## KEY TRANSIT FACTORS

### ♄ Saturn ☾ Semi sextile ♁ natal Chiron

While this lasts, you're able to **turn your old wounds into practical wisdom** without getting stuck in the emotional weight of them. You notice yourself giving better advice to people who are struggling because you can draw on your own difficult experiences without reliving the pain. This period helps you build something solid and useful from what you've learned the hard way.

### ♂ Mars \* Sextile ♂ natal Mars

Right now you find it easier to **take direct action without second-guessing yourself**. You have more physical stamina and your decisions feel clearer, so tasks that seemed difficult before now move forward quickly. This period supports you in pushing past obstacles that have been holding you back at work or in personal projects.

### ☿ Mercury ☽ Conjunction ☉ natal Sun

Right now your thinking is clearer than usual, and you find yourself talking more and explaining your ideas without effort. People around you respond better to what you say because you're **more direct and confident in conversation**. These few weeks are a good time to handle emails, meetings, or decisions that need clear communication.

### ♊ NNode ☽ Conjunction ☾ natal Moon

These days you are drawn to people and situations that feel more emotionally familiar or aligned with who you want to become. You may find yourself **seeking out relationships or groups** that reflect your values more closely, or noticing which connections actually support you. This pull toward authenticity in your social life is likely to last several weeks as the *North Node* activates your *Moon*.

### ♃ Jupiter ☽ Opposition ♇ natal Pluto

You're running into situations where your confidence in yourself collides head-on with other people's resistance or control attempts. **You're more likely to push back against anyone who feels threatening**, which can escalate conflicts that might have stayed small. While this lasts, you'll notice that your usual way of managing power dynamics stops working, and you may feel forced to choose between backing down or fighting harder than you normally would.

### ☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

### ☉ Sun ☿ Quincunx ♊ NNode

At the moment you are noticing a mismatch between what you want to do and what feels like the right direction to move in. You might find yourself **hesitating before making choices** because two parts of you are pulling slightly different ways. This isn't crisis or conflict—just an uncomfortable adjustment where you have to consciously decide which impulse to follow rather than acting on automatic.

› Moon △ Trine ♂ Mars

Right now you feel like acting on what matters to you instead of overthinking it. **Your emotions and your willingness to do things are working together**, so a project you've been hesitant about suddenly feels doable. These days small tasks get done faster and conversations feel easier because you're not second-guessing yourself.

LUNAR DAY

---

Moon in ♊ Gemini · Day 20 / 30 · Waning Gibbous

**Social activity picks up** for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

---

Monday · › Moon · Venus in Scorpio

Monday belongs to the Moon — wear silver, white, or soft green tones. Moonstone or pearl as a pendant or ring amplifies the day's intuitive, nurturing energy.
