## KEY TRANSIT FACTORS

### ☉ Sun ☐ Square ♃ natal Jupiter

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

### ♁ NNode △ Trine ♅ natal Uranus

Over the coming weeks, you find it easier to **break free from routines that no longer fit** without feeling guilty or reckless. Your instinct for what needs to change aligns naturally with the directions your life is actually moving, so small rebellions feel honest rather than impulsive. This is a good window to experiment with new approaches to work or friendships and trust that the timing is right.

### ☉ Sun \* Sextile ♆ natal Neptune

Right now you find it easier to **notice details you usually miss** in conversations and situations around you. Your imagination is working better than usual, so creative projects or problem-solving feels more natural without forcing it. People also seem more receptive to what you say, as if your words land more gently with them during these weeks.

### ♁ Chiron ♂ Opposition ♂ natal Mars

Right now you are more aware of how you push forward without checking if you are actually hurting yourself or others. **You second-guess your own aggression** and find it harder to act decisively because you are noticing the damage you might cause. Over the coming weeks, this self-doubt can make you feel stuck between wanting to move forward and worrying you will do it wrong.

### ☿ Mercury ☐ Quincunx ☿ natal Mercury

Right now your thinking feels slightly out of sync with how you normally process information. You might notice yourself explaining things in a roundabout way or struggling to find the exact word you want, even though you usually communicate clearly. Over the coming weeks, **paying closer attention to how you're being understood** by others will help you adjust your approach and avoid unnecessary confusion.

### ☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

### › Moon ♄ Conjunction ♇ Pluto

Right now you are more aware of what you actually feel underneath the surface, and you may find yourself **bringing buried emotions into conversations** without planning to. People around you are doing the same thing, which means the social atmosphere tends toward intensity and honesty instead of small talk. This period asks you to notice what you have been avoiding emotionally and to accept that some feelings need to come out.

### › Moon \* Sextile ♄ Chiron

Right now you are more willing to talk about things that usually stay hidden, and people around you sense this openness. Your emotional honesty creates **permission for others to be honest too**, and conversations that have been stuck for months suddenly move forward. This is a good window for having difficult talks with people you trust, because you can speak about real hurt without turning it into blame.

## LUNAR DAY

Moon in ♑ Capricorn · Day 29 / 30 · Waning Crescent

**Focus narrows toward responsibilities** and unfinished obligations during this transit, with less tolerance for distraction or small talk. The emotional tone becomes more reserved and measured for the next 48 hours.

## CLOTHING & JEWELRY

Monday · › Moon · Venus in Taurus

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
