KEY TRANSIT FACTORS

♆ Neptune qx Quincunx ♃ natal Mercury

Over the coming weeks, you may find your thinking becomes **less direct and harder to organize** than usual. You might struggle to explain your ideas clearly to others, or notice that conversations wander off track more easily. This isn't permanent—it's just *Neptune* softening your usual mental sharpness, so patience with yourself during this period will help you move through it.

♀ Venus * Sextile ♂ natal Mars

You're feeling **confident and direct about what you want**, which makes it easier to ask for things or take action without overthinking. People around you respond well to this combination of warmth and decisiveness, so conversations that usually feel awkward become straightforward. Over the coming weeks, you'll likely notice you're more willing to make a move on something you've been considering, whether that's starting a project or deepening a connection with someone.

☾ Moon Δ Trine ♀ natal Venus

Right now you're feeling more **naturally affectionate and open with people around you**, which makes conversations easier and warmer than usual. Your emotional needs and what you actually want from relationships are lining up for once, so you're less likely to hide what matters to you or settle for less. Over the coming weeks, this alignment makes it simpler to ask for what you need and to show care without overthinking it.

♆ Neptune qx Quincunx ♇ natal Pluto

Over the coming weeks, you may notice that **your usual methods for handling difficult situations stop working quite the way they used to**. You might feel unsure about how much control you actually have in situations that once seemed straightforward, and old strategies for dealing with pressure start to feel off somehow. This is a practical adjustment period where you'll need to experiment with different approaches rather than pushing harder with the ones you know.

♁ Chiron qx Quincunx ♀ natal Venus

Right now you notice small awkwardness in how you connect with people you care about, as if your usual way of showing affection doesn't quite land the way you expect. You might feel **slightly out of sync with your own preferences**, unsure whether you actually want what you thought you wanted in your relationships. Over the coming weeks, this discomfort is actually useful—it pushes you to adjust how you relate and to notice when you're settling or performing instead of being genuine.

☉ Sun Δ Trine ♂ Mars

Right now you feel **capable and ready to act** on things you've been thinking about. You have the psychological boost to start projects or push through obstacles without burning out or getting frustrated. This period makes practical effort feel natural instead of forced.

☉ Sun * Sextile ♃ Jupiter

These days you feel more **willing to take reasonable risks** and try things you've been putting off. People around you seem more generous with their time and help, making it easier to move forward on practical goals. This period brings a straightforward boost to your confidence without the pressure to overcommit or perform.

☉ Sun □ Square ♁ NNode

These days you feel pulled between who you are right now and who you think you should become, and this gap creates real frustration. You might **resist feedback or advice** because accepting it feels like admitting you are not enough as you are. The practical result is that growth happens anyway, but it costs you energy and confidence in the short term.

LUNAR DAY

Moon in ♋ Pisces · Day 4 / 30 · New Moon

The boundary between personal and environmental moods blurs during this transit, making it easy to absorb the emotional state of whoever is nearby. Imagination and sensitivity both run higher, while clarity of thought and decision-making run lower for the next 48 hours.

CLOTHING & JEWELRY
