## KEY DATE

### ♆ Neptune stations Retrograde

*Neptune* stationing retrograde marks the point where **clarity takes a step back** in the areas it governs — dreams, beliefs, creativity, and what you're willing to believe about yourself or others. During this period, people often notice **confusion returning to situations** they thought were settled, delays in creative projects, or the need to rethink agreements that felt unclear to begin with. *Neptune* retrograde typically brings **reality checks** that strip away wishful thinking, so you may spot where you've been fooling yourself or where someone else's promises don't actually add up.

## KEY TRANSIT FACTORS

### ♃ Jupiter ∟ Semi sextile ♀ natal Venus ★

Over the coming weeks, you find it easier to say yes to social invitations and to express what you actually like about the people around you. **You're more generous with compliments and attention**, which tends to make conversations warmer and more genuine. This small shift in how you show up socially often leads to better connections and a quiet sense of contentment in your relationships.

### ♃ Jupiter qx Quincunx ♆ natal Neptune ★

You're noticing a mismatch between what you want to believe and what the facts actually show you right now. **You're more inclined to overlook practical details** or convince yourself that things will work out without doing the legwork, and reality keeps pushing back. Over the coming weeks, your real challenge is to stay grounded instead of letting optimism override what you can actually see and verify.

### ☿ Mercury ☌ Conjunction ☉ natal Sun

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

### ☿ Mercury ☐ Square ♇ natal Pluto

Right now your conversations tend to become intense and you dig into uncomfortable truths that others would rather leave alone. You feel compelled to **expose hidden motives and hidden problems**, which makes people defensive or angry with you. Over the coming weeks, this blunt way of communicating will cost you socially unless you learn to hold back what you think.

### ♇ Pluto ☐ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

### ☉ Sun ☐ Square ♅ Uranus

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

### ☾ Moon ☒ Quincunx ♿ Mercury

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

### ☾ Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.
