KEY TRANSIT FACTORS

♆ Neptune * Sextile ♃ natal Jupiter · peak 21 Dec ★

You're finding it easier to see the bigger picture in situations that usually feel confusing or overwhelming. Your **confidence in what's possible** is quietly growing, and people around you notice you're more relaxed about uncertainty. Over the coming weeks, this natural optimism can help you take practical steps toward goals you've been hesitant about.

♇ Pluto * Sextile ♆ natal Neptune · peak 1 Dec ★

While this lasts, you find it easier to **see through confusion and spot what's actually real** in situations that usually feel murky to you. Your intuition sharpens without becoming unreliable, so you can trust your gut feelings more than usual. This is a good time to make decisions about things you've been uncertain about, because you're cutting through the fog naturally.

♀ Venus ☐ Square ♂ natal Mars · peak 30 Dec ★

Over the coming weeks, you're likely to feel **restless and impatient in your relationships**, wanting more excitement or attention than your partner is willing to give right now. Your desire for closeness keeps bumping up against your need to do things your own way, which can create awkward moments or small arguments that feel out of proportion. These clashes are temporary, but they'll show you where you and the people close to you actually want different things.

♁ Chiron ☋ Quincunx ☉ natal Sun · peak 12 Dec

While this lasts, you notice a **gap between how you see yourself and what actually works in your life**. You might feel awkward or out of step, as though your usual confidence does not quite fit the situation you are in. Over the coming weeks, small adjustments in how you present yourself or approach tasks will reduce this friction.

♊ NNode * Sextile ♇ natal Pluto · peak 13 Dec

These days you find it easier to notice what you actually want to change about yourself, and you have the practical confidence to start making those changes without overthinking them. You're **more willing to act on uncomfortable truths** about your habits or patterns instead of avoiding them. This period supports real psychological shifts because you can see your own resistance clearly and work through it without getting stuck in self-doubt.

♃ Jupiter ☋ Conjunction ☉ natal Sun · peak 20 Dec

You feel more confident in social situations and willing to take on bigger responsibilities at work or home. People tend to respond well to you right now, and you're less likely to doubt yourself before speaking up. Over the coming weeks, you might find yourself saying yes to opportunities you would normally hesitate about.

♃ Jupiter * Sextile ♃ natal Jupiter · peak 3 Dec

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

♊ NNode △ Trine ☾ natal Moon · peak 1 Dec

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

♄ Saturn ∟ Semi sextile ♄ natal Saturn · peak 31 Dec

You find it easier to stick with practical commitments right now without feeling weighed down by them. **Your natural discipline** shows up when you need it most, whether that's finishing a project or keeping promises to yourself. Over the coming weeks, small progress on something you've been putting off will feel surprisingly manageable.

♁ NNode ♂ Conjunction ♃ natal Neptune · peak 1 Dec

These days you feel pulled toward people and situations that seem meaningful but are hard to pin down. You may find yourself **blending your own needs into other people's visions** without noticing it happening. While this lasts, pay attention to whether you are actually helping or just absorbing someone else's confusion as your own.

♇ Pluto ♂ Conjunction ♃ natal Jupiter · peak 1 Dec

You're experiencing a **pull toward bigger goals and riskier decisions** right now, as if your usual caution has lifted. You might pursue opportunities or make commitments that feel exciting but also require real resources or long-term responsibility. Over the coming weeks, watch whether you're expanding into something genuinely valuable or simply overextending yourself because the moment feels urgent.

♃ Jupiter ♂ Conjunction ♃ natal Neptune · peak 1 Dec

Over the coming weeks, you may find yourself **more willing to believe in possibilities that seem unlikely**, and this can work for you or against you depending on what you're pursuing. Your practical judgment softens right now, making you generous with money and optimistic about future outcomes in ways that feel good but may not be realistic. If you're starting something new, channel this confidence into concrete steps rather than letting it stay as wishful thinking.

♃ Jupiter △ Trine ♁ natal Moon · peak 1 Dec

Right now you find it easier to feel **emotionally settled and optimistic** about your life, even when things aren't perfect. People around you respond to this shift, and you attract more genuine support and kindness without having to ask for it. Over the coming weeks, you're likely to make decisions about your home, family, or personal comfort that actually work out well because you're listening to what you truly need instead of what you think you should want.

♄ Saturn △ Trine ♇ natal Pluto · peak 1 Dec

You find it easier right now to **follow through on difficult changes** you have been putting off. Your practical side is working well with your ability to handle intensity, so you can tackle problems that usually feel too overwhelming. Over the coming weeks, you may notice you are more willing to do the hard work needed to transform something real in your life.

♃ Jupiter △ Trine ♄ natal Chiron · peak 31 Dec

Over the coming weeks, you find it easier to talk about past hurts without getting stuck in them, and people respond well to your honesty. You're naturally **more generous with yourself** when you make mistakes, which means you actually learn from them instead of dwelling. This is a good window to help others through their own difficulties because you genuinely understand what they're going through.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

- Full Moon · Monday, 9 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

● New Moon · Wednesday, 25 Dec

in ♑ Capricorn

long-term goals, ambition, structural reset

in H6 — Health & Service

Your daily routines and health habits are ready for a reset. This lunation opens a new cycle around **work, service, and physical wellbeing** — an ideal moment to start a new diet, organize your work environment, or establish habits that will support your energy long-term. Small, consistent changes begun now will compound into significant improvements. Pay attention to your body's signals and don't dismiss minor issues before they develop further.

KEY DATES

Sun, 1 Dec ☿ Mercury enters ♑ Capricorn

♊ NNNode △ Trine ☾ natal Moon

♊ NNNode ♂ Conjunction ♆ natal Neptune

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Tue, 3 Dec ♃ Jupiter * Sextile ♃ natal Jupiter

Fri, 6 Dec ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Mon, 9 Dec Full Moon in Gemini

Tue, 10 Dec ♀ Venus enters ♑ Capricorn

Venus in *Capricorn* makes people **slower to commit** but more serious once they do—you notice yourself caring less about flashy romance and more about whether someone actually shows up. At work and in friendships, this transit brings **direct conversations** about what you actually want instead of hinting around, and people generally respect the honesty. Money matters get **practical attention** too, so you're more likely to check your budget, delay impulse buys, and think about long-term value rather than what feels good right now.

Wed, 11 Dec ☿ Mercury enters ♐ Sagittarius

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Fri, 13 Dec ♊ NNNode * Sextile ♇ natal Pluto

Fri, 20 Dec ♃ Jupiter ♂ Conjunction ☉ natal Sun

Sun, 22 Dec ☉ Sun enters ♑ Capricorn

♆ Neptune stations Direct

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Wed, 25 Dec New Moon in Capricorn

Thu, 26 Dec ☿ Mercury stations Direct

Mercury stationing direct means **conversations and decisions that felt stuck** will start moving again, and you'll notice **clarity returning** to emails, plans, and talks that were confusing before. At work and in daily life, **miscommunications often resolve themselves** once this station passes, and people tend to follow through on things they'd postponed. Over the next few days, **information you've been waiting for** usually arrives, and you'll feel ready to **commit to choices** you'd been sitting on.
