## KEY TRANSIT FACTORS

### ☾ Moon ☐ Square ♃ natal Jupiter

Your emotions right now are pulling you toward overcommitment and excessive spending that your wallet cannot actually support. You feel optimistic and generous, but you're not paying attention to real limits or consequences. This gap between what you want to give and what you can afford often leads to regret or resentment once the period passes.

### ☉ Sun ☐ Square ♃ natal Jupiter

These days you are **overestimating what you can accomplish** and taking on too much at once. You feel confident and expansive, but your actual capacity has not changed, so you end up stretched thin and frustrated when reality does not match your ambitions. The gap between your optimism and your real limitations creates practical problems at work or in your commitments that take weeks to sort out.

### ♃ Jupiter ♂ Conjunction ☾ natal Moon

You feel more **comfortable asking for what you need** from people around you right now. Your emotional confidence is higher than usual, which makes it easier to speak up in conversations and express your opinions. Over the coming weeks, you'll likely notice others responding better to you because you're clearer about your feelings and less defensive than normal.

### ♄ Saturn ♂ Conjunction ♂ natal Mars

Right now you're running into real limits on what you can push through by force alone. Your usual speed and confidence hit a wall, and tasks that normally feel easy now require patience and planning. Over the coming weeks, you'll notice that **slowing down and working methodically** actually gets you further than your usual drive does.

### ♆ Neptune ♂ Conjunction ♄ natal Chiron

Right now you are more aware of where you feel inadequate or broken, and you may find yourself wanting to help others with similar pain instead of focusing on your own healing. This shift toward **helping others deflect from yourself** can feel noble but often leaves your own needs unmet. Over the coming weeks, watch whether you are actually listening to what you need or just getting lost in someone else's problems.

### ♄ Saturn Rx · ♐ Sagittarius

Beliefs that have been functioning as unexamined rules are being tested for their actual utility right now. Long-term plans based on optimistic assumptions may need grounding in more realistic evaluation. Honest review of what you have committed to — in education, philosophy, or travel — is more productive than continuing forward without looking back.

### ☉ Sun ♂ Conjunction ☾ Moon

These days you feel more **aligned between what you want and what you feel**. Your emotional needs and your sense of direction match up, so you act with fewer doubts and less second-guessing yourself. This is a practical advantage when you need to make a choice or move forward on something that matters to you.

☉ Sun ☌ Quincunx ♁ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

☾ Moon ☌ Quincunx ♁ NNode

Right now you feel pulled in two directions emotionally—what you want to do clashes with what you think you should be doing. You might notice yourself hesitant in social situations or unsure how to express what you actually need. This mismatch between your gut feelings and your sense of direction will ease once you stop trying to force alignment and just observe the conflict without judgment.

LUNAR DAY

Moon in ♌ Leo · Day 30 / 30 · Waning Crescent

**The social atmosphere becomes more expressive** these days, with people more willing to share opinions and put themselves forward. The need to feel appreciated surfaces in small ways — a slower response to criticism, a stronger preference for being noticed.
