KEY DATE

☉ Sun enters ♍ Virgo

Sun in *Virgo* brings a shift toward **noticing details** that slipped past you before — at work, people start organizing their spaces and making lists, and conversations focus on what actually needs fixing rather than big ideas. In relationships and daily routines, there's more **interest in getting things right**, which can mean partners point out mistakes more often or you find yourself doing the same, and this period favors tackling tasks you've postponed. *Virgo* energy also makes people more **hesitant about committing** until they've checked all the facts, so decisions take longer but tend to be more solid.

KEY TRANSIT FACTORS

♃ Jupiter * Sextile ☉ natal Sun ★

These days you feel more **confident in yourself** and people around you seem to notice it too. You're more willing to take on new projects or speak up in situations where you'd normally hold back, and things tend to work out better than expected. This period is ideal for asking for what you want—whether that's at work, in relationships, or for a personal goal—because you're coming across as genuinely assured rather than pushy.

♁ Chiron * Sextile ♀ natal Venus ★

Over the coming weeks, you find it easier to talk about what actually matters to you in relationships instead of staying quiet or pretending everything is fine. Your **honesty about your own needs** seems to land better with others right now, and people respond by opening up more too. This natural flow between what you feel and what you say creates real connection without the usual awkwardness or hurt feelings.

♁ Chiron △ Trine ♆ natal Neptune ★

While this lasts, you find it easier to **talk about your insecurities without shame**, and people respond with genuine understanding instead of judgment. Your usual defensiveness around emotional mistakes softens, letting you admit what you actually struggle with. This practical honesty tends to deepen your connections with others over the coming weeks.

♀ Venus □ Square ♆ natal Neptune

Right now you are **mixing fantasy with reality in relationships**, making promises you cannot keep or imagining closeness that does not actually exist. You may spend money on things or people that feel meaningful in the moment but leave you feeling foolish afterward. Over the coming weeks, your disappointment comes from expecting others to match an ideal version of them that lives only in your head.

♁ NNode qx Quincunx ♃ natal Mercury

Over the coming weeks, you'll notice your usual way of explaining things doesn't quite land the way it normally does. People seem to need you to say things differently than feels natural to you right now, which can be **awkward and frustrating** in conversations. The mismatch between what you want to communicate and what actually gets understood will push you to find new ways of thinking about how you talk to others.

› Moon ☌ Conjunction ♃ Jupiter

Right now you feel more **generous and open to other people** than usual, which makes it easier to connect socially or ask for what you need. Your emotional confidence is higher, so you're more likely to take a chance on something that normally makes you nervous. This mood won't last forever, so use it to have conversations you've been putting off or to try something that requires a bit of courage.

› Moon ♃ Quincunx ♆ Neptune

These days your emotional reactions don't match what's actually happening around you, and it takes effort to figure out why. You might feel **vaguely unsettled or pulled in different directions without a clear reason**, making it hard to trust your own feelings. This mismatch between your gut and reality tends to fade once you slow down and check the facts instead of following your first impression.

› Moon ♃ Quincunx ♇ Pluto

These days you might notice a gap between what you feel and what you think you should do about it. Your emotional reactions feel stronger than usual, and you can't quite figure out why small things are bothering you more. This mismatch between your feelings and your practical choices can make you feel stuck until you take time to understand what's actually upsetting you.

LUNAR DAY

Moon in ♌ Leo · Day 28 / 30 · Waning Crescent

The social atmosphere becomes more expressive these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
