KEY TRANSIT FACTORS

♇ Pluto ☿ Conjunction ☉ natal Sun

Right now you're experiencing a psychological pressure to prove yourself or remake who you are. You may feel **driven to cut away parts of your life that no longer fit**, whether that means ending a relationship, quitting a job, or completely changing how you present yourself. Over the coming weeks, pay attention to whether you're making these changes deliberately or if you're just reacting to a sense that something has to break.

☉ Sun ☿ Quincunx ♁ natal NNode

Right now you feel **pulled in two different directions** about what you want to do with your time and energy. Part of you wants to keep doing what's familiar, but another part senses you should be moving toward something new. This awkward feeling usually passes in a couple of weeks, but while it lasts you may second-guess decisions or feel restless about the direction you're heading.

♃ Jupiter ☿ Conjunction ♅ natal Uranus

Right now you feel **restless with your usual routines** and want to try new approaches to familiar problems. You might suddenly decide to change how you work, spend money, or organize your day just because the old way feels boring. This period pushes you toward practical experiments rather than staying comfortable with what you know.

☉ Sun ☿ Conjunction ♅ natal Uranus

Right now you feel **restless with routine** and want to break free from things that feel predictable or limiting. You might suddenly quit a habit, change your appearance, or rearrange your life in ways that surprise even you. This impulse to shake things up is real, but it'll fade once the transit passes—so pause before making permanent decisions.

☾ Moon ☐ Square ♂ natal Mars

These days you are **more irritable than usual and quicker to snap at people** over small things. Your emotional state is raw right now, and your usual patience for waiting or compromising has worn thin. Over the coming weeks, you may find yourself picking fights or pushing people away when what you actually need is to slow down and let this restless mood pass.

☉ Sun * Sextile ♂ Mars

Right now you find it easier to **take action on things you actually want** instead of sitting with them in your head. Your motivation and your confidence are aligned, so when you decide to do something, your body follows without the usual resistance. This is a practical window for starting projects, having difficult conversations, or pushing through work that needs momentum.

☉ Sun ☿ Conjunction ♃ Jupiter

Right now you feel more confident about your abilities and less worried about what could go wrong. You are **more willing to take on bigger challenges** and speak up in situations where you normally stay quiet. This period tends to bring real opportunities your way because you are actually showing up differently, not because of luck.

☉ Sun ☿ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.

LUNAR DAY

Moon in ♍ Virgo · Day 6 / 30 · Waxing Crescent

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Scorpio
