KEY TRANSIT FACTORS

♃ Jupiter ∠ Semi sextile ♄ natal Chiron · peak 4 Feb ★

While this lasts, you feel more **willing to ask for help** with something that has bothered you for a while. *Jupiter* is gently opening a door that *Chiron* has kept closed, and you notice you're less defensive about admitting what hurts. Over the coming weeks, this small shift in attitude can lead to real conversations or actions that actually move you forward.

♇ Pluto ∠ Semi sextile ♄ natal Chiron · peak 2 Feb

Over the coming weeks, you notice you can **talk about past hurts without getting stuck in them**. People seem to listen differently when you speak, and you find yourself explaining your experiences in ways that actually help others understand you. This shift makes conversations feel lighter and more honest than usual.

♇ Pluto □ Square ♀ natal Venus · peak 13 Feb

Your relationships feel strained right now as you become more critical of your partner or people close to you. You may notice yourself **withdrawing affection or testing whether people really care**, which often pushes them away further. Over the coming weeks, this pattern will force you to look honestly at what you actually want from your connections instead of settling for surface comfort.

♁ NNode ∠ Semi sextile ☾ natal Moon · peak 14 Feb

While this lasts, you find it easier to **listen to what you actually need** instead of pushing through discomfort. People around you tend to respond well to you right now because you're more relaxed and genuine in conversations. Over the coming weeks, small emotional hurdles feel less like obstacles and more like things you can work through naturally.

♃ Jupiter □ Square ♀ natal Venus · peak 6 Feb

Right now you are **overestimating what others feel about you**, which makes you push harder for approval or affection than is actually welcome. You may spend more money on gifts or experiences hoping to win someone over, or say too much too soon in a new relationship because you feel so confident about the connection. When the other person does not respond with the same enthusiasm, you feel rejected and confused about where things went wrong.

♄ Chiron ♂ Conjunction ☿ natal Mercury · peak 28 Feb

Right now you're noticing gaps in how you explain yourself to others, and conversations feel more awkward than usual. You're becoming **unusually aware of old patterns in the way you think and talk** — like repeated phrases or habits that never quite land. Over the coming weeks, this awareness can help you communicate more clearly if you slow down and listen to yourself first.

♆ Neptune ∠ Semi sextile ♀ natal Venus · peak 1 Feb

Right now you're feeling more **generous and open-hearted** in your relationships without much effort. People around you respond well to this softness, and you find it easier to listen and connect without agenda. Over the coming weeks, this gentleness helps you strengthen bonds that matter most, as you naturally give more attention to what you actually care about.

♃ Jupiter ☐ Square ♃ natal Neptune · peak 1 Feb

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

♄ Saturn * Sextile ♃ natal Uranus · peak 1 Feb

Right now you find it easier to turn your independent ideas into concrete plans that actually work. You can think outside the box without losing sight of what's practical, which means your unconventional solutions get real traction. This is a useful window to **push through changes you've been considering**, because you have both the innovative thinking and the patience to handle the details.

♁ NNode △ Trine ♄ natal Saturn · peak 28 Feb

Over the coming weeks, you find it easier to stick with difficult tasks and follow through on commitments without losing motivation. Your natural **ability to be reliable and practical** aligns smoothly with what you actually want to build right now, so responsibilities feel less like obligations. People notice you are more grounded and trustworthy during this period, and that reputation opens doors in work and personal relationships.

♃ Uranus * Sextile ♂ natal Mars · peak 1 Feb

You're finding it easier to take action on ideas that normally feel too risky or unconventional, and this **experimental confidence** is working in your favour right now. Your usual drive to get things done pairs well with a sudden willingness to try new approaches, so you can actually complete projects you've been sitting on. Over the coming weeks, people notice you're more direct and inventive about solving problems instead of relying on the same old methods.

♆ Neptune ∟ Semi sextile ♄ natal Chiron · peak 1 Feb

These days you find yourself **more willing to accept your own limitations** without turning them into harsh self-judgment. When something doesn't go smoothly, you notice you're gentler with yourself instead of dwelling on what went wrong. This shift in attitude makes it easier to move forward and try again without the usual weight of disappointment.

