KEY DATE

♀ Venus enters ♍ Virgo

Venus in *Virgo* makes people **pickier about who and what they spend time on**, noticing small details that matter to them more than before. In relationships and at work, this shift brings **honest feedback** instead of smooth talk—people say what actually needs fixing rather than what sounds nice. Most notice they'd rather **organize their space, fix problems, and do real things** than go out or make grand gestures during this period.

KEY TRANSIT FACTORS

♃ Jupiter ☐ Square ♇ natal Pluto ★

Right now you're pushing harder on situations that resist you, and the harder you push the more they push back. You're likely **overestimating how much control you actually have** over people or circumstances that operate by their own rules. Over the coming weeks this friction will either force you to step back and accept limits, or exhaust you trying to prove a point that doesn't need proving.

♃ Jupiter ☐ Square ♋ natal NNode ★

Over the coming weeks, you may feel pulled to take on more than you can reasonably handle, which can frustrate your actual sense of direction. Your **confidence outpaces your judgment**, making you say yes to opportunities that don't fit your real priorities or skills. This misalignment between what you think you should do and what actually works for you creates unnecessary setbacks and wasted effort.

♋ NNode ∟ Semi sextile ♀ natal Venus

Right now you find it easier to **say yes to social invitations and connect with people who actually matter to you**. You're noticing that conversations flow more naturally and that you attract people who seem genuinely interested in what you have to offer. These small social wins build a sense that you belong in your own circles again.

♅ Uranus ★ Sextile ♇ natal Pluto

Right now you find it easier to **spot what needs to change** in your life without feeling overwhelmed by it. *Uranus* is helping you see practical steps forward where *Pluto* usually makes things feel stuck or all-or-nothing. Over the coming weeks, you're more likely to act on improvements in your work, relationships, or routines instead of waiting for a crisis to force your hand.

♃ Jupiter ∟ Semi sextile ♆ natal Neptune

Over the coming weeks, you'll find it easier to **notice small details others miss** and pick up on what people really mean when they talk. Your intuition is quieter than usual but more reliable, so you can trust those gut feelings about situations or other people. This is a good time to act on creative ideas or make sense of something confusing because your mind is unusually clear right now.

♿ Mercury Rx · ♍ Virgo

Your attention sharpens on errors and inefficiencies right now, sometimes to the point of paralysis. Details that were overlooked resurface, and work or health plans made earlier may need correction. This period rewards meticulous review but punishes perfectionism that prevents completion.

☉ Sun ☌ Semi sextile ♂ Mars

These days you feel **motivated to take small steps forward** without forcing things or burning out. Your practical energy matches what you actually want to do right now, so starting a project or having a difficult conversation feels less exhausting than usual. This is a good window to build momentum on something you care about while the effort still feels natural.

☉ Sun ☐ Square ♄ Saturn

Right now you're running into real obstacles when you try to move forward with what you want. **You feel blocked by rules, other people's expectations, or your own self-doubt**, and pushing harder usually just makes things worse. The practical thing to do is slow down, check what's actually realistic, and accept that some goals need more time or a different approach.

☉ Sun ☒ Quincunx ♆ Neptune

These days you might notice a gap between what you're trying to accomplish and what actually feels right to you. Your practical plans can feel oddly disconnected from your gut feelings, leaving you **uncertain about which direction to trust**. This mismatch between doing and feeling tends to make decision-making slower and more confusing than usual.
