KEY TRANSIT FACTORS

♃ Jupiter ☐ Square ♇ natal Pluto ★

Right now you're pushing harder on situations that resist you, and the harder you push the more they push back. You're likely **overestimating how much control you actually have** over people or circumstances that operate by their own rules. Over the coming weeks this friction will either force you to step back and accept limits, or exhaust you trying to prove a point that doesn't need proving.

♃ Jupiter ☿ Quincunx ♆ natal Neptune ★

You're noticing a mismatch between what you want to believe and what the facts actually show you right now. **You're more inclined to overlook practical details** or convince yourself that things will work out without doing the legwork, and reality keeps pushing back. Over the coming weeks, your real challenge is to stay grounded instead of letting optimism override what you can actually see and verify.

♆ Neptune ∟ Semi sextile ♀ natal Venus

Right now you're feeling more **generous and open-hearted** in your relationships without much effort. People around you respond well to this softness, and you find it easier to listen and connect without agenda. Over the coming weeks, this gentleness helps you strengthen bonds that matter most, as you naturally give more attention to what you actually care about.

♅ Uranus ☿ Quincunx ☾ natal Moon

Your emotional needs are shifting in ways that don't quite fit your usual routines, leaving you feeling **restless and out of step with how you normally operate**. You might suddenly want different things from your home life or relationships, but you're not entirely sure what those things are yet. Over the coming weeks, expect some practical awkwardness as you adjust to what you actually need rather than what you thought you needed.

♀ Venus ☐ Square ♄ natal Saturn

You feel **emotionally withdrawn and critical about your relationships** while this lasts, noticing flaws in people you normally accept. *Venus* square *Saturn* makes you doubt whether you deserve affection or whether others really care, so you pull back first to protect yourself. Over the coming weeks, this psychological distance can damage connections if you mistake your own fear for genuine incompatibility.

☉ Sun ☐ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☿ Quincunx ♃ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.
