KEY TRANSIT FACTORS

☾ Moon ☐ Square ☉ natal Sun

Right now you're feeling **irritable with the people closest to you**, even when they haven't done anything wrong. Your mood swings are making it hard to stick to your normal routines, and small frustrations at work or home feel much bigger than they actually are. These next few days or weeks will test your patience, but once this passes you'll see more clearly what actually bothers you and what doesn't.

♂ Mars ∟ Semi sextile ♁ natal Chiron

These days you're finding it easier to take action on things that usually make you hesitant or self-conscious. Your **willingness to try despite old doubts** is genuine right now, and small steps forward feel less risky than they normally do. Over the coming weeks, you may notice you're actually doing the practical work instead of just thinking about it.

♃ Jupiter ☉ Opposition ♁ natal NNode

Over the coming weeks, you're likely to **overcommit yourself** and take on more than you can realistically handle. Your usual sense of what fits your life gets temporarily skewed, and you end up saying yes to opportunities that pull you away from what actually matters to you. This period asks you to notice where you're spreading yourself too thin and to start saying no more often.

♅ Uranus △ Trine ♄ natal Saturn

Right now you can spot problems in your routines and systems without getting defensive about changing them. You feel **willing to experiment with practical improvements** while keeping what actually works. This is a rare window where your instinct for stability supports your curiosity about doing things differently.

☾ Moon ☿ Conjunction ♇ natal Pluto

Over the coming weeks, you're likely to feel **more aware of what you really want** and less willing to settle for surface-level answers in your relationships or work. Your emotional reactions may be sharper and your need for honesty more intense, which can make conversations feel heavier than usual. This intensity will fade once the *Moon* moves past your natal *Pluto*, but right now you're in a phase where you're pruning away what doesn't actually matter to you.

☉ Sun ☉ Opposition ☾ Moon

Right now you feel pulled in two directions at once, and it's hard to know what you actually want. You might notice yourself **acting one way in public and feeling something completely different inside**, which creates an awkward tension you can't ignore. This split between what you're showing others and what you're experiencing privately tends to make decisions feel impossible until the aspect passes.

› Moon ☾ Quincunx ♀ Venus

Right now your emotional needs and what you want socially are slightly out of sync, so you might feel pulled in two directions. You could notice yourself wanting comfort and closeness at times when you'd rather stay independent, or the opposite. This **mismatch between feeling and wanting** is temporary, and noticing it is the first step to working with it instead of against it.

› Moon ☾ Quincunx ♃ Neptune

These days your emotional reactions don't match what's actually happening around you, and it takes effort to figure out why. You might feel **vaguely unsettled or pulled in different directions without a clear reason**, making it hard to trust your own feelings. This mismatch between your gut and reality tends to fade once you slow down and check the facts instead of following your first impression.

LUNAR DAY

Moon in ♍ Virgo · Day 15 / 30 · Full Moon

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.
