KEY TRANSIT FACTORS

☾ Moon ☿ Quincunx ♁ natal Chiron ★

Your emotional reactions these days are pointing to old wounds you've tried to manage, and they're harder to ignore right now. You might find yourself oversensitive in situations where you normally stay composed, or **getting defensive when someone touches on a sore subject**. This period is asking you to notice what actually bothers you instead of pushing through it like you usually do.

☉ Sun ☐ Square ♀ natal Venus

Right now your **need for attention is clashing with how you actually connect with others**, and people are picking up on the mismatch. You might push harder to get validation or approval, but that just makes relationships feel more strained and transactional. Over the coming weeks, you will benefit from stepping back and listening instead of performing, because what you want right now is not what the people around you are ready to give.

♁ NNode ☿ Quincunx ☿ natal Mercury

Over the coming weeks, you'll notice your usual way of explaining things doesn't quite land the way it normally does. People seem to need you to say things differently than feels natural to you right now, which can be **awkward and frustrating** in conversations. The mismatch between what you want to communicate and what actually gets understood will push you to find new ways of thinking about how you talk to others.

♆ Neptune ☿ Quincunx ☾ natal Moon

Your emotional needs feel out of step with what's actually happening around you these days, and this mismatch can leave you **restless and slightly dissatisfied** no matter what you're doing. You might find yourself wanting comfort or reassurance that doesn't quite arrive, or feeling emotionally tired without a clear reason why. Over the coming weeks, the practical solution is to check in with yourself about what you actually need right now, rather than waiting for circumstances to shift on their own.

♁ Chiron ♂ Conjunction ☾ natal Moon

Right now you're more aware of what hurts you emotionally, and you notice old patterns in how you react when you feel vulnerable. This heightened sensitivity means you can see what you actually need from other people instead of just pushing feelings down. Over the coming weeks, this self-awareness gives you a chance to **handle emotional wounds more honestly** instead of letting them pile up.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

› **Moon ☾ Quincunx ♅ Pluto**

These days you might notice a gap between what you feel and what you think you should do about it. Your emotional reactions feel stronger than usual, and you can't quite figure out why small things are bothering you more. This mismatch between your feelings and your practical choices can make you feel stuck until you take time to understand what's actually upsetting you.

› **Moon ☾ Conjunction ♄ Chiron**

These days you are more aware of your own hurt spots and what makes you feel raw emotionally. You might find yourself being **gentler with yourself** about old disappointments instead of pushing through them. This is a practical window to notice what actually bothers you rather than ignore it.

LUNAR DAY

Moon in ♊ Gemini · Day 10 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY
