♁ North Node	in ♋ Cancer	22°42'44"	X Rx
♁ Lilith	in ♏ Scorpio	4°36'07"	II

## KEY TRANSIT FACTORS

### ♃ Jupiter ∟ Semi sextile ♄ natal Chiron · peak 27 Aug ★

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

### ♁ NNode qx Quincunx ♄ natal Saturn · peak 1 Aug ★

Right now you are noticing a mismatch between what you feel you should do and what actually works in your life, which makes **decision-making feel awkward and slow**. You might find yourself second-guessing practical choices or feeling like the obvious path forward has a hidden complication you cannot quite name. Over the coming weeks, the best approach is to sit with this discomfort rather than push through it—your instincts are picking up on something real that needs attention.

### ♄ Saturn qx Quincunx ☾ natal Moon · peak 1 Aug ★

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

### ♂ Mars ∟ Semi sextile ☾ natal Moon · peak 5 Aug ★

These days you're finding it easier to act on what you actually feel instead of sitting with emotions until they build up. Your instinct to do something practical when you're upset or restless is working well for you right now. This **willingness to move forward emotionally** means small conflicts settle faster and you feel less stuck in your own moods.

### ♃ Jupiter □ Square ♀ natal Venus · peak 24 Aug

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

### ♁ NNode △ Trine ☿ natal Mercury · peak 2 Aug

These days you find it easier to **say what you actually mean** without overthinking or second-guessing yourself. Your conversations flow more naturally, and people seem to understand you better than usual because you're communicating more clearly and directly. Over the coming weeks, this clarity helps you connect with others on practical matters, whether that's settling a disagreement, explaining something important, or just being heard in a group.

### ♄ Chiron \* Sextile ♂ natal Mars · peak 21 Aug

Right now you're finding it easier to **push through physical challenges without getting frustrated**, whether that's a nagging injury, fatigue, or something you've been avoiding at the gym. *Chiron* sextile your *Mars* is giving you a practical way to work with your body instead of against it. Over the coming weeks, you'll notice you can talk about what hurts without shame and actually do something constructive about it.

#### ♃ Neptune ☌ Quincunx ♂ natal Mars · peak 1 Aug

Over the coming weeks, you may find your usual drive and confidence feel slightly out of sync with what's actually happening around you. Your instinct to act or push forward keeps bumping up against situations that need a softer touch or more patience than you'd normally give them. **You're more likely to second-guess your own strength**, which can work either way—sometimes holding back saves you trouble, and sometimes it just creates frustration with yourself.

#### ♃ Jupiter ☐ Square ♃ natal Neptune · peak 31 Aug

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

#### ♁ NNode \* Sextile ♁ natal NNode · peak 1 Aug

Over the coming weeks, you find it easier to **say yes to opportunities that align with what you actually want**, without overthinking or second-guessing yourself. People around you seem more willing to support your decisions, and doors open with less resistance than usual. This is a practical time to move forward on plans you've been considering, because your timing feels genuinely right.

#### ♄ Saturn ∟ Semi sextile ☿ natal Mercury · peak 1 Aug

Your thinking becomes more **organized and deliberate** right now, which makes it easier to plan projects and break down complicated tasks into manageable steps. You find yourself naturally wanting to double-check your work and verify details before moving forward, and this careful approach pays off in fewer mistakes. This steadier mental discipline helps you communicate with more precision, so people understand exactly what you mean without confusion.

#### ♇ Pluto ☐ Square ♅ natal Uranus · peak 13 Aug

Right now you feel a strong urge to break free from something in your life, but the harder you push for change the more resistance you meet. You become **impatient with rules and frustrated by limits**, which can make you act rashly or damage relationships you actually want to keep. Over the coming weeks, focus on understanding what you really want to change before you make moves you cannot easily take back.

#### ♄ Chiron \* Sextile ♅ natal Uranus · peak 31 Aug

You find yourself **more willing to experiment with new approaches** to problems that have frustrated you for a while, and your experiments actually work out better than you expected. Your friends or colleagues notice that you're suddenly more open to their unconventional ideas instead of dismissing them. Over the coming weeks, this combination of curiosity and practical luck means you can make real progress on something you've wanted to change about yourself or your situation.

#### ♃ Jupiter \* Sextile ♃ natal Jupiter · peak 31 Aug

Right now you're feeling **naturally confident about your abilities**, and opportunities seem to come your way with less effort than usual. You're more likely to say yes to things, take on new projects, or expand something that's already working in your life. Over the coming weeks, this optimism tends to be grounded enough that your decisions pay off rather than lead you astray.

