♃ Solar Jupiter → natal H3 cusp

0.2°

You want to learn and share ideas more than usual this year. Your **communication feels bolder and more generous**, which helps you connect with others and pick up new skills. Conversations flow easier and people generally listen when you speak.

### ☉ Sun · solar H1 rul. ☐ Square ♇ natal Pluto

Right now you are **pushing hard against people or situations that feel controlling**, and this is likely to create real friction in your relationships and work. You may notice you are more irritable than usual, especially when someone challenges your authority or when you feel your independence is being threatened. Over the coming weeks, this friction will either force you to set clearer boundaries or lead you into unnecessary conflicts that exhaust you.

#### ☉ Sun · solar H1 rul. ♂ Conjunction ☉ natal Sun

Your sense of what you want from life becomes clearer right now, and you naturally act on it more directly. You feel more confident in social and professional situations, which means people respond better to you. This is a good window to start something new or push forward with a goal you've been sitting on.

#### ♀ Venus · solar H3/H10 rul. \* Sextile ☾ natal Moon

You find it easier to connect with people right now because you're naturally more **warm and approachable**. Your emotional state feels steady enough that you can listen to others without getting defensive or withdrawn. These days small gestures—a kind word, spending time with someone who matters—feel genuinely rewarding to you in a way they might not normally.

#### ♂ Mars · solar H9 rul. ☐ Square ♃ natal Pluto

Right now you're running into situations where you want to control outcomes, but other people or circumstances push back hard. You might feel **frustrated and impatient** because your usual tactics aren't working, and the pressure makes you want to force things even more. Over the coming weeks, watch for moments where you're being stubborn or aggressive—stepping back will actually get you better results than doubling down.

#### ♂ Mars · solar H9 rul. ♂ Conjunction ☉ natal Sun

Right now you have more **physical drive and directness** than usual, and you're quicker to act on what you want. You may push harder on projects or speak up more bluntly in conversations because your patience for delays has dropped. Watch whether this gets you closer to your goals or whether it creates friction with people around you.

#### ♀ Venus · solar H3/H10 rul. ♁ Quincunx ♄ natal Saturn

Right now you feel pulled between wanting closeness with someone and needing to keep your distance, which makes you act uncertain in social situations. You might say yes to plans and then back out, or hold back from expressing what you actually want because you are unsure how it will land. These mixed feelings are temporary, but while this lasts they can make your relationships feel awkward or leave you feeling dissatisfied with how you are connecting.

#### ☾ Moon · solar H12 rul. ♁ Quincunx ♅ natal Uranus

While this lasts, you feel **restless in situations that normally feel comfortable**, and small changes in your routine bother you more than usual. Your mood swings between wanting everything to stay exactly the same and suddenly wanting to shake things up completely. These contradictory impulses can leave you feeling unsettled, so notice when you're reacting to actual problems versus just needing to move your body or change your environment.

#### ♀ Venus · solar H3/H10 rul. ♂ Conjunction ♃ natal NNode

These days you find it easier to **connect with people who matter to you**, and social invitations or collaborative opportunities seem to arrive naturally. Your emotional availability is higher than usual, which makes others respond well to you in practical ways—you get heard, supported, and included more readily. Over the coming weeks, pay attention to the relationships or group situations that feel genuinely warm, because they often point toward connections worth developing further.

#### ♄ Saturn · solar H6 rul. \* Sextile ♂ natal Mars

Right now you find it easier to **follow through on what you start**, because your usual impatience is balanced by a real willingness to do things properly. Your practical side gets stronger while *Saturn* supports your *Mars*, so you can push hard without burning out or making careless mistakes. Over the coming weeks you'll likely notice you accomplish more because you're working smarter instead of just harder.

#### ♄ Chiron ☐ Square ♂ natal Mars

Right now you're running into situations where your usual way of pushing forward feels blocked or clumsy, and you're **second-guessing your own strength**. You might notice old injuries or physical vulnerabilities flaring up, or you feel awkward and uncertain when you'd normally act with confidence. Over the coming weeks, this friction between doubt and action can actually show you where you're forcing things instead of thinking them through first.

#### ♆ Neptune · solar H8 rul. △ Trine ♂ natal Mars

Right now you find it easier to act on your creative ideas without overthinking or second-guessing yourself. Your usual need to charge ahead gets **softened by intuition**, so you pick up on what others actually need instead of just pushing your own agenda. Over the coming weeks, this blend of confidence and sensitivity means you can get things done while keeping people around you feeling heard.

#### ♃ NNode ☐ Square ☾ natal Moon

You are feeling **emotionally pulled in two directions** right now, wanting to stay comfortable while something pushes you toward unfamiliar social or practical territory. Your gut reactions clash with what people around you seem to expect, leaving you irritable and confused about what you actually need. Over the coming weeks, you will have to choose between repeating old emotional patterns or accepting that some relationships and routines no longer fit who you are becoming.

## ♅ Pluto · solar H4 rul. \* Sextile ♂ natal Mars

You're finding it easier to act on what you actually want without second-guessing yourself or getting tangled up in other people's opinions. Your **willingness to take direct action** feels natural and purposeful, whether you're starting a project, having a difficult conversation, or making a change you've been putting off. Over the coming weeks, this clarity and confidence in your own decisions will help you move forward on things that matter to you.
