## KEY TRANSIT FACTORS

### ☉ Sun **qx** Quincunx ♃ natal Mercury

While this lasts, you find it hard to explain what you actually mean, even though your thoughts feel perfectly clear inside your head. People misunderstand you more often than usual, and you might notice yourself **rephrasing things multiple times** without getting your point across any better. The mismatch between what you think and what comes out of your mouth will probably frustrate you until this period passes.

### ☿ Mercury **□** Square ♅ natal Uranus

Right now your thinking is scattered and you jump between ideas without finishing them, which makes it hard to explain what you actually want to others. You feel **restless and impatient** with normal conversation, often blurting out opinions you later regret or missing what someone else is trying to tell you. Over the coming weeks, this mental friction could damage plans or relationships if you don't write things down before you speak or act on them.

### ♄ Saturn **∟** Semi sextile ♁ natal Chiron

While this lasts, you're able to **turn your old wounds into practical wisdom** without getting stuck in the emotional weight of them. You notice yourself giving better advice to people who are struggling because you can draw on your own difficult experiences without reliving the pain. This period helps you build something solid and useful from what you've learned the hard way.

### ♁ NNode **qx** Quincunx ♃ natal Mercury

Over the coming weeks, you'll notice your usual way of explaining things doesn't quite land the way it normally does. People seem to need you to say things differently than feels natural to you right now, which can be **awkward and frustrating** in conversations. The mismatch between what you want to communicate and what actually gets understood will push you to find new ways of thinking about how you talk to others.

### ♇ Pluto **\*** Sextile ☾ natal Moon

You find it easier right now to talk about what you actually feel instead of keeping things hidden. Your **emotional honesty** comes across as natural and calm, so people listen and respond well. Over the coming weeks, this means conversations with family or close friends become more real and less guarded.

### ♂ Mars **Rx** • ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

### ☉ Sun ☿ Quincunx ♂ Mars

At the moment, you feel driven to act but something keeps pulling your attention in a different direction, making it hard to move forward with any single plan. Your usual way of doing things no longer feels quite right, and you have to keep adjusting your approach as you go. This mismatch between what you want to do and what actually works creates a practical friction that requires patience and small corrections rather than big changes.

### ☉ Sun ♁ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

### ☉ Sun ♇ Semi sextile ♇ Pluto

These days you have a quiet **ability to notice what really matters** underneath surface conversations and behaviour. Your psychological instincts are sharper than usual, so you pick up on unspoken feelings in others and respond with genuine understanding. This minor aspect between *the Sun* and *Pluto* gives you a practical advantage in conversations where honesty counts.

## LUNAR DAY

Moon in ♌ Leo · Day 19 / 30 · Waning Gibbous

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.

## CLOTHING & JEWELRY
