## KEY TRANSIT FACTORS

### ☉ Sun ☐ Square ♅ natal Uranus ★

Right now you feel restless with your usual routines and **resist what you normally accept without question**. You might pick fights with authority figures or suddenly reject plans you agreed to weeks ago, leaving people confused by your sudden change of mind. Over the coming weeks, this friction with the establishment or your own habits will force you to decide what you actually want instead of what you think you should want.

### ♁ NNode ♂ Conjunction ♄ natal Saturn

You are more aware right now of where you need to set limits and take responsibility, and you find it easier to say no to things that drain you. This period pushes you to **get serious about your commitments** and cut away what does not matter. Over the coming weeks, you may feel less interested in socializing or taking risks, and more focused on building something solid that will actually last.

### ♇ Pluto ♂ Opposition ☾ natal Moon

You feel **emotionally raw and defensive** right now, as though people are pushing you in ways that make you want to pull back completely. Your usual comfort sources—routines, familiar people, safe spaces—start to feel suffocating or unreliable, forcing you to ask hard questions about what you actually need. Over the coming weeks, this discomfort can push you toward real change, but only if you stop resisting and start paying attention to what's actually bothering you.

### ☉ Sun ♂ Opposition ☉ natal Sun

Right now you're running into **resistance from other people** when you try to assert yourself or push forward with your own plans. Others seem to want the opposite of what you want, and you feel like you're constantly having to defend your position or compromise. This period is showing you where your needs clash with those around you, and it's exhausting to navigate that friction every day.

### ♂ Mars ☐ Square ♁ natal Chiron

You're more irritable than usual right now, especially when someone points out a mistake or limitation of yours. **You push back harder and faster than normal**, defending yourself before you've even thought it through. Over the coming weeks, this defensive reaction will show you exactly where you're still tender about your own abilities or past failures.

### ☉ Sun ☐ Square ♃ Jupiter

Right now you're likely **overestimating what you can handle** and taking on more than makes practical sense. *Sun* square *Jupiter* pushes you to act bigger and bolder than your actual circumstances support, which sets you up for overcommitment and disappointment. The friction here teaches you where your real limits are, but only after you've already stretched too far.

### ☉ Sun ☌ Opposition ☌ Chiron

At the moment, you're likely to notice what you're **avoiding about yourself** — the parts of your character or your past that make you uncomfortable. This awareness doesn't feel good because it arrives as criticism rather than compassion, leaving you defensive or ashamed. Over the coming weeks, you may find yourself pushing back against feedback from others, even when it contains something useful, because right now your ego feels too raw to hear it.

### ☉ Sun ☌ Opposition ♁ NNode

Right now you are **pulled between what feels safe and what pushes you forward**, and this friction makes decision-making harder than usual. You notice yourself either clinging to familiar routines or suddenly abandoning them, without finding a middle ground that actually works. Over the coming weeks, this disconnect between your comfort zone and growth will keep surfacing in practical situations, forcing you to pick a direction instead of staying stuck.

### LUNAR DAY

Moon in ♎ Libra · Day 15 / 30 · Waxing Gibbous

**The social atmosphere becomes more diplomatic** during this transit, with more care taken to avoid unnecessary friction. Decisions slow down as multiple perspectives get weighed, and outright conflict feels harder to initiate than usual.
