KEY TRANSIT FACTORS

♅ Uranus ☐ Square ♀ natal Venus · peak 1 Feb ★

You feel restless in your relationships and uncomfortable with routines that used to feel safe. Your usual way of connecting with others — whether through affection, commitment, or predictable gestures — suddenly feels **restrictive and inauthentic**. Over the coming weeks, you may push back against people who want things to stay the same, or you might suddenly distance yourself from relationships that feel too settled.

♂ Mars qx Quincunx ♃ natal Mercury · peak 6 Feb ★

These days you're noticing a mismatch between what you want to say and what actually comes out, making conversations feel awkward or incomplete. Your thoughts move fast but your words struggle to keep up, so you end up **revising what you've said mid-sentence or backtracking** to clarify yourself. This friction usually settles once you slow down and write things out before speaking, rather than trying to think and talk at the same time.

♂ Mars ☐ Square ♀ natal Venus · peak 11 Feb ★

Right now you're more likely to push people away when you want to pull them closer, because **your impulses feel sharp and your patience for nuance has disappeared**. If you're in a relationship, small disagreements can escalate quickly because you're expressing wants bluntly instead of listening to what the other person needs. Over the coming weeks, notice when you're acting on frustration rather than affection, because that awareness is what stops you from damaging something you actually care about.

♀ Venus ☐ Square ♂ natal Mars · peak 26 Feb ★

Over the coming weeks, you're likely to feel **restless and impatient in your relationships**, wanting more excitement or attention than your partner is willing to give right now. Your desire for closeness keeps bumping up against your need to do things your own way, which can create awkward moments or small arguments that feel out of proportion. These clashes are temporary, but they'll show you where you and the people close to you actually want different things.

♊ NNode ☐ Square ♂ natal Mars · peak 2 Feb

Right now you're running into **obstacles when you try to take direct action**, especially on goals that matter to you personally. People around you seem to resist or block what you're pushing for, which makes you frustrated and impatient. Over the coming weeks, you'll need to slow down and reconsider your approach instead of just charging ahead like you normally do.

♄ Chiron ☐ Square ♊ natal NNode · peak 5 Feb

Right now you're bumping up against old patterns that feel protective but are actually holding you back from what you actually want. You notice yourself reverting to familiar ways of handling social situations or work challenges, even though you know these approaches don't serve you anymore. Over the coming weeks, this friction will push you to question why you keep choosing the safe route instead of moving toward the direction that genuinely interests you.

♅ Uranus △ Trine ♃ natal NNode · peak 17 Feb

While this lasts, you find it easier to **break free from old patterns that no longer fit** and try something genuinely new. You feel less afraid of standing out or doing things differently than usual, and others seem to respond well to this shift in you. Over the coming weeks, this confidence in your own direction can open doors you didn't expect.

♃ NNode △ Trine ♀ natal Mercury · peak 24 Feb

These days you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. Your conversations flow more naturally, and people seem to understand you better than usual because you're communicating more clearly and directly. Over the coming weeks, this clarity helps you connect with others on practical matters, whether that's settling a disagreement, explaining something important, or just being heard in a group.

♄ Saturn □ Square ♃ natal Chiron · peak 16 Feb

Right now you are **more aware of your own limitations and past hurts**, which makes it harder to brush them off or move past them quickly. You may feel blocked when trying to help others or do work that normally feels meaningful, because old doubts about your capability are surfacing. Over the coming weeks, facing these uncomfortable feelings directly, rather than avoiding them, is what will actually move you forward.

♃ NNode □ Square ♅ natal Uranus · peak 1 Feb

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

♆ Neptune ∟ Semi sextile ♃ natal Chiron · peak 28 Feb

These days you find yourself **more willing to accept your own limitations** without turning them into harsh self-judgment. When something doesn't go smoothly, you notice you're gentler with yourself instead of dwelling on what went wrong. This shift in attitude makes it easier to move forward and try again without the usual weight of disappointment.

