KEY TRANSIT FACTORS

♄ Saturn △ Trine ♋ natal NNode ★

Over the coming weeks, you find it easier to **follow through on decisions that matter to you** without second-guessing or getting distracted. *Saturn* trine your *North Node* gives you a practical calm that lets you build on what you've already started, one step at a time. People around you notice you're more reliable right now, and that steadiness actually opens doors instead of closing them.

☉ Sun ∟ Semi sextile ♀ Venus ★

Right now you find it easier to notice what you like about people around you, and that makes your social interactions feel smoother. You're more likely to **compliment someone without overthinking it** or suggest doing something enjoyable together. This isn't a dramatic shift, but these days small acts of kindness and warmth come more naturally to you.

♅ Uranus △ Trine ☿ natal Mercury

Your thinking becomes sharper and more original right now, and you find yourself spotting solutions that other people miss. You're willing to question old assumptions and try new approaches, which makes you **unusually flexible in conversations and problem-solving**. This is a good window to pitch ideas, learn something outside your normal interests, or tackle a complicated project that needs fresh perspective.

♇ Pluto △ Trine ☉ natal Sun

Right now you feel **less afraid to make real changes** in your life, and people respond to this quiet confidence. You stop waiting for permission and start acting on decisions you've been sitting with for months. Over the coming weeks, you'll notice doors opening because you're finally moving forward instead of second-guessing yourself.

♆ Neptune ☾ Opposition ☉ natal Sun

Right now you are **doubting your own judgment** and struggling to see yourself clearly. You may act in ways that confuse people or that you later regret because your sense of who you are has become fuzzy. This confusion will pass, but while it lasts you need to slow down on big decisions and check your choices with someone you trust.

♃ Jupiter □ Square ♆ natal Neptune

Right now you are **overestimating what you can achieve** and making promises you cannot keep. Your optimism is running ahead of reality, and you may find yourself committed to projects or goals that are actually beyond your practical reach. Over the coming weeks, disappointment will follow when you realize the gap between what you imagined and what is actually possible.

☉ Sun △ Trine ☾ Moon

These days you find it easier to know what you actually want and to ask for it without overthinking. Your emotional reactions line up with your real goals, so you move forward without fighting yourself. This is a good time to make decisions or have conversations because you sound genuine and people respond well to that.

› Moon ♄ Conjunction ♅ Uranus

At the moment, you feel **restless and ready to break routine**, even if you do not consciously plan to. Your emotional reactions are faster and less predictable than usual, so you might say things you normally would not or suddenly want to change your plans. This period tends to shake up social situations and relationships because people are acting on impulse rather than habit.

LUNAR DAY

Moon in ♊ Gemini · Day 10 / 30 · First Quarter

Social activity picks up for the next day or two, with conversations starting easily but rarely staying on one topic. A general restlessness makes it harder to finish tasks or sit with one idea long enough to go deep.

CLOTHING & JEWELRY

Friday · ♀ Venus · Venus in Scorpio

Friday belongs to Venus — soft pink, rose, or pastel tones attract beauty and harmony. Rose quartz close to the heart enhances warmth and connection throughout the day.
