## KEY TRANSIT FACTORS

### ☉ Sun ☾ Semi sextile ♀ natal Venus ★

These days you feel more **genuinely comfortable around people**, and they respond to that ease in you. You're not trying as hard to impress anyone, which somehow makes your relationships run smoother and more naturally. This small but real shift in how you show up socially can help you strengthen connections that matter to you over the coming weeks.

### ♀ Venus ★ Sextile ☿ natal Mercury

Right now you find it easier to say what you actually mean, and people respond well to your honesty. Your **words carry more warmth**, so conversations that usually feel difficult become straightforward and even enjoyable. Over the coming weeks, this natural ease with communication can help you sort out misunderstandings or simply connect more deeply with the people around you.

### ♆ Neptune ☿ Conjunction ♂ natal Mars

Right now your usual drive and confidence are harder to access—you feel less certain about what you want and how to get it. You may find yourself avoiding decisions or commitments because the practical steps feel unclear, or you might pursue something half-heartedly without your normal push. This fuzziness will fade as *Neptune* moves on, but for now it helps to stick to routines and check your plans with someone you trust before acting.

### ♃ Jupiter ☾ Semi sextile ♂ natal Mars

Over the coming weeks, you'll notice yourself **taking action on plans you've been sitting on** without the usual self-doubt. You feel more confident when you push forward on practical tasks, and small wins come easier than usual. This is a good time to start that project or have conversations you've been putting off, because your natural momentum is working in your favour right now.

### ♀ Venus △ Trine ♇ natal Pluto

Right now you're drawn to people and situations that feel genuinely authentic, and others pick up on this **magnetic honesty** in how you show up. Your practical ability to read what someone really needs, beneath the surface, makes your relationships deepen without effort. Over the coming weeks, this natural pull toward real connection can help you attract people or opportunities that actually align with who you are.

### ☉ Sun □ Square ☾ Moon

Right now your gut feelings and your sense of purpose are pulling in opposite directions. You might feel irritated with people close to you without knowing exactly why, or snap at someone when you meant to stay calm. This friction between what you want to do and what feels emotionally safe can push you to make real changes, but only if you stop and actually listen to both sides instead of just reacting.

### ♿ Mercury ☿ Conjunction ♀ Venus

These days you find it easier to say what you actually mean without sounding harsh or defensive. Your **words feel more natural and people listen differently** when you speak, which makes conversations flow instead of turning into arguments. This period is good for talking through disagreements, asking for what you want, or telling someone you care about them.

### ♿ Mercury ♌ Semi sextile ♃ Jupiter

These days you find it easier to **explain yourself clearly** and people actually listen instead of getting defensive. Your practical ideas connect with what matters to others right now, so conversations tend to move forward instead of getting stuck. This is a good window for sharing plans, asking for feedback, or pitching something you have been thinking about.
