KEY TRANSIT FACTORS

☉ Sun ☐ Square ♇ Pluto ★

Right now you feel **pushed to prove yourself** in ways that feel uncomfortable or unnecessary. Everyone around you seems more irritable, defensive, or bent on getting their way without compromise. This period brings out the part of you that resists being told what to do, and small conflicts can quickly turn into power struggles.

♇ Pluto ☐ Square ♀ natal Venus

Your relationships feel strained right now as you become more critical of your partner or people close to you. You may notice yourself **withdrawing affection or testing whether people really care**, which often pushes them away further. Over the coming weeks, this pattern will force you to look honestly at what you actually want from your connections instead of settling for surface comfort.

♁ NNode * Sextile ♇ natal Pluto

These days you find it easier to notice what you actually want to change about yourself, and you have the practical confidence to start making those changes without overthinking them. You're **more willing to act on uncomfortable truths** about your habits or patterns instead of avoiding them. This period supports real psychological shifts because you can see your own resistance clearly and work through it without getting stuck in self-doubt.

☿ Mercury ∟ Semi sextile ☿ natal Mercury

Your thinking feels a bit sharper right now, and you find yourself **connecting ideas that usually stay separate**. In conversations and at work, you pick up on details faster than usual and explain things more clearly without much effort. This is a good time to tackle writing projects, plan something complex, or have honest talks with people because your communication just flows better.

☉ Sun ∟ Semi sextile ♃ natal Jupiter

You feel **quietly more confident** about what you want to achieve right now, and small opportunities seem to show up without much effort on your part. Your mood is steadier than usual, and you find yourself saying yes to social or professional chances that normally would make you hesitant. Over the coming weeks, this sense of gentle support can help you move forward on something you've been thinking about.

♁ NNode ☒ Quincunx ☉ natal Sun

These days you feel pulled between what you want to do and what feels like the right thing to do, and the two don't quite line up. You might find yourself **saying yes to commitments that don't actually match your real priorities**, then feeling frustrated when you realize what you've agreed to. Over the coming weeks, the practical answer is to slow down before you commit and check in honestly with yourself about what you actually want.

☉ Sun ☐ Square ☽ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ∟ Semi sextile ♆ Neptune

These days you find it easier to **imagine things before you build them**, whether that's a project at work or how you want your living space to feel. The subtle connection between *Sun* and *Neptune* softens your usual need to rush into action, giving your practical plans a touch of creativity. This is a good time to sketch out ideas, talk through your vision with others, or sit with half-formed thoughts without needing immediate answers.

LUNAR DAY

Moon in ♒ Aquarius · Day 22 / 30 · Waning Gibbous

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
