♁ North Node	in ♒ Aquarius		18°37'06"	III Rx
♁ Lilith	in ♌ Leo		21°23'01"	X

KEY TRANSIT FACTORS

♇ Pluto ☐ Square ♁ natal Chiron

Right now you're bumping up against old wounds that usually stay quiet, and it feels uncomfortable because you can't just ignore them the way you normally do. You might find yourself **overreacting to small slights or feeling defensive** about situations that wouldn't usually bother you. Over the coming weeks, this friction is forcing you to look at how you protect yourself—not to fix everything at once, but to notice where your defenses are actually holding you back from connecting with other people.

♃ Jupiter ☉ Opposition ☉ natal Sun

Right now you are running into people and situations that directly challenge what you believe about yourself. You feel **pulled in opposite directions** — one part of you wants to expand and take on more, while another part doubts whether you can actually deliver. Over the coming weeks, this friction is likely to expose where you've been overestimating your capabilities or making promises you can't keep.

♀ Venus ☉ Opposition ♁ natal Chiron

Right now you're noticing that people respond differently to you than usual, and it feels uncomfortable because old insecurities about your **likability and self-worth** are surfacing. You might find yourself either trying too hard to be liked or pulling away from social situations altogether, which makes real connection harder rather than easier. Over the coming weeks, this friction is an opportunity to see where you've been hiding your actual personality to fit in, but it will not feel good while it's happening.

♁ Chiron △ Trine ♂ natal Mars

Over the coming weeks, you find it easier to talk about what you actually want and need instead of pushing through silently. Your **willingness to ask for help** without shame or defensiveness opens doors with people who care about you. This practical shift means you get real support right when you need it, and conflicts that usually leave you exhausted tend to resolve with much less friction.

♆ Neptune ∟ Semi sextile ♀ natal Venus

Right now you're feeling more **generous and open-hearted** in your relationships without much effort. People around you respond well to this softness, and you find it easier to listen and connect without agenda. Over the coming weeks, this gentleness helps you strengthen bonds that matter most, as you naturally give more attention to what you actually care about.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ☾ Semi sextile ♄ Chiron

These days you find it easier to **notice what actually bothers you instead of ignoring it**. This small shift in self-awareness means you can address practical problems before they get worse. The Sun and Chiron aspect right now creates a quiet window where you see yourself more clearly and can make real changes.

☾ Moon ☾ Semi sextile ☿ Mercury

These days your thoughts and feelings are **naturally aligned**, so what you say matches what you actually feel inside. You find it easier to explain what is bothering you or what you need without getting confused or defensive. This makes conversations smoother because people understand you the first time instead of having to guess what you mean.

LUNAR DAY

Moon in ♋ Cancer · Day 5 / 30 · Waxing Crescent

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.

CLOTHING & JEWELRY

Thursday · ♃ Jupiter · Venus in Scorpio

Thursday is Jupiter's day — deep blue or royal indigo invites expansion and optimism. Amethyst worn as a ring or necklace supports wisdom and measured confidence.
