KEY TRANSIT FACTORS

♄ Chiron ☿ Quincunx ♀ natal Venus · peak 6 Mar

Right now you notice small awkwardness in how you connect with people you care about, as if your usual way of showing affection doesn't quite land the way you expect. You might feel **slightly out of sync with your own preferences**, unsure whether you actually want what you thought you wanted in your relationships. Over the coming weeks, this discomfort is actually useful—it pushes you to adjust how you relate and to notice when you're settling or performing instead of being genuine.

♅ Uranus ♂ Conjunction ♄ natal Saturn · peak 8 Mar

You feel a sudden urge to break free from routines and structures that have been holding you in place, even the ones you built yourself. **You become restless with rules and schedules** — whether at work or in your personal life — and you start questioning why you've accepted certain limits. Over the coming weeks, you'll likely make at least one practical change to how you organize your time or responsibilities, and it may feel both liberating and slightly uncomfortable at the same time.

♃ Jupiter ♂ Conjunction ♄ natal Chiron · peak 27 Mar

Over the coming weeks, you're likely to feel more **willing to talk about past hurts that usually stay private**. People around you may notice you're more open and less defensive when difficult topics come up. This period can actually help you move through some old emotional blocks because you're not fighting against them as hard as usual.

♁ NNode △ Trine ☾ natal Moon · peak 11 Mar

Right now you find it easier to **trust your gut feelings** about what you need, and people around you respond well to this honesty. Your emotional boundaries feel more natural to maintain without effort or guilt. Over the coming weeks, you're likely to make social choices that actually suit you instead of just going along with others.

♄ Saturn ♂ Conjunction ☾ natal Moon · peak 31 Mar

You're feeling more **serious and withdrawn** right now, and your usual emotional needs feel heavier than normal. You might notice you're less interested in socializing or seeking reassurance, and instead you want to handle things alone and think things through carefully. This period pushes you to look at your emotional life more honestly, even if it feels uncomfortable or makes you seem quieter than usual.

♅ Uranus □ Square ♅ natal Uranus · peak 1 Mar

Over the coming weeks, you'll feel unusually **restless and impatient with your current life setup**, even if things were working fine before. You'll question decisions you made years ago and feel a strong urge to change something, anything, but you won't have a clear idea of what actually needs to change. This frustration can push you toward reckless choices or sudden disruptions if you act without thinking, so the real challenge right now is to sit with the discomfort instead of breaking things just to feel different.

♄ Chiron ☌ Opposition ☉ natal Sun · peak 31 Mar

Right now you're running into situations where your usual confidence doesn't work, and you feel **awkward or exposed in ways that sting**. You might notice criticism from others landing harder than usual, or you catching yourself being overly self-critical about decisions you'd normally stand behind. Over the coming weeks, this friction is forcing you to look honestly at where you've been ignoring your own doubts or pushing yourself too hard.

♅ Uranus △ Trine ♁ natal NNode · peak 1 Mar

While this lasts, you find it easier to **break free from old patterns that no longer fit** and try something genuinely new. You feel less afraid of standing out or doing things differently than usual, and others seem to respond well to this shift in you. Over the coming weeks, this confidence in your own direction can open doors you didn't expect.

♃ Jupiter ♃ Quincunx ♀ natal Moon · peak 1 Mar

Over the coming weeks you may feel pulled between wanting more comfort and feeling restless with your current situation. Your emotional needs don't quite match what's actually available to you right now, so you keep adjusting your expectations without getting settled. This **mild discomfort with routine** often pushes you to make small changes in how you manage your home or relationships, even if you're not entirely sure what you want.

♇ Pluto △ Trine ♀ natal Moon · peak 1 Mar

These days you find it easier to **act on what you actually feel** instead of hiding or dismissing your emotions. People around you notice you seem more direct and honest about what matters to you, and they tend to respond well to this straightforwardness. Over the coming weeks, situations that once felt emotionally stuck start to move forward because you're not holding back anymore.

♆ Neptune ∟ Semi sextile ♄ natal Chiron · peak 7 Mar

These days you find yourself **more willing to accept your own limitations** without turning them into harsh self-judgment. When something doesn't go smoothly, you notice you're gentler with yourself instead of dwelling on what went wrong. This shift in attitude makes it easier to move forward and try again without the usual weight of disappointment.

♅ Uranus ♃ Quincunx ♃ natal Jupiter · peak 1 Mar

Over the coming weeks, you feel restless about plans or beliefs that used to satisfy you, and you may suddenly want to change direction even though you have not finished what you started. Your **impatience with the status quo** makes it hard to stick with practical commitments or long-term goals that require steady effort. The mismatch between your urge for something new and your actual responsibilities can leave you feeling scattered, so it helps to write down what you genuinely want before you act.

♆ Neptune ☌ Opposition ♀ natal Moon · peak 31 Mar

Your **emotional reactions feel unreliable right now**, and you cannot trust your own mood to stay the same from one hour to the next. You might withdraw from people you normally rely on, or say things you do not mean because you are confused about what you actually feel underneath. Over the coming weeks, this fog makes it hard to make decisions about your personal life, and you may end up making promises you cannot keep.

