KEY TRANSIT FACTORS

☿ Mercury ☌ Conjunction ♆ natal Neptune ★

Right now your thinking feels **less precise and more imaginative** than usual, which can help you see possibilities others miss but also makes it harder to focus on details. You might notice your mind wandering in conversations or find yourself changing your mind about things you felt certain about last week. These days *Mercury* and *Neptune* are working together, so use this period for brainstorming and creative writing rather than for tasks that need careful accuracy or planning.

☉ Sun △ Trine ♊ natal NNode ★

Right now you find yourself **naturally drawn toward conversations and situations that feel aligned with who you are**. People respond to your straightforward confidence, and opportunities seem to show up with less effort on your part. Over the coming weeks, trust what feels genuinely right instead of second-guessing yourself.

☉ Sun □ Square ♅ natal Uranus ★

Right now you feel restless with your usual routines and **resist what you normally accept without question**. You might pick fights with authority figures or suddenly reject plans you agreed to weeks ago, leaving people confused by your sudden change of mind. Over the coming weeks, this friction with the establishment or your own habits will force you to decide what you actually want instead of what you think you should want.

♀ Venus △ Trine ♊ natal NNode

Right now you find it easier to **connect with people who feel aligned with what you actually want**, rather than slipping into old patterns of pleasing everyone. Your social interactions feel less effortful because you are naturally drawn toward relationships and situations that match where you are heading. Over the coming weeks, you may notice you're making choices that feel genuinely yours instead of choices you think you should make.

☉ Sun * Sextile ♇ natal Pluto

You find it easier right now to **take charge of situations that usually feel overwhelming**. The transit of the *Sun* sextile your natal *Pluto* gives you practical confidence to handle difficult conversations or make real changes at work without getting stuck in doubt. Over the coming weeks, people respond to your directness and willingness to act, which opens doors you thought were closed.

☉ Sun ☌ Conjunction ☿ Mercury

These days your mind feels clearer and you're more likely to speak up about what you actually think. **You say things more directly** and people tend to listen because you sound confident. This is a practical time to have conversations you've been putting off or to explain yourself without second-guessing every word.

☉ Sun ♂ Conjunction ♀ Venus

These days you find it easier to ask for what you want and to say yes to invitations without overthinking. People around you respond well because you come across as **genuinely interested in them** rather than worried about how you look. This is a good window for making a request, starting a conversation you have been putting off, or simply enjoying company without the usual self-doubt getting in the way.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♍ Virgo · Day 28 / 30 · Waning Crescent

Attention sharpens on what is not working right now — small errors and inefficiencies become harder to ignore than usual. **The tendency to organize, correct, and refine** runs stronger for the next day or two, sometimes at the cost of the bigger picture.

CLOTHING & JEWELRY

Tuesday · ♂ Mars · Venus in Scorpio

Tuesday is ruled by Mars — bold red, burgundy, or deep crimson channel the day's active energy. Ruby or garnet worn close to the body strengthens initiative and courage.