#### ♄ Saturn ☐ Square ♁ natal NNode · peak 1 Aug

Right now you feel **stuck between what you want to do and what you think you should do**, and this friction is making you second-guess your choices. People and situations are pushing back on your plans in ways that feel unfair, forcing you to slow down and reconsider directions you were confident about. Over the coming weeks, you'll need to do the harder work of proving to yourself—and others—that your choices actually matter, rather than just moving forward on assumption.

#### ♃ Jupiter Rx · ≈ Aquarius

Ideas about social progress, collective improvement, and future-oriented goals turn inward during this period. Idealism that has been driving group efforts may need grounding in more concrete assessment. Reviewing rather than promoting your vision of how things could improve serves you better right now.

\* = natal resonance — this transit echoes your birth chart, amplifying its influence

#### PROGRESSED MOON

---

○ Progressed Moon in ♏ Sagittarius 24.7° H3

○ Progressed Moon ☐ Square ☾ natal Moon

#### LUNATIONS

---

● New Moon · Sunday, 3 Aug

in ♌ Leo

creative spark, self-expression, new confidence

in H10 — Career & Reputation

A major new chapter in your professional life and public reputation is beginning. This lunation plants seeds around **career direction, achievements, and how you're perceived by the world**. Goals you set now and steps you take toward your ambitions have greater traction than usual. If you've been waiting for the right moment to make a career move, pursue recognition, or clarify your professional direction, this lunation gives it meaningful momentum.

○ Full Moon · Monday, 18 Aug

in ♒ Aquarius

social awakening, group dynamics, collective peak

in H5 — Creativity & Romance

A creative work, romantic situation, or matter involving children is reaching its peak. What began months ago in your love life or creative endeavors is now **ready for a culmination** — a relationship becoming more defined, a project completing, or a moment of genuine joy or heartbreak making itself felt. The full moon here amplifies feelings of passion and desire. Be honest about what and who actually brings you happiness, rather than what you think should.

#### KEY DATES

**Fri, 1 Aug** ♋ NNode \* Sextile ♋ natal NNode

**Sat, 2 Aug** ♄ Saturn stations Retrograde

♋ NNode △ Trine ♃ natal Mercury

*Saturn* stationing retrograde means **delays and reviews become the pattern** for the next few months in work, responsibilities, and long-term plans. When this planet appears to move backward, people commonly experience **slowdowns in projects, contracts, or official processes** — deadlines shift, approvals take longer, and progress feels stuck even when you're putting in effort. The practical shift is to **focus on fixing past mistakes** and tightening up weak spots in your systems rather than pushing hard for new starts during this time.

**Sun, 3 Aug** New Moon in Leo

**Sun, 10 Aug** ♄ Chiron \* Sextile ♂ natal Mars

**Mon, 11 Aug** ♋ NNode △ Trine ♃ natal Mercury

**Wed, 13 Aug** ♇ Pluto stations Direct

When *Pluto* stations direct, **stuck situations finally start to shift** — whether that's a delayed decision at work, a relationship stalemate, or a project waiting for approval. *Pluto* retrograde tends to lock things in place, so you'll notice **momentum returning** and people becoming willing to commit or move forward where they've been hesitant. Over the next few weeks, whatever felt **blocked or unclear becomes easier to see and act on**, though real change still takes time.

**Thu, 14 Aug** ♂ Mars enters ♏ Scorpio

*Mars* in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

**Sun, 17 Aug** ♃ Jupiter □ Square ♀ natal Venus

**Mon, 18 Aug** ♃ Mercury stations Retrograde

♀ Venus enters ♎ Libra

Full Moon in Aquarius

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

**Thu, 21 Aug** ♄ Chiron \* Sextile ♂ natal Mars

**Sat, 23 Aug** ☉ Sun enters ♍ Virgo

*Sun* in *Virgo* brings a shift toward **noticing details** that slipped past you before — at work, people start organizing their spaces and making lists, and conversations focus on what actually needs fixing rather than big ideas. In relationships and daily routines, there's more **interest in getting things right**, which can mean partners point out mistakes more often or you find yourself doing the same, and this period favors tackling tasks you've postponed. *Virgo* energy also makes people more **hesitant about committing** until they've checked all the facts, so decisions take longer but tend to be more solid.

**Sun, 24 Aug** ♃ Jupiter □ Square ♀ natal Venus
