KEY TRANSIT FACTORS

☿ Mercury △ Trine ☾ natal Moon · peak 26 Dec ★

Right now you find it much easier to say what you actually feel without overthinking it. Your conversations with people close to you flow naturally because you can **express emotions clearly and listen without getting defensive**. This is a good window to have the conversations you've been putting off, since what you say lands well and creates real understanding.

♆ Neptune △ Trine ☉ natal Sun · peak 26 Dec

While this lasts, you feel more **comfortable being yourself around others** without needing to explain or defend who you are. People seem to understand you more easily right now, and conversations flow naturally because you're not trying so hard to fit in. This is a good time to express creative ideas or talk about what actually matters to you, since your words carry a gentler weight that draws people in.

♆ Neptune qx Quincunx ♇ natal Pluto · peak 31 Dec

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

♄ Chiron qx Quincunx ☉ natal Sun · peak 18 Dec

While this lasts, you notice a **gap between how you see yourself and what actually works in your life**. You might feel awkward or out of step, as though your usual confidence does not quite fit the situation you are in. Over the coming weeks, small adjustments in how you present yourself or approach tasks will reduce this friction.

♄ Chiron △ Trine ♇ natal Pluto · peak 20 Dec

Over the coming weeks, you find it easier to **talk honestly about difficult things** without getting defensive or shutting down. People respond well to your openness because you're not attacking or blaming them, just saying what actually happened and how it affected you. This period gives you a practical window to repair relationships or clear the air in conversations you've been avoiding.

♄ Saturn □ Square ☾ natal Moon · peak 31 Dec

Right now your emotional needs feel blocked or neglected, and you're likely being harder on yourself about what you want or feel. **You withdraw** from people instead of asking for what you need, then feel resentful or alone. Over the coming weeks, you'll have a chance to sort out which of your feelings actually matter to you and which ones you've just been carrying around without question.

♁ NNode ♂ Conjunction ☉ natal Sun · peak 1 Dec

Right now you feel **pulled toward doing things that matter to you personally**, even if they're not what others expect. You notice you care less about fitting in and more about showing up as yourself in conversations and decisions. Over the coming weeks, this shift might create friction in relationships where you've usually compromised, but it also clarifies what you actually want.

♅ Uranus ♁ Quincunx ☾ natal Moon · peak 1 Dec

Your emotional needs are shifting in ways that don't quite fit your usual routines, leaving you feeling **restless and out of step with how you normally operate**. You might suddenly want different things from your home life or relationships, but you're not entirely sure what those things are yet. Over the coming weeks, expect some practical awkwardness as you adjust to what you actually need rather than what you thought you needed.

♁ NNode ☐ Square ♃ natal Pluto · peak 1 Dec

Right now you are **resisting changes that feel necessary but threatening**, and this resistance is creating real friction in your relationships and work. You want to stay in control of situations that are actually asking you to let go, which makes you come across as stubborn or defensive to people around you. Over the coming weeks, the only way forward is to identify what you are actually afraid of losing and decide whether holding on to it is worth the conflict.

♄ Saturn △ Trine ♄ natal Saturn · peak 31 Dec

Right now you find it much easier to **stick with long-term plans without second-guessing yourself**. You have a practical clarity about what needs doing and the patience to do it step by step without getting frustrated. This is a good time to tackle projects that require consistent effort, because your mind naturally settles into a steady rhythm instead of jumping around.

♄ Chiron ☐ Square ♃ natal Jupiter · peak 31 Dec

Over the coming weeks, your usual confidence in your abilities hits a wall, and you find yourself **doubting decisions you'd normally make without hesitation**. You may overcommit to plans or promises, then realize halfway through that you lack the resources or energy to follow through, leaving you feeling stretched thin. The mismatch between what you think you can do and what actually works in practice becomes impossible to ignore, forcing you to get honest about your real limits.

♄ Saturn * Sextile ♂ natal Mars · peak 1 Dec

Right now you find it easier to **follow through on what you start**, because your usual impatience is balanced by a real willingness to do things properly. Your practical side gets stronger while *Saturn* supports your *Mars*, so you can push hard without burning out or making careless mistakes. Over the coming weeks you'll likely notice you accomplish more because you're working smarter instead of just harder.

♄ Saturn ∟ Semi sextile ♁ natal NNode · peak 31 Dec

Over the coming weeks, you find it easier to **follow through on commitments** without second-guessing yourself or overthinking the details. A quiet confidence settles in when you're working toward goals that actually matter to you, and you waste less time on distractions. This practical steadiness helps you build real progress in areas where you've been hesitant or uncertain.

♃ Jupiter ☐ Square ♀ natal Venus · peak 31 Dec

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

♃ Pluto ♁ Quincunx ♀ natal Venus · peak 1 Dec

You feel oddly disconnected from what normally makes you happy, as though your usual pleasures have lost their appeal. Your social or romantic relationships may feel slightly off, making you wonder what has changed when nothing obvious has shifted. Over the coming weeks, you might notice yourself pulling back from people or activities you usually enjoy, until this uncomfortable mismatch eventually settles.

♄ Saturn Rx · ♊ Gemini

Mental discipline and consistency in communication are being tested right now. Projects that require sustained intellectual effort may expose areas where your commitment has been shallow. Returning to half-finished work rewards you more during this period than starting fresh.

LUNATIONS

● New Moon · Wednesday, 4 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H3 — Communication & Learning

Your mind is ready for new inputs and your communication style is shifting. This is an excellent time to **start a course, launch a project involving writing or speaking**, or open honest conversations with people in your immediate environment. Short trips, new learning experiences, and reconnecting with siblings or neighbors may carry unusual significance now. What you plant in conversation and learning at this point will take root in meaningful ways.

○ Full Moon · Thursday, 19 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H9 — Expansion & Beliefs

A belief, journey, or educational matter is reaching its culmination. Something you've been learning, travelling toward, or coming to believe is now **reaching a point of clarity or completion**. A trip may end or reach its destination. A long-held belief may be challenged or confirmed. This full moon illuminates your relationship with truth, freedom, and meaning — what expands you and what has been keeping you intellectually or spiritually confined.

KEY DATES

Sun, 1 Dec ♃ NNode ☌ Conjunction ☉ natal Sun

♃ NNode ☐ Square ♇ natal Pluto

Mon, 2 Dec ♂ Mars enters ♏ Scorpio

Mars in *Scorpio* brings **sharper focus** and **longer attention span** — people tend to stick with difficult projects instead of jumping between tasks. In relationships and work, you'll notice more **direct confrontation** of problems that were ignored before, which can clear the air but also creates tension if handled carelessly. *Mars* here makes people **dig deeper** into whatever they're doing, whether that's research, fitness routines, or figuring out why something isn't working.

Wed, 4 Dec New Moon in Sagittarius

Thu, 5 Dec ♃ Jupiter stations Retrograde

Jupiter stationing retrograde often brings a **pause in expansion plans** — job offers stall, travel gets delayed, or educational programs require extra paperwork. At work and in finances, this is when you'll notice yourself **reviewing past decisions** rather than pushing forward, and opportunities that seemed certain can shift or require renegotiation. Growth doesn't stop during this period, but it tends to happen **quietly through reflection**, and real progress usually resumes once *Jupiter* turns direct again.

Mon, 9 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sun, 15 Dec ♆ Neptune △ Trine ☉ natal Sun

Thu, 19 Dec Full Moon in Gemini

Fri, 20 Dec ♄ Chiron △ Trine ♇ natal Pluto

Sun, 22 Dec ☉ Sun enters ♑ Capricorn

♄ Saturn ☐ Square ☾ natal Moon

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
