KEY TRANSIT FACTORS

♇ Pluto △ Trine ♂ natal Mars · peak 18 Dec

You're finding it easier right now to **push through obstacles without burning yourself out**, because your determination feels steadier and more controlled than usual. Tasks that normally drain you are moving forward with less internal resistance, and you can tell the difference between real effort and pointless struggle. Over these coming weeks, you'll probably notice you accomplish more while actually feeling less frustrated in the process.

♅ Uranus * Sextile ♀ natal Venus · peak 22 Dec

Right now you are drawn to people and situations that feel fresh and unpredictable, and this **opens you up to new connections** that break your usual patterns. You might suddenly want to try a different look, spend time with unconventional people, or pursue an interest that surprises you. These shifts feel exciting rather than risky because *Uranus* sextile *Venus* makes change feel natural and aligned with what you actually want.

♁ NNode ♂ Opposition ♁ natal Uranus · peak 12 Dec

Right now you are caught between wanting to rebel against your routine and feeling pressure to stick with what works, which creates real friction in your decisions. **You swing between sudden urges to change direction and anxiety about losing stability**, making it hard to commit to anything. Over the coming weeks, people around you may find you unpredictable or erratic, because you genuinely do not know which version of yourself will show up.

♄ Chiron * Sextile ♃ natal Jupiter · peak 19 Dec

You find it easier right now to talk about past disappointments without getting stuck in them. Your natural ability to look forward and find the practical lesson in what went wrong is stronger than usual. Over the coming weeks, this becomes a genuine resource—you can help others see their setbacks as useful information rather than permanent failures.

♅ Uranus ♂ Conjunction ♄ natal Chiron · peak 1 Dec

You're noticing old patterns or habits that no longer work, and you feel a sudden urge to break free from them rather than manage them as you usually do. This impulse to change can feel **urgent and restless**, making it hard to stick with your usual coping methods. Over the coming weeks, you may find yourself experimenting with completely different approaches to problems you thought you had figured out.

♃ Jupiter △ Trine ♁ natal Uranus · peak 24 Dec

Over the coming weeks, you'll find yourself more willing to take practical risks and try new approaches without the usual anxiety holding you back. Your mind works faster than normal, and you spot solutions others miss because you're not stuck in old habits. This is a good time to pitch ideas at work, start something you've been putting off, or reorganize your life in ways that actually feel liberating instead of chaotic.

♃ Jupiter △ Trine ♂ natal Mars · peak 12 Dec

Right now you feel **more capable and willing to take action** on things you have been putting off. Your confidence in your own abilities is higher than usual, and you find yourself moving forward without the self-doubt that normally holds you back. Over the coming weeks, this is a good window to start a physical project, sign up for something challenging, or push for what you actually want instead of settling.

♄ Chiron □ Square ♃ natal Neptune · peak 31 Dec

Right now you are **more aware of where you have been avoiding hard truths** about yourself or others, and that awareness is uncomfortable. You may find yourself second-guessing your own perceptions or feeling confused about what you actually believe versus what you wanted to believe. These days this friction between reality and your preferred stories is forcing you to look at situations more honestly, even though the looking itself feels harsh.

♄ Saturn □ Square ☉ natal Sun · peak 19 Dec

Right now you feel less confident than usual and more aware of your limits. Your **self-doubt shows up in real ways** — you hesitate before speaking up, you second-guess decisions you would normally make quickly, and you notice people responding to this hesitation by taking the lead instead. This period asks you to do practical work on your confidence, not by ignoring the doubts but by acting despite them.

♄ Saturn ♂ Conjunction ♇ natal Pluto · peak 19 Dec

You are experiencing a sharp drop in your ability to ignore what is not working in your life, and you feel **compelled to confront things you usually avoid**. This period brings a practical clarity about where you have given away your power or stayed stuck out of habit. Over the coming weeks, you may make serious decisions about cutting ties, changing direction, or stopping behaviour that no longer serves you.

♅ Uranus △ Trine ♃ natal Neptune · peak 1 Dec

You're finding it easier right now to **turn your creative ideas into something real**, whether that's art, writing, or a practical project you've been imagining. Your intuition is sharper about what actually works, so you can spot the useful parts of your daydreams and leave the rest behind. Over the coming weeks, you'll notice you're less stuck between fantasy and reality, and more able to build something meaningful from both.

♃ Neptune □ Square ☿ natal Mercury · peak 31 Dec

Your thinking feels foggy right now, and you struggle to organize your thoughts into clear sentences or plans. You may say things you don't fully mean, misunderstand what others are telling you, or find yourself **second-guessing decisions** you would normally make quickly. Over the coming weeks, you will need to double-check important information and avoid signing contracts or making commitments until this confusion lifts.

