KEY TRANSIT FACTORS

♇ Pluto * Sextile ☿ natal Mercury ★

Your thinking becomes **sharper and more penetrating** while *Pluto* supports your *Mercury* right now. You naturally spot patterns others miss and can ask the questions that get to the real issue in conversations or problems. This clarity lasts for weeks and helps you communicate about difficult topics with unusual directness and honesty.

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♀ Venus qx Quincunx ♆ natal Neptune

Over the coming weeks, you may notice your romantic or social preferences shifting in ways that feel unclear to you. You might find yourself **attracted to people or situations that don't quite fit what you normally want**, leaving you uncertain about what you actually value right now. This confusion usually settles once the transit passes, so it helps to observe your attractions without making major relationship decisions while this lasts.

♆ Neptune □ Square ♃ natal Jupiter

Right now you are **overestimating what you can achieve** and making commitments based on wishful thinking instead of realistic assessment. Your usual confidence in your plans is being clouded by *Neptune*, so promises you make or goals you set are likely to fall apart once you try to execute them. Over the coming weeks, expect practical disappointment and the need to scale back or rebuild what you've rashly agreed to.

☿ Mercury * Sextile ♃ natal Jupiter

Right now your **thinking is clearer and more optimistic**, which makes conversations and learning feel easier than usual. You find yourself explaining your ideas well and picking up new information quickly, whether that's at work, in classes, or just talking with people. These days you're more likely to take practical chances and say yes to opportunities because you actually believe things might work out.

♂ Mars qx Quincunx ♁ natal Chiron

Right now you're more aware of old hurts when someone pushes back against you or challenges your plans. You might notice yourself **reacting defensively to minor criticism** that you'd normally brush off. Over the coming weeks, this clash between your assertiveness and your sensitivity gives you a chance to see where you need better boundaries instead of just withdrawing or fighting back.

♃ Jupiter Rx · ♏ Scorpio

Expansion in areas involving depth, transformation, and shared resources pauses for honest reassessment right now. Past investments — financial, emotional, or psychological — return to attention and require evaluation. Research and deeper understanding serve you better during this period than new initiatives.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

☉ Sun ☿ Opposition ♇ Pluto

Right now you are more aware of what you cannot control, and this awareness makes you feel **powerless in situations where you normally feel in charge**. People around you may seem to be testing your authority or questioning your decisions in ways that feel personal. This period brings psychological friction because your sense of self is bumping up against forces larger than your willpower.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♒ Aquarius · Day 20 / 30 · Waning Gibbous

Emotional detachment increases these days, making abstract discussions and group concerns feel more engaging than personal ones. People respond better to logic than to feeling right now, and the need for independence runs noticeably higher.
