KEY TRANSIT FACTORS

☿ Mercury △ Trine ☾ natal Moon ★

Right now you find it much easier to say what you actually feel without overthinking it. Your conversations with people close to you flow naturally because you can **express emotions clearly and listen without getting defensive**. This is a good window to have the conversations you've been putting off, since what you say lands well and creates real understanding.

♄ Saturn qx Quincunx ☾ natal Moon ★

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

♂ Mars ∟ Semi sextile ☾ natal Moon ★

These days you're finding it easier to act on what you actually feel instead of sitting with emotions until they build up. Your instinct to do something practical when you're upset or restless is working well for you right now. This **willingness to move forward emotionally** means small conflicts settle faster and you feel less stuck in your own moods.

♁ Chiron □ Square ♁ natal Uranus

Right now you feel caught between wanting to break free and being afraid of what comes next. **You act impulsively without thinking through the consequences**, then immediately regret decisions you've made about your independence or your unconventional plans. Over the coming weeks, expect friction in areas where you've been trying to be different or rebel against expectations, because part of you still doubts whether the change is actually right for you.

♁ NNode ☉ Opposition ♄ natal Saturn

Right now you feel pulled between wanting to break free from old rules and fearing what happens if you do. Your instinct is to rebel against responsibilities that used to feel safe, but **anxiety about losing control or stability** keeps you stuck. Over the coming weeks, you'll notice yourself saying yes to obligations you actually want to refuse, then resenting people for holding you to them.

☉ Sun * Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

☉ Sun □ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.
