KEY TRANSIT FACTORS

♁ Lilith ☌ Conjunction ♇ natal Pluto ★

These days you are more willing to **say no to people and situations that drain you**, even if it upsets them. You feel less need to manage other people's reactions or keep the peace at your own cost. Over the coming weeks, this directness can improve your relationships because you stop tolerating what you actually resent.

♄ Chiron ☌ Quincunx ☾ natal Moon ★

Over the coming weeks, you may notice that **small emotional upsets feel oddly difficult to shake**, even when you know they are not serious. Your usual ways of calming yourself down do not work as smoothly, and you might find yourself replaying conversations or moments longer than typical. This temporary mismatch between how you want to feel and what is actually happening emotionally can push you to try different approaches to managing your moods.

♆ Neptune ☌ Semi sextile ♂ natal Mars

Right now your usual drive to act is softened by a gentler, more intuitive approach to what you want. You find yourself **listening to your gut before charging ahead**, which actually helps you avoid wasted effort and see better options. Over the coming weeks, this combination of *Neptune* and *Mars* lets you pursue your goals with less force and more imagination, making your efforts feel easier even when you're working hard.

☿ Mercury ☌ Opposition ♅ natal Uranus

Your thinking becomes unpredictable and scattered while *Mercury* opposes your natal *Uranus*, making it hard to follow through on plans or stick to what you said you'd do. You feel a **restless need to argue or change your mind** at the last moment, which frustrates the people counting on you. Over the coming weeks, expect to catch yourself contradicting yourself in conversations or suddenly rejecting ideas you were promoting days earlier.

♃ Jupiter ☌ Quincunx ♇ natal Pluto

Over the coming weeks, you may feel **restless with situations you thought were settled**, wanting to change things that previously felt stable or important to you. Your confidence in what you control grows, but it doesn't match up neatly with what's actually possible right now, leaving you frustrated. These misalignments between what you want to reorganize and what the real world allows are the main friction you'll notice while *Jupiter* stays at odds with your *Pluto*.

☉ Sun ☌ Square ♂ Mars

Right now you feel **irritable and impatient** with anyone who moves slower than you want them to. Your frustration comes out quickly, and you might say things sharply or push for action before people are ready. This friction between what you want to do immediately and what actually needs to happen teaches you where your expectations don't match reality.

☉ Sun ☌ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ∟ Semi sextile ☽ Uranus

These days you find it easier to **try something different without overthinking it**. Small changes feel natural right now, whether that's taking a new route to work or suggesting a fresh idea in a conversation. This mild alignment between *the Sun* and *Uranus* gives you just enough confidence to break routine without feeling reckless.

LUNAR DAY

Moon in ♉ Taurus · Day 11 / 30 · First Quarter

The pace slows considerably during this transit as comfort and familiar surroundings take priority over efficiency. Resistance to change hardens, and any disruption to routine tends to provoke stubborn pushback.