♃ Jupiter △ Trine ♃ natal Chiron · peak 1 Feb

Over the coming weeks, you find it easier to talk about past hurts without getting stuck in them, and people respond well to your honesty. You're naturally **more generous with yourself** when you make mistakes, which means you actually learn from them instead of dwelling. This is a good window to help others through their own difficulties because you genuinely understand what they're going through.

♃ Chiron * Sextile ♀ natal Venus · peak 1 Feb

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

♃ NNode ☉ Opposition ♀ natal Venus · peak 1 Feb

Over the coming weeks you are likely to feel **disconnected from what you usually enjoy** and from the people who matter to you. Activities that normally please you may feel empty, and you might pull away from social situations or intimate moments without fully understanding why. This friction between what you want to give in relationships and what you actually want for yourself will push you to figure out what you really value, though the process feels uncomfortable right now.

♆ Neptune □ Square ☉ natal Sun · peak 1 Feb

Your usual sense of who you are feels fuzzy and unreliable right now, making it harder to trust your own judgment about what matters to you. You may find yourself **second-guessing decisions** you thought were solid, or feeling pulled toward things that don't actually fit your real goals. This confusion can show up practically as poor timing in work or relationships, since you're not reading situations clearly while *Neptune* squares your *Sun*.

LUNATIONS

● New Moon · Tuesday, 5 Feb

in ♒ Aquarius

innovation, social ideals, future direction

in H8 — Transformation

A new cycle around **deep transformation, shared resources, and what lies beneath the surface** is beginning. Financial matters involving joint money, inheritance, or debt may need fresh attention. On a deeper level, this lunation invites you to release something that no longer serves you and commit to genuine change. What you begin here has the potential to fundamentally alter how you use power, handle intimacy, and relate to loss and renewal.

○ Full Moon · Tuesday, 19 Feb

in ♌ Leo

recognition, drama, creative culmination

in H2 — Resources & Values

A financial matter or question of personal value is reaching its peak. Something involving **money, possessions, or what you're truly worth** is being illuminated — this might mean a payment arriving, a resource reaching its limit, or a clearer picture of your actual financial situation. What you've built (or failed to build) around security and income becomes visible now. This is a moment for clarity, not new spending — use what this full moon reveals to adjust your approach.

KEY DATES

Fri, 1 Feb ♃ NNNode □ Square ♅ natal Uranus

Sat, 2 Feb ♃ NNNode □ Square ♂ natal Mars

Mon, 4 Feb ♀ Venus enters ♑ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Tue, 5 Feb New Moon in Aquarius

♄ Chiron □ Square ♃ natal NNNode

Sun, 10 Feb ☿ Mercury enters ♋ Pisces

♅ Uranus △ Trine ♃ natal NNNode

Mercury in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

Thu, 14 Feb ♂ Mars enters ♉ Taurus

Mars in *Taurus* slows down your usual pace, and you'll notice yourself **taking longer to make decisions** at work or in projects — this isn't laziness, it's just how this transit works. In relationships and money matters, people often become **more stubborn about what they want**, and arguments tend to drag on instead of resolving quickly because nobody wants to budge. Most people find their **physical energy shifts toward steady effort** rather than bursts of speed, so this is actually a good time to build habits, save money, or work on something that needs patience rather than fast action.

Sat, 16 Feb ♄ Saturn □ Square ♄ natal Chiron

Sun, 17 Feb ♅ Uranus △ Trine ♃ natal NNNode

Mon, 18 Feb ♄ Chiron enters ♈ Aries

♄ Chiron □ Square ♃ natal NNNode

Chiron entering *Aries* makes people **more aware of old insecurities** around confidence and speaking up, especially when they've stayed quiet before. At work and in relationships, you'll notice a stronger **urge to try new things** or take the lead, even though it might feel uncomfortable at first. Over the next few years, **learning through trial and error** — rather than waiting to feel ready — becomes how most people actually move past what's been holding them back.

Tue, 19 Feb ☉ Sun enters ♋ Pisces

Full Moon in Leo

The Sun moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.
