KEY TRANSIT FACTORS

♃ Jupiter △ Trine ♁ natal Chiron

Over the coming weeks, you find it easier to talk about past hurts without getting stuck in them, and people respond well to your honesty. You're naturally **more generous with yourself** when you make mistakes, which means you actually learn from them instead of dwelling. This is a good window to help others through their own difficulties because you genuinely understand what they're going through.

♅ Uranus ♁ Opposition ♊ natal NNode

You feel pulled away from the people and commitments that usually ground you, and this creates real friction in your relationships and work life. Your instinct right now is to **break free from obligations**, but the timing often catches others off guard, leaving them confused or hurt. Over the coming weeks, you will have to choose between your need for independence and the practical consequences of abandoning plans that matter to the people around you.

☿ Mercury * Sextile ♅ natal Uranus

Your mind is working faster than usual right now, and you naturally spot connections others miss. You find it easier to explain unusual ideas clearly, and people actually listen instead of dismissing you as too different. This is a good window to **pitch new concepts at work, write up those unconventional plans, or have honest conversations about how you want to change things**.

♃ Jupiter ♁ Opposition ♀ natal Venus

Right now you're spending money and making commitments faster than usual, and you're not feeling satisfied no matter what you get. You might overextend yourself socially or financially because you keep thinking the next thing will finally feel like enough. This period pushes you to notice where you're using purchases or relationships to fill an emotional gap that actually needs something else.

♀ Venus △ Trine ♁ natal Chiron

You find it easier to talk about things that usually hurt, and people actually listen without judgment. Your **openness about past disappointments** feels safe right now, and you notice others responding with real compassion instead of awkwardness. This period gives you a chance to connect with people over shared struggles in a way that strengthens your relationships.

♄ Saturn Rx · * ♓ Pisces

The limits that protect your energy, compassion, and creative focus are being reconsidered right now. Boundaries that have been dissolved in the name of flexibility or kindness may be creating hidden costs. Building more deliberate structure into the areas of your life that feel most diffuse rewards you more than continued openness.

☉ Sun ☌ Semi sextile ♿ Mercury

These days you find it easier to **say what you actually think** without overcomplicating things or getting stuck in your own head. Your mind and sense of purpose line up naturally, so explaining yourself to others feels straightforward rather than exhausting. This is a good window for conversations, presentations, or decisions where you need to be both clear and confident about what matters to you.

☉ Sun ☍ Quincunx ♄ Saturn

Right now you feel a mismatch between what you want to do and what seems practical or allowed. You might push forward with a plan only to run into a real obstacle that makes you reconsider, or hold back when you actually have a real opportunity. **This awkward timing between your drive and your responsibilities** means you cannot simply act on instinct—you need to adjust, compromise, or wait for better conditions.

☾ Moon ☌ Trine ♀ Venus

These days you find it easier to tell people what you actually feel without worrying they will reject you. Your emotional needs and your desire for connection are **naturally aligned**, so you speak up when something matters instead of staying quiet. This is a good window to have conversations you have been putting off or to spend time with people who make you feel genuinely accepted.

LUNAR DAY

Moon in ♋ Cancer · Day 23 / 30 · Last Quarter
