KEY DATE

♃ Jupiter stations Direct

Jupiter turning **direct again** means opportunities and decisions that felt stuck or unclear over the past months can finally move ahead with real momentum. What becomes **clearer now** is whether plans, applications, or deals are actually going to work — delays lift and you get actual answers instead of waiting. **Growth starts moving** in the areas where *Jupiter* sits in your chart, so watch for openings in money, work, relationships, or learning that were on pause during the retrograde.

KEY TRANSIT FACTORS

♃ Jupiter * Sextile ♀ natal Venus

These days you find it easier to say yes to social invitations and connect with people who matter to you. You feel **naturally generous** with your time and attention, which makes others want to be around you more. This period is ideal for deepening friendships, starting new relationships, or simply enjoying the company you keep without forcing anything.

♆ Neptune qx Quincunx ♁ natal Uranus

Over the coming weeks, you find yourself **second-guessing decisions you normally make without hesitation**, especially about independence or unconventional plans. Your instinct to break free from routine is still there, but doubt keeps creeping in about whether the timing or approach actually makes sense. This confusion fades once the transit passes and your clearer judgment returns.

♁ Chiron qx Quincunx ☾ natal Moon

Over the coming weeks, you may notice that **small emotional upsets feel oddly difficult to shake**, even when you know they are not serious. Your usual ways of calming yourself down do not work as smoothly, and you might find yourself replaying conversations or moments longer than typical. This temporary mismatch between how you want to feel and what is actually happening emotionally can push you to try different approaches to managing your moods.

☾ Moon qx Quincunx ☿ natal Mercury

Over the coming weeks, you find it hard to say exactly what you mean even though you know what you're thinking. Your words come out **awkward or incomplete**, and people sometimes misunderstand you or ask you to repeat yourself. This mismatch between what's in your head and what comes out of your mouth will pass, but right now it's worth slowing down and checking that others actually understand you before moving on.

♃ Jupiter Δ Trine ♁ natal Chiron

Over the coming weeks, you find it easier to talk about past hurts without getting stuck in them, and people respond well to your honesty. You're naturally **more generous with yourself** when you make mistakes, which means you actually learn from them instead of dwelling. This is a good window to help others through their own difficulties because you genuinely understand what they're going through.

♿ Mercury Rx · ♛ Pisces

Thinking becomes impressionistic rather than precise during this period, making concrete decisions harder than usual. Miscommunications arise from vagueness — what you think you said and what others heard often differ. Creative and intuitive work benefits from this diffuse quality; contracts and deadlines do not.

☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♄ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The *Sun* and *Chiron* aspect right now creates a quiet window where you see yourself more clearly and can make real changes.

☾ Moon △ Trine ♄ Chiron

These days you find it easier to talk about what hurts without falling apart or shutting down completely. Your **emotional honesty feels safer right now**, and people around you respond better when you tell them what is actually bothering you. This period gives you a real chance to sort through old wounds by addressing them directly instead of pretending they don't exist.

LUNAR DAY

Moon in ♐ Sagittarius · Day 23 / 30 · Last Quarter
