KEY DATE

♆ Neptune stations Retrograde

Neptune stationing retrograde marks the point where **clarity takes a step back** in the areas it governs — dreams, beliefs, creativity, and what you're willing to believe about yourself or others. During this period, people often notice **confusion returning to situations** they thought were settled, delays in creative projects, or the need to rethink agreements that felt unclear to begin with. *Neptune* retrograde typically brings **reality checks** that strip away wishful thinking, so you may spot where you've been fooling yourself or where someone else's promises don't actually add up.

KEY TRANSIT FACTORS

♁ Chiron qx Quincunx ☾ natal Moon ★

Over the coming weeks, you may notice that **small emotional upsets feel oddly difficult to shake**, even when you know they are not serious. Your usual ways of calming yourself down do not work as smoothly, and you might find yourself replaying conversations or moments longer than typical. This temporary mismatch between how you want to feel and what is actually happening emotionally can push you to try different approaches to managing your moods.

☉ Sun ☐ Square ♅ Uranus ★

Right now you are more **restless and impatient with routine**, which makes it harder to stick to normal responsibilities or follow through on what you started. You want to break free from constraints, but the practical world does not cooperate, so you feel trapped between what you want to do and what you have to do. This psychological friction can push you toward reckless decisions if you do not find a safe outlet for the urge to rebel.

♁ Lilith ♂ Conjunction ♁ natal NNode

Right now you're more willing to question social rules and expectations that don't actually fit who you are. You might feel **restless with routines or relationships that require you to stay small**, and you're less likely to apologize for taking up space or speaking up. This period invites you to notice which boundaries you've kept out of habit rather than genuine choice, though acting on that awareness requires thought and timing.

☉ Sun qx Quincunx ♆ natal Neptune

Right now you're noticing that what you want to do and what actually works don't quite line up, so you have to make small adjustments constantly. You might feel **pulled between being direct about your goals and sensing that people need a softer approach**, which means you second-guess yourself more than usual. Over the coming weeks, this mismatch will push you to find a middle ground instead of forcing things one way or the other.

♄ Saturn ♂ Conjunction ☾ natal Moon

You're feeling more **serious and withdrawn** right now, and your usual emotional needs feel heavier than normal. You might notice you're less interested in socializing or seeking reassurance, and instead you want to handle things alone and think things through carefully. This period pushes you to look at your emotional life more honestly, even if it feels uncomfortable or makes you seem quieter than usual.

› Moon ♂ Conjunction & natal Chiron

These days you are more aware of your own sensitivities and the ways you have learned to protect yourself emotionally. You may find yourself reflecting on past situations where you felt hurt or left out, and noticing how those experiences shaped the way you **relate to others now**. This temporary clarity can help you recognize patterns in your behaviour, though it may feel uncomfortable while you sit with these observations.

› Moon ♀ Quincunx ♃ Mercury

At the moment your *Moon* and *Mercury* are at odds, which makes it hard to say what you actually feel without overthinking it first. You might notice yourself **second-guessing your own reactions** or explaining your emotions in ways that don't quite fit the actual situation. This awkward angle between emotion and thinking tends to create mild frustration until you accept that some feelings just don't translate neatly into words.

› Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.
