## KEY TRANSIT FACTORS

### ♃ Jupiter ☐ Square ♄ natal Saturn · peak 28 Feb

Right now you're caught between wanting to expand and feeling held back by practical limits. You may **overcommit yourself** and then run into real obstacles that force you to cut back, leaving you frustrated. These next weeks will test whether you can push forward responsibly or if you'll waste energy fighting against real constraints.

### ♆ Neptune △ Trine ♆ natal Neptune · peak 24 Feb

Your intuition about other people becomes unusually reliable right now, and you find yourself understanding what others need without them having to explain it. You're also more comfortable sitting with uncertainty in practical situations instead of rushing to solve everything immediately. These small shifts make your relationships feel easier and give you permission to trust your gut more than usual.

### ♁ NNode ☐ Quincunx ♄ natal Chiron · peak 10 Feb

Over the coming weeks, you may notice that **old insecurities are surfacing in new situations**, especially when you are trying something unfamiliar. You feel aware of your weak spots but also slightly out of sync with how to address them. This mismatch between knowing what bothers you and knowing how to move forward can make practical decisions feel awkward or indirect.

### ♁ NNode ☐ Square ♀ natal Venus · peak 3 Feb

Right now you are more **critical of your relationships and what you want from them**, and this makes it harder to enjoy the people close to you. You might find yourself questioning whether your partner, friends, or family actually fit what you need, or you push them away before they can disappoint you. Over the coming weeks, this friction can help you get honest about what you will and will not accept from others, but the process feels uncomfortable and isolating while it lasts.

### ♃ Jupiter △ Trine ♁ natal NNode · peak 19 Feb

Over the coming weeks, you find it easier to say yes to opportunities that genuinely interest you instead of second-guessing yourself. **You pursue what matters to you with more confidence**, whether that is a new skill, a social group, or a professional direction. These doors open partly because you are actually asking for what you want, and people tend to respond well to that clarity.

### ♃ Jupiter ☉ Opposition ☿ natal Mercury · peak 6 Feb

Over the coming weeks, you are likely to **overstate your case and talk past people** instead of actually listening to what they think. Your confidence in your own opinions grows while your ability to hear other viewpoints shrinks, making conversations feel frustrating on both sides. This is a practical problem right now: you may make decisions based on incomplete information or damage working relationships by dismissing input you actually needed.

### ♋ NNode □ Square ♃ natal Neptune · peak 28 Feb

Right now you are drawn to **vague promises and unclear commitments** that later fall apart, leaving you frustrated and mistrustful. Your instinct to believe in people's good intentions keeps colliding with the reality that they have not actually committed to anything concrete. These days the gap between what you hope will happen and what people are actually willing to do feels wider than usual, and it is making you question whether you are naive or whether others are simply evasive.

### ♃ Neptune ∟ Semi sextile ♃ natal Jupiter · peak 1 Feb

These days you feel more **open to possibility** than usual, and small opportunities seem to appear without you forcing them. You might notice that people respond better when you speak from genuine feeling rather than trying to convince them with logic. Over the coming weeks, this softer approach often leads to unexpected support or connections that feel genuinely helpful.

### ♅ Uranus qx Quincunx ♁ natal Moon · peak 1 Feb

Your emotional needs are shifting in ways that don't quite fit your usual routines, leaving you feeling **restless and out of step with how you normally operate**. You might suddenly want different things from your home life or relationships, but you're not entirely sure what those things are yet. Over the coming weeks, expect some practical awkwardness as you adjust to what you actually need rather than what you thought you needed.

### ♃ Neptune ♂ Conjunction ♄ natal Chiron · peak 28 Feb

Right now you are more aware of where you feel inadequate or broken, and you may find yourself wanting to help others with similar pain instead of focusing on your own healing. This shift toward **helping others deflect from yourself** can feel noble but often leaves your own needs unmet. Over the coming weeks, watch whether you are actually listening to what you need or just getting lost in someone else's problems.