♁ NNode ☐ Square ♁ natal NNode · peak 28 Feb

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

♇ Pluto ☐ Square ♃ natal Neptune · peak 1 Feb

Over the coming weeks, you may find it harder to trust your own intuition and judgment because reality keeps contradicting what you thought you understood. **You question everything you believed about people and situations**, which leaves you feeling unstable and uncertain about what is actually true. This period asks you to rebuild your sense of what is real by paying close attention to facts instead of relying on hopes or assumptions.

♄ Chiron * Sextile ♁ natal NNode · peak 28 Feb

Over the coming weeks, you find it easier to **talk about your actual experiences instead of pretending everything is fine**. People respond well to this honesty because you're not oversharing your wounds but simply being real about what you've learned. This openness builds better connections with others and helps you move forward without carrying old resentment.

♄ Saturn Rx · ♋ Cancer

The structures that support emotional security — family obligations, domestic arrangements, and habitual patterns of care — are being reassessed right now. Boundaries in close relationships may feel either too rigid or insufficiently maintained. Honest reflection on what genuinely sustains you yields more now than seeking external reassurance.

LUNATIONS

- Full Moon · Sunday, 13 Feb

in ♌ Leo

recognition, drama, creative culmination

in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

KEY DATES

Tue, 1 Feb ♃ Jupiter □ Square ♃ natal Neptune

♄ Saturn * Sextile ♃ natal Uranus

♃ Uranus * Sextile ♂ natal Mars

Fri, 4 Feb ☿ Mercury enters ♋ Pisces

Mercury in *Pisces* makes your thinking **slower and less direct** — you'll notice yourself taking longer to find the right words, or changing your mind mid-conversation. In work and daily tasks, this transit rewards **intuition and pattern-spotting** over step-by-step logic, so you might solve problems by sensing what feels right rather than working through details. Relationships often improve because you're more **willing to listen without interrupting** and pick up on what people aren't saying aloud, though you may struggle to explain your own point clearly.

Sat, 5 Feb ♀ Venus enters ♈ Aries

Venus in *Aries* tends to make people more **direct about what they want**, especially in relationships and social situations where they'd normally hold back. You might notice yourself **speaking up sooner** instead of waiting or overthinking, and others responding to that straightforward approach. At work and in friendships, this transit often brings **faster decisions** and less time spent on small talk or people-pleasing.

Sun, 6 Feb ♂ Mars enters ♐ Sagittarius

♃ Jupiter □ Square ♀ natal Venus

♇ Pluto □ Square ♀ natal Venus

Mars entering *Sagittarius* brings a shift toward **bigger goals and faster action** — people tend to stop sweating small details and push harder for what matters most. In relationships and work, you'll notice more **directness and impatience** with anything that feels like a waste of time, which can speed things up or create friction depending on how bluntly people speak. The practical upside is that **ambitious projects move forward** and people take risks they'd normally avoid, though they may also start more things than they finish during this transit.

Sun, 13 Feb Full Moon in Leo

♇ Pluto □ Square ♀ natal Venus

Mon, 14 Feb ♃ Uranus * Sextile ♂ natal Mars

♄ Saturn * Sextile ♃ natal Uranus

Fri, 18 Feb ☉ Sun enters ♋ Pisces

The Sun moving into *Pisces* shifts attention toward **listening and flexibility** for the next month, making people naturally more **willing to adjust plans** instead of pushing forward rigidly. At work and in relationships, you'll notice others become **harder to pin down** — deadlines slip, people change their minds, and vague agreements replace firm commitments, which requires patience rather than frustration. *Pisces* season softens the usual drive to compete or win, so **collaboration and going with the flow** tend to work better than direct pressure during this time.

Sat, 19 Feb ☿ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Sun, 20 Feb ♄ Chiron ♂ Conjunction ☿ natal Mercury

♁ NNode △ Trine ♄ natal Saturn

Mon, 28 Feb ♀ Venus stations Retrograde

♄ Chiron ♂ Conjunction ☿ natal Mercury

♁ NNode △ Trine ♄ natal Saturn

♁ NNode □ Square ♁ natal NNode

Venus stationing retrograde often brings **delayed decisions** in relationships and money — you might feel unsure about commitments or put off purchases you normally wouldn't hesitate on. People commonly **reconnect with exes** during this period, or **revisit old financial choices** that didn't sit right the first time. *Venus* retrograde tends to slow down **new relationships and deals**, so timing matters more than usual — what feels stuck now often moves again once the planet shifts direct.