♅ Uranus ♂ Conjunction ☉ natal Sun · peak 31 Mar

You feel **restless with your usual routine** and find yourself wanting to break rules or try things you would normally avoid. Your sense of who you are seems to shift from day to day, making it hard to stick with decisions or commitments right now. Over the coming weeks, you may act on impulses without thinking through the consequences, so it helps to pause before making big changes.

♿ Mercury ☌ Opposition ☉ natal Sun · peak 16 Mar

Over the coming weeks, you'll find your usual way of explaining yourself runs into brick walls with the people who matter most. **You say things that land poorly or come across as defensive even when you don't mean to**. This mismatch between what you're thinking and how others hear you creates real friction in conversations, especially at work or at home.

PROGRESSED MOON

- Progressed Moon in ♒ Aquarius 18.5° H3
- Progressed Moon ♃ Quincunx ♅ natal Uranus
- Progressed Moon ♂ Conjunction ♁ natal NNode

LUNATIONS

● New Moon · Wednesday, 15 Mar

in ♋ Pisces

intuitive reset, release, spiritual renewal

in H5 — Creativity & Romance

A new creative or romantic cycle is opening. This lunation brings **fresh energy to self-expression, passion, and pleasure** — it's the right moment to begin a creative project, allow yourself to be seen fully in a relationship, or bring more play and joy into your daily life. Children, art, and anything that makes your heart lighter all carry special significance now. What you initiate here connects directly to your happiness.

○ Full Moon · Wednesday, 29 Mar

in ♎ Libra

relationship peak, fairness, decision point

in H11 — Community & Goals

A friendship, group affiliation, or long-held hope is reaching its culmination. Something that began as a shared goal or community connection is now **showing its true shape** — whether that means a meaningful bond being cemented or a misalignment in values becoming clear. This full moon often brings a resolution around social belonging: who your people actually are, which dreams remain worth pursuing, and which ones need to be updated based on who you've become.

KEY DATES

Wed, 1 Mar ♂ Uranus ☐ Square ♂ natal Uranus

Mon, 6 Mar ♀ Mercury enters ♈ Aries

Mercury in Aries makes people **speak more directly** and skip the small talk they normally use. At work or in conversations, you'll notice folks **jump to conclusions faster** and interrupt more often because they want answers now instead of waiting. In practice, this means **quicker decisions** happen in meetings and texts become blunter, which can clear things up fast but also create friction if people aren't ready for that straight talk.

Tue, 7 Mar ♀ Venus enters ♉ Taurus

♆ Neptune stations Retrograde

Venus in Taurus shifts how people handle money and relationships — you'll notice a **stronger pull toward stability** and less tolerance for drama or sudden changes. In work and friendships, this transit brings a **preference for steady progress** over risky moves, and people tend to stick with what works rather than constantly switch direction. Physical comfort matters more now, so expect **more attention to food, comfort items, and routine pleasures** as people naturally invest in things that feel reliable and good.

Wed, 8 Mar ♂ Uranus ☌ Conjunction ♄ natal Saturn

Sat, 11 Mar ♃ NNnode ☊ Trine ☾ natal Moon

Wed, 15 Mar New Moon in Pisces

Thu, 16 Mar ♀ Mercury ☌ Opposition ☉ natal Sun

Sun, 19 Mar ♃ Jupiter ☌ Conjunction ♄ natal Chiron

Mon, 20 Mar ♂ Uranus ☌ Conjunction ♄ natal Saturn

♃ NNnode ☊ Trine ☾ natal Moon

Tue, 21 Mar ☉ Sun enters ♈ Aries

Sun in Aries brings **direct energy** that makes people more willing to **speak up** and take action without overthinking. At work and in relationships, you'll notice others become **more competitive** and eager to **push forward** with new projects or ideas, sometimes stepping on toes in the rush. This transit typically lasts about four weeks and leaves people feeling **impatient with delays**, so projects that moved slowly before now either speed up or hit friction with people who want faster results.

Wed, 22 Mar ♀ Mercury stations Retrograde

When *Mercury* stations retrograde, **communication breakdowns and misunderstandings** become noticeably more common in daily life. Emails get lost, conversations get tangled, and people often need to **repeat themselves or clarify** what they meant the first time around. Travel plans, contracts, and tech devices tend to **glitch or require fixes**, so most people find themselves troubleshooting problems they thought were already solved.

Sun, 26 Mar ♀ Mercury ☌ Opposition ☉ natal Sun

Mon, 27 Mar ♂ Mars enters ♊ Gemini

♃ Jupiter ☌ Conjunction ♄ natal Chiron

♀ Mercury ☌ Opposition ☉ natal Sun

Mars in Gemini shifts your energy toward **talking things through** and **sorting problems quickly** instead of pushing hard on one goal—you'll notice yourself wanting to handle multiple tasks at once and argue your point rather than

bulldoze it. At work and in conversations, people tend to get **more direct with words**, debate more often, and jump between projects faster, which can feel productive one moment and scattered the next. In relationships, this transit often brings **sharper communication** and quicker disagreements, since everyone's thinking faster and speaking up more—the upside is less bottled-up frustration, though patience can wear thin.

Wed, 29 Mar Full Moon in Libra

Fri, 31 Mar ♄ Saturn ♂ Conjunction ♃ natal Moon
