KEY TRANSIT FACTORS

♆ Neptune ☐ Square ♅ natal Uranus ★

You feel torn between wanting to break free from something and being unable to see clearly what needs to change. Your impulse to rebel clashes with confusion about which direction actually makes sense, leaving you **restless and indecisive**. Over the coming weeks, small frustrations can pile up as you second-guess decisions you thought were final.

♇ Pluto ☐ Square ♃ natal Jupiter ★

Over the coming weeks, you're likely to feel blocked whenever you try to expand or move forward on something important to you. Your **impatience with limits** grows as obstacles appear exactly when you thought progress was guaranteed, making you push harder against resistance instead of stepping back. This period tests whether you can accept that some things need to shrink or transform rather than simply get bigger.

♁ NNode △ Trine ☾ natal Moon

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

♂ Mars ☐ Square ♇ natal Pluto

Right now you're running into situations where you want to control outcomes, but other people or circumstances push back hard. You might feel **frustrated and impatient** because your usual tactics aren't working, and the pressure makes you want to force things even more. Over the coming weeks, watch for moments where you're being stubborn or aggressive—stepping back will actually get you better results than doubling down.

♇ Pluto △ Trine ♄ natal Saturn

You find it easier right now to stick with difficult tasks without losing confidence in yourself. **You work with steady focus** on what actually matters, turning big goals into concrete steps. This period supports you in building something real that lasts, whether at work or in how you organize your life.

☾ Moon ☐ Square ♀ Venus

Right now your **emotional needs feel at odds with what you actually want** — you might crave closeness but feel irritable when someone gets near, or want to be alone but then feel rejected. This mismatch between *Moon* and *Venus* makes it harder to communicate what you need without sounding demanding or cold. Over the coming weeks, pay attention to these moments so you can spot the pattern and name it out loud before resentment builds up.

☾ Moon ★ Sextile ♂ Mars

Right now you feel like **taking action on things that matter to you emotionally**, and your body has the energy to back it up. You're not overthinking or second-guessing yourself as much as usual; instead you're moving forward with projects or conversations that felt stuck before. This is a practical window for getting things done without burning yourself out.

› Moon Δ Trine ♃ Jupiter

Right now you feel more **generous and open to others** than usual, and people pick up on that. You're more likely to say yes to plans, share what you have, and give people the benefit of the doubt. This is a practical time to strengthen relationships because you're not defensive or withdrawn.

★ = natal resonance — this transit echoes your birth chart, amplifying its influence

LUNAR DAY

Moon in ♋ Cancer · Day 9 / 30 · First Quarter

Sensitivity to tone and atmosphere runs higher than usual over the next 48 hours, making small remarks feel more significant than intended. **The draw toward home, familiar food, and trusted people** dominates most decisions.
