## KEY TRANSIT FACTORS

### ♂ Mars ☐ Quincunx ♁ natal NNode

Over the coming weeks, you may notice yourself **pushing harder toward goals that don't quite fit what you actually want**. Your drive and impatience are working against your natural instincts about which direction makes sense for you. This friction usually passes as you learn to slow down and check whether your effort is pointed the right way.

### ♂ Mars ☌ Conjunction ♁ natal Uranus

Right now you feel a sudden urge to break free from routines that have been holding you back, and you're **more willing to take risks and act on impulses** than usual. You might start arguments about rules you've always resented, or suddenly quit something without a backup plan. This restless energy will pass in a few weeks, but while it lasts, the challenge is channeling this drive toward change instead of just creating chaos.

### ♀ Venus ☌ Conjunction ♁ natal Uranus

Right now you feel **restless in relationships and less interested in routine affection**. You may suddenly want more independence from a partner or find yourself drawn to people who seem unconventional or exciting. These days *Venus* crossing *Uranus* makes you crave something different, so your usual patterns in romance or friendships feel boring by comparison.

### ♀ Venus ☐ Square ♄ natal Saturn

You feel **emotionally withdrawn and critical about your relationships** while this lasts, noticing flaws in people you normally accept. *Venus* square *Saturn* makes you doubt whether you deserve affection or whether others really care, so you pull back first to protect yourself. Over the coming weeks, this psychological distance can damage connections if you mistake your own fear for genuine incompatibility.

### ♁ NNode ☐ Square ☾ natal Moon

You are feeling **emotionally pulled in two directions** right now, wanting to stay comfortable while something pushes you toward unfamiliar social or practical territory. Your gut reactions clash with what people around you seem to expect, leaving you irritable and confused about what you actually need. Over the coming weeks, you will have to choose between repeating old emotional patterns or accepting that some relationships and routines no longer fit who you are becoming.

### ☿ Mercury Rx • ♌ Leo

Self-expression feels less fluid right now and there is a tendency to overthink how you come across to others. Conversations about recognition, creative projects, or past performances may resurface during this period. Creative work benefits more from revision than from new starts right now.

### ♃ Jupiter Rx • ♋ Pisces

Spiritual, creative, and compassionate expansions slow and turn inward right now. Beliefs about meaning, forgiveness, and transcendence that felt clear may now seem uncertain. Deeper honesty about what you genuinely believe rewards you more during this period than what feels comforting to think.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ☿ Opposition ♅ Uranus

Right now you feel a strong urge to break free from rules or routines that usually work fine, and this creates real friction with people around you. You might act impulsively or reject advice you would normally follow, making **sudden decisions without thinking through the practical consequences**. This period brings frustration because what you want to do conflicts with what actually needs to happen, and ignoring either side leaves you stuck.

☉ Sun □ Square ♃ Chiron

Right now you are more aware of your own weak spots and past hurts, which makes it harder to feel confident in what you're doing. You might find yourself **second-guessing your choices** or feeling like you're not good enough, even when you're performing well. This psychological self-doubt is temporary, but it takes real effort to push through it and keep moving forward.