♄ Chiron ∟ Semi sextile ♄ natal Chiron · peak 31 Dec

You find yourself more willing to talk about things that normally feel difficult or private, and people respond better than you expected. This period brings a quieter kind of confidence where you stop pretending everything is fine and actually **admit what you struggle with**. Small conversations about real problems start to shift how you feel about yourself and what you thought you had to hide.

♃ Jupiter □ Square ☾ natal Moon · peak 1 Dec

Right now you feel **emotionally restless and dissatisfied** with situations that normally comfort you, like time with family or your home routine. You might overcommit yourself or make promises you cannot keep because your judgment about what you can actually handle is off. Over the coming weeks, this mismatch between what you want and what is realistic creates friction in your personal relationships and leaves you feeling bloated rather than nourished.

♁ NNode ♂ Opposition ♂ natal Mars · peak 31 Dec

Right now you're running into friction between what you want to do and what other people need from you. Your usual directness and confidence come across as selfish or aggressive to those around you, even when you don't intend it that way. **You feel pulled in opposite directions** — your instinct is to act fast and claim what you want, but circumstances keep forcing you to slow down and consider other people's interests instead.

♂ Mars Rx · ♋ Cancer

Aggression and frustration tend to be expressed passively or indirectly right now rather than directly. Domestic tensions that have been suppressed may surface during this period. Identifying what you actually want from a situation — before reacting — is more useful than it normally is.

LUNATIONS

● New Moon · Monday, 10 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H3 — Communication & Learning

Your mind is ready for new inputs and your communication style is shifting. This is an excellent time to **start a course, launch a project involving writing or speaking**, or open honest conversations with people in your immediate environment. Short trips, new learning experiences, and reconnecting with siblings or neighbors may carry unusual significance now. What you plant in conversation and learning at this point will take root in meaningful ways.

○ Full Moon · Sunday, 23 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H9 — Expansion & Beliefs

A belief, journey, or educational matter is reaching its culmination. Something you've been learning, travelling toward, or coming to believe is now **reaching a point of clarity or completion**. A trip may end or reach its destination. A long-held belief may be challenged or confirmed. This full moon illuminates your relationship with truth, freedom, and meaning — what expands you and what has been keeping you intellectually or spiritually confined.

KEY DATES

Sat, 1 Dec ☿ Uranus ☌ Conjunction ♄ natal Chiron

Sun, 2 Dec ☿ Mercury enters ♐ Sagittarius

♁ NNnode ☌ Opposition ☿ natal Uranus

Mercury in *Sagittarius* brings **direct, blunt communication** — people say what they think without much filtering, which can clear the air or create awkward moments depending on who's listening. At work and in conversations, you'll notice **big-picture talk** taking over, with less patience for small details or nitpicking, so getting agreements in writing becomes more important. *Sagittarius* also pushes curiosity and debate, so **arguments stay friendly** longer than usual, even when people disagree strongly.

Thu, 6 Dec ♀ Venus enters ♏ Scorpio

Venus in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

Sun, 9 Dec ♅ Pluto ☌ Trine ☿ natal Mars

♄ Chiron ✳ Sextile ♃ natal Jupiter

♄ Saturn ☐ Square ☼ natal Sun

Mon, 10 Dec New Moon in Sagittarius

♃ Jupiter ☌ Trine ☿ natal Mars

Tue, 18 Dec ♅ Pluto ☌ Trine ☿ natal Mars

Wed, 19 Dec ♃ Jupiter enters ♑ Capricorn

♄ Chiron ✳ Sextile ♃ natal Jupiter

♄ Saturn ☐ Square ☼ natal Sun

♄ Saturn ☌ Conjunction ♅ natal Pluto

Jupiter in *Capricorn* brings a **practical focus to growth**, and you'll notice people around you caring more about real results than big promises. At work and in money matters, there's a shift toward **building slowly and checking progress** — promotions come through steady effort, not sudden luck, and people stop wasting time on schemes that sound good but don't hold up. In relationships and personal goals, **patience and structure** actually start to feel rewarding instead of boring, so this is when people finally follow through on plans they've been putting off.

Thu, 20 Dec ♄ Saturn stations Retrograde

Saturn stationing retrograde means **delays and reviews become the pattern** for the next few months in work, responsibilities, and long-term plans. When this planet appears to move backward, people commonly experience **slowdowns in projects, contracts, or official processes** — deadlines shift, approvals take longer, and progress feels stuck even when you're putting in effort. The practical shift is to **focus on fixing past mistakes** and tightening up weak spots in your systems rather than pushing hard for new starts during this time.

Fri, 21 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Sat, 22 Dec ☉ Sun enters ♑ Capricorn

♅ Uranus ✕ Sextile ♀ natal Venus

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.

Sun, 23 Dec Full Moon in Gemini

Mon, 24 Dec ♃ Jupiter △ Trine ♁ natal Uranus

Mon, 31 Dec ♀ Venus enters ♐ Sagittarius

♄ Chiron □ Square ♆ natal Neptune

Venus in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.
