KEY DATE

♁ Lilith enters ♎ Libra

Lilith in *Libra* makes people **speak up more directly** about unfair treatment, especially in partnerships and work teams where they've been quiet before. When disagreements come up, you'll notice **less tolerance for pretending** everything is fine — conversations get real, and people stop accepting one-sided arrangements. At work and in relationships, the shift shows as **stronger boundary-setting**, with individuals refusing roles that feel like they're doing all the emotional labor or compromise.

KEY TRANSIT FACTORS

♀ Venus ∟ Semi sextile ♁ natal Chiron

Over the coming weeks, you find yourself **more willing to talk about things that usually embarrass you**, and people respond with real kindness instead of judgment. Small acts of self-care start feeling less like indulgence and more like basic respect for yourself. This gentle period gives you a chance to practice being honest about your needs without shame getting in the way.

☿ Mercury ∟ Semi sextile ♂ natal Mars

Your thoughts are moving faster than usual right now, and you're picking up on details that normally slip past you. You find yourself more **decisive in conversation**, able to speak up about what you want without overthinking it. This is a good window to tackle practical problems or have direct talks you've been putting off, because your mind and your drive are working together smoothly.

♃ Jupiter qx Quincunx ♂ natal Mars

Over the coming weeks, you may notice your usual drive and confidence don't quite match up with what's actually possible right now, leaving you **frustrated when plans don't move as fast as you want them to**. *Jupiter* is expanding your ambitions while *Mars* pushes for quick action, but the two are pulling in slightly different directions. You might waste energy on projects that start with excitement but need to be adjusted or abandoned halfway through.

♆ Neptune * Sextile ♀ natal Venus

Right now you're more **willing to see people as they want to be seen rather than how they actually are**, which softens your relationships in a real and practical way. You feel less critical of your partner or close friends and more inclined to give them the benefit of the doubt when things go wrong. Over the coming weeks, this gentler outlook makes your social life feel easier and your connections feel warmer, even though nothing concrete has actually changed.

♂ Mars ♂ Opposition ♀ natal Venus

Right now you're more **irritable in close relationships** and harder to please about how people treat you. You might pick fights over small things or feel like no one is giving you what you need, which pushes others away just when you want connection. These days the gap between what you want and what's actually happening feels wider, so patience with your partner or people you care about is wearing thin.

› Moon * Sextile ♀ Venus

Right now you find it easier to **express what you actually feel** without worrying what others will think. People around you respond well because you seem more genuine and relaxed than usual. This is a good period to have honest conversations or do something kind for someone close to you.

› Moon □ Square ♂ Uranus

These days you feel restless and want to break free from routines that suddenly feel suffocating, even if they were fine yesterday. Your **mood swings unpredictably** and you push away people who try to comfort you or offer practical help. While this lasts, small emotional disappointments hit harder than usual, and you may snap at others or make sudden changes you regret later.

› Moon □ Square ♄ Chiron

Right now you feel **emotionally raw about old hurts** that you thought were settled, and small rejections hit much harder than they should. You might snap at someone over something minor, or withdraw from people because you expect them to let you down anyway. This feeling usually passes in a day or two, but while it lasts, your emotional skin is thinner and your trust in others takes a real hit.

LUNAR DAY

Moon in ♈ Aries · Day 4 / 30 · New Moon

Impatience with delays rises noticeably right now, and people act on whatever they want without much advance thinking. Short tempers and blunt reactions are more common for the next 48 hours.

CLOTHING & JEWELRY