### ♇ Pluto △ Trine ♀ natal Mercury · peak 28 Feb

Your mind becomes unusually clear about problems you've been turning over for months, and you find yourself able to talk about difficult topics without getting defensive. These days you're **cutting through confusion** and saying what you actually mean, which helps other people understand you better. Over the coming weeks this clarity gives you real confidence in decisions you've been postponing.

### ♃ Jupiter \* Sextile ♁ natal Moon · peak 28 Feb

Right now you feel **more at ease with what you're feeling**, and that ease spreads to how you treat the people around you. You're quicker to laugh, more patient with complaints from family or friends, and you actually listen instead of just waiting for your turn to talk. Over the coming weeks, this emotional looseness often leads to real conversations that improve your relationships or help someone feel heard by you.

### ♃ Neptune \* Sextile ♀ natal Venus · peak 28 Feb

Right now you're more **willing to see people as they want to be seen rather than how they actually are**, which softens your relationships in a real and practical way. You feel less critical of your partner or close friends and more inclined to give them the benefit of the doubt when things go wrong. Over the coming weeks, this gentler outlook makes your social life feel easier and your connections feel warmer, even though nothing concrete has actually changed.

### ♄ Chiron ♂ Opposition ♁ natal Moon · peak 1 Feb

Over the coming weeks, you feel more aware of emotional wounds you've been carrying, which can make you irritable with the people closest to you. Your usual ways of comforting yourself stop working as well, leaving you **restless and dissatisfied** with your routines and relationships. This discomfort is real, but it's pushing you to look honestly at what you actually need instead of what you've settled for.

### ♋ NNode △ Trine ♃ natal Jupiter · peak 28 Feb

These days you're naturally drawn toward people and situations that expand your world in practical ways. You find yourself **saying yes to opportunities** that normally would feel risky, and they tend to work out because you're reading social situations more accurately than usual. This is a good window to pursue something you've been putting off — a conversation, a course, a connection — because your timing and judgment are genuinely sharper right now.

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

#### KEY DATES

**Thu, 1 Feb** ☿ Mercury enters ♒ Aquarius

*Mercury* in *Aquarius* brings **clearer, more direct communication** — people tend to say what they actually think instead of softening their words, which works well in meetings but can feel blunt in casual conversations. At work and in friendships, you'll notice **more focus on logic and ideas** rather than emotions, making this a good time for problem-solving but a trickier period if someone needs emotional support. *Aquarius* also pushes thinking toward the **bigger picture**, so conversations shift from daily complaints to plans, systems, and what-if scenarios that feel more interesting but less immediately practical.

**Sat, 3 Feb** ♃ NNode ☐ Square ♀ natal Venus

**Tue, 6 Feb** ♃ Jupiter ☉ Opposition ☿ natal Mercury

**Sun, 11 Feb** ♀ Venus enters ♋ Pisces

♆ Neptune ☐ Trine ♆ natal Neptune

*Venus* in *Pisces* makes people **softer and more forgiving** in how they treat others, so you might find yourself saying yes to requests you'd normally turn down or letting old arguments go without needing to rehash them. In relationships and work, this transit brings **less direct communication** — people get quieter, drop hints instead of asking straight out, and assume others understand what they want without saying it. *Venus* here also pulls attention toward **feeling appreciated through small gestures** like a text check-in or someone remembering how you take your coffee, rather than big declarations or expensive gifts.

**Mon, 12 Feb** ♃ NNode ☐ Square ♀ natal Venus

**Fri, 16 Feb** New Moon in Aquarius

**Sun, 18 Feb** ☿ Mercury enters ♋ Pisces

*Mercury* in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

**Mon, 19 Feb** ☉ Sun enters ♋ Pisces

♃ Jupiter ☐ Trine ♃ natal NNode

*The Sun* moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

**Sat, 24 Feb** ♆ Neptune ☐ Trine ♆ natal Neptune

**Wed, 28 Feb** ♃ Jupiter ☐ Square ♃ natal Saturn

♃ NNode ☐ Square ♆ natal Neptune

♆ Neptune ☉ Conjunction ♄ natal Chiron
