KEY TRANSIT FACTORS

♄ Saturn ☐ Quincunx ☾ natal Moon ★

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

♅ Uranus ☐ Square ♇ natal Pluto

You feel a strong urge to blow up situations that have felt stuck for a long time, and this impulse is hard to ignore right now. Your **need for sudden change clashes with your instinct to maintain control**, which creates real friction in your decisions and relationships. Over the coming weeks, you may act impulsively on things you normally handle with calculation, and the fallout could be messy because you're not thinking through the practical consequences.

♅ Uranus ♂ Conjunction ☉ natal Sun

You feel **restless with your usual routine** and find yourself wanting to break rules or try things you would normally avoid. Your sense of who you are seems to shift from day to day, making it hard to stick with decisions or commitments right now. Over the coming weeks, you may act on impulses without thinking through the consequences, so it helps to pause before making big changes.

♀ Venus ♂ Conjunction ♆ natal Neptune

You may find yourself **drawn to people who seem more interesting or attractive than they actually are**, and it takes real effort to see them clearly right now. Your taste in music, art, or aesthetics becomes softer and more sentimental while this lasts, which can feel pleasant but also make you less critical. Over the coming weeks, check in with yourself about whether your feelings match reality or if you are filling in blanks with what you hope to find.

☾ Moon ☐ Square ♁ natal Chiron

Right now your **emotional defences are getting poked**, and old hurts you thought you'd buried are coming back up. You're more irritable than usual and quicker to feel rejected, especially in conversations where someone disagrees with you or doesn't give you the reaction you wanted. These feelings will pass in a few days or weeks, but while this lasts you'll need to notice when you're snapping at people over small things instead of addressing what's actually bothering you underneath.

☿ Mercury Rx · ♎ Libra

Relationship negotiations, contracts, and pending decisions become tangled right now. You may revisit agreements or feel pressure to reconsider commitments you thought were settled. Avoid finalizing important partnerships or legal matters until Mercury stations direct — clarifying existing arrangements is more productive.

♄ Saturn Rx · ♈ Aries

Structures built on impulse rather than genuine foundation are being tested right now. Rules and commitments that felt constraining may now feel simply necessary. This period asks you to distinguish between the discipline you are avoiding and the limits that are genuinely serving your growth.

☉ Sun ♂ Conjunction ♿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♀ Opposition ♄ Saturn

Right now you feel **blocked by rules and criticism** when you try to move forward on something that matters to you. Authority figures or your own strict inner voice push back against what you want to do, making you doubt whether you deserve to succeed. This friction is real and uncomfortable, but it forces you to build something solid instead of rushing ahead on ego alone.

☾ Moon ♀ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.

LUNAR DAY

Moon in ♊ Gemini · Day 19 / 30 · Waning Gibbous

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Taurus

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
