KEY TRANSIT FACTORS

♊ NNode ☐ Square ♁ natal Chiron

Right now you are **bumping up against your own defensive patterns** in social situations and group settings. You feel pulled toward new connections and directions, but old hurts make you hesitant to actually move forward or trust what is emerging. Over the coming weeks, this friction will keep showing you exactly where you protect yourself instead of risking something real.

♊ NNode ∠ Semi sextile ♀ natal Venus

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

♂ Mars ☌ Conjunction ☉ natal Sun

Right now you have more **physical drive and directness** than usual, and you're quicker to act on what you want. You may push harder on projects or speak up more bluntly in conversations because your patience for delays has dropped. Watch whether this gets you closer to your goals or whether it creates friction with people around you.

☉ Sun ☌ Quincunx ♂ natal Mars

Over the coming weeks, you may notice that your usual way of getting things done feels slightly out of step with what you actually want to accomplish. Your drive and your sense of purpose are not quite aligned, which can leave you feeling **restless or mildly frustrated** even when you're being productive. The mismatch is not dramatic, but it's enough to make you second-guess your decisions or adjust your approach more often than usual.

♂ Mars ☐ Square ♇ natal Pluto

Right now you're running into situations where you want to control outcomes, but other people or circumstances push back hard. You might feel **frustrated and impatient** because your usual tactics aren't working, and the pressure makes you want to force things even more. Over the coming weeks, watch for moments where you're being stubborn or aggressive—stepping back will actually get you better results than doubling down.

☉ Sun ☌ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun * Sextile ♇ Pluto

These days you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. The practical support between *Sun* and *Pluto* means you can see problems clearly and actually do something about them instead of avoiding them. This is a good window for tackling projects that require focus and honesty about what's really going on.

› Moon ☐ Square ♃ Mercury

Right now your **feelings and thoughts are working against each other**, making it hard to say what you actually mean. You might feel irritated or misunderstood because your emotions are moving faster than your ability to explain them. These days conversations tend to go sideways even when you're trying to be clear, because *Moon* and *Mercury* are pulling in opposite directions.

LUNAR DAY

Moon in ♊ Gemini · Day 6 / 30 · Waxing Crescent

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
