** — old emotional patterns, self-sabotaging habits, or matters you've kept from even yourself. This is one of the most psychologically significant lunations and often coincides with a release of something that has been draining you in private. What comes to light now, though it may be uncomfortable, ultimately creates space for genuine renewal.

#### KEY DATES

Sat, 1 Dec ☿ Mercury enters ♏ Scorpio

♁ Uranus △ Trine ♁ natal NNode

♄ Saturn □ Square ♀ natal Moon

♆ Neptune □ Square ☉ natal Sun

*Mercury* in *Scorpio* brings **sharper focus** to conversations—people tend to ask tougher questions and get straight to what actually matters instead of making small talk. At work and in relationships, you'll notice others **reading between the lines** more carefully and expecting the same from you, which means vague answers stop working. This transit makes people less willing to skim the surface, so discussions go **deeper and longer** than usual, and secrets or half-truths become harder to hide.

Sun, 2 Dec ♄ Chiron \* Sextile ♀ natal Venus

Mon, 3 Dec ♀ Venus enters ♏ Scorpio

*Venus* in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

Fri, 7 Dec ☿ Mercury stations Direct

New Moon in Sagittarius

♃ Jupiter \* Sextile ♇ natal Pluto

*Mercury* stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.

Sun, 9 Dec ♄ Chiron stations Direct

♄ Chiron \* Sextile ♀ natal Venus

*Chiron* stationing direct means the **healing or learning process** you've been stuck on for months finally **moves forward again**, and you'll notice progress in whatever area felt frozen or repetitive. In practice, **clarity returns** about what actually helps—whether that's a health choice, a skill you're rebuilding, or how to handle a recurring problem—because you can see the full pattern now instead of going in circles. *Chiron* direct also lets you **stop second-guessing** what you've already figured out and start acting on those realizations, even if the fix isn't perfect.

Mon, 10 Dec ♁ Uranus △ Trine ♁ natal NNode

♆ Neptune □ Square ☉ natal Sun

Tue, 11 Dec ♃ Jupiter △ Trine ♀ natal Moon

♃ Jupiter ♂ Conjunction ♆ natal Neptune

Thu, 13 Dec ☿ Mercury enters ♐ Sagittarius

*Mercury* in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes

more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

**Sun, 16 Dec** ♄ NNNode ♂ Opposition ♀ natal Venus

**Sat, 22 Dec** ☉ Sun enters ♏ Capricorn

Full Moon in Gemini

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

**Wed, 26 Dec** ♄ NNNode ♂ Opposition ♀ natal Venus

**Mon, 31 Dec** ♂ Uranus ☐ Square ♀ natal Venus
