## KEY TRANSIT FACTORS

### ♃ Jupiter \* Sextile ☉ natal Sun ★

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

### ♊ NNode ☐ Square ♅ natal Uranus

Right now you're caught between wanting to break free and feeling pulled toward fitting in with a group or community, which creates real friction in your social life. You might find yourself saying yes to commitments you don't actually want, then suddenly rejecting them or picking fights over small things. Over the coming weeks, this restlessness will push you to examine which relationships or groups are genuinely yours and which ones you've stayed in out of habit or obligation.

### ☾ Moon ☐ Quincunx ☿ natal Mercury

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

### ♄ Saturn ☐ Square ☾ natal Moon

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

### ♅ Uranus ☐ Opposition ♅ natal Uranus

Right now you're feeling restless with your current situation and want to break free from something, but you're not sure what or how to do it safely. You might push back against rules or routines that actually serve you, or make sudden changes that create more instability rather than solving real problems. **The unpredictability cuts both ways** — while you crave more freedom, you're also becoming less reliable to the people who depend on you, and that friction is hard to avoid over the coming weeks.

### ☉ Sun ☐ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

### ☉ Sun ☾ Semi sextile ♀ Venus

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ☉ Sun ☐ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

## LUNAR DAY

Moon in ♎ Libra · Day 15 / 30 · Waxing Gibbous

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.

## CLOTHING & JEWELRY
