## KEY TRANSIT FACTORS

### ☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

### ♆ Neptune qx Quincunx ♁ natal Neptune

Over the coming weeks, you may notice that your usual ways of managing uncertainty or confusion feel slightly off or awkward. You might find yourself second-guessing decisions you would normally make without hesitation, or struggling to trust your instincts about situations that are unclear. This subtle misalignment between what you think you should do and what actually feels right will pass, but right now it asks you to slow down and check your assumptions more carefully than usual.

### ♇ Pluto ∟ Semi sextile ♂ natal Mars

Over the coming weeks, you'll notice a quiet **steadiness building underneath your actions**, as if you're becoming more deliberate about where you spend your effort. Small projects that felt stuck suddenly move forward because you're not forcing them anymore—you're working with what actually works. This calm persistence is temporary, but while it lasts you can accomplish practical things without the usual friction.

### ☾ Moon ☍ Opposition ☾ natal Moon

Right now you are likely to feel **emotionally restless and at odds with yourself**, as if your usual ways of managing stress are not working. You may snap at people you care about or withdraw when you normally would reach out, leaving you confused about what you actually want. Over the coming weeks, this mismatch between your instinctive needs and your current emotional state will push you to notice patterns you have been avoiding.

### ☉ Sun ∟ Semi sextile ♁ natal Chiron

These days you are **more willing to acknowledge your own past difficulties without dwelling on them**. You find yourself talking openly about old hurts or disappointments with a calm, practical tone that surprises others. This gentle support from *transiting Sun* to your natal *Chiron* makes emotional conversations feel lighter and less raw.

### ♀ Venus \* Sextile ♀ natal Venus

You feel more **at ease in social situations** right now, and other people pick up on this relaxed confidence. Your conversations flow more naturally, and you find yourself saying yes to invitations you might normally skip. This is a good window to deepen friendships, start something romantic, or simply enjoy being around the people you care about without the usual self-doubt.

### ☿ Mercury Rx · ♑ Capricorn

Professional communications and career-related decisions are prone to misalignment right now. Contracts, applications, or plans that seemed finalized may need revisiting before they are acted on. The careful checking you do now prevents public errors later.

## ♀ Venus Rx · ♄ Capricorn

Commitments made out of practicality rather than genuine connection are being quietly examined right now. Relationships with authority figures, professional partnerships, or long-term romantic arrangements may feel more burdensome than rewarding. This is a useful period for honest assessment — not for ending things prematurely.

## ☉ Sun \* Sextile ☾ Moon

These days you find it easier to know what you actually want and then act on it without second-guessing yourself. Your **practical needs and your emotional needs are pointing in the same direction**, so decisions feel less confusing. This alignment between the *Sun* and *Moon* means you can move forward with both confidence and peace of mind.

## ☉ Sun ∟ Semi sextile ♃ Jupiter

These days you feel a bit more **optimistic about your abilities** and willing to take on new projects. Small wins come easier right now because you're not overthinking things or waiting for perfect conditions. This is a good time to start something you've been putting off, since your confidence has a gentle boost and you're likely to see early progress.
