KEY TRANSIT FACTORS

☉ Sun ∟ Semi sextile ♀ natal Venus · peak 4 Dec ★

These days you feel more **genuinely comfortable around people**, and they respond to that ease in you. You're not trying as hard to impress anyone, which somehow makes your relationships run smoother and more naturally. This small but real shift in how you show up socially can help you strengthen connections that matter to you over the coming weeks.

♀ Venus ∟ Semi sextile ☉ natal Sun · peak 18 Dec ★

These days you feel **more comfortable being yourself around others**, and people respond well to that ease. You're not trying as hard to impress anyone, which actually makes your conversations flow better and your relationships feel less strained. This small shift in *Venus* supporting your *Sun* won't solve everything, but it gives you a genuine advantage in how you present yourself while it lasts.

♆ Neptune ∟ Semi sextile ♀ natal Venus · peak 9 Dec

Right now you're feeling more **generous and open-hearted** in your relationships without much effort. People around you respond well to this softness, and you find it easier to listen and connect without agenda. Over the coming weeks, this gentleness helps you strengthen bonds that matter most, as you naturally give more attention to what you actually care about.

♁ NNode ♂ Opposition ♃ natal Jupiter · peak 22 Dec

Over the coming weeks, you are likely to feel **blocked when you try to expand or take on more**. You want to say yes to opportunities, but practical limits keep showing up, which can feel frustrating and limiting. This tension between your appetite for growth and what is actually available right now is real, and working within those boundaries rather than fighting them will serve you better.

♇ Pluto ∟ Semi sextile ♀ natal Venus · peak 31 Dec

You're noticing that small improvements in your relationships feel easier to make right now, without needing to force big conversations or dramatic changes. **You're more willing to let go of minor irritations** with people you care about, which often surprises them with how much lighter things become. Over the coming weeks, this shift in how you handle connection can quietly strengthen your bonds in practical ways.

♄ Saturn * Sextile ☾ natal Moon · peak 1 Dec

Over the coming weeks, you find it easier to **stay calm when things go wrong**, because you're not caught up in emotional reactions like usual. Your practical side takes charge, letting you handle family problems or personal setbacks without falling apart. This is when you can actually do the mature, responsible things you know you should do, and they stick.

♁ NNode ∟ Semi sextile ♆ natal Neptune · peak 1 Dec

Over the coming weeks, you find it easier to **listen to what others actually need** instead of just hearing your own assumptions. This shift makes your conversations feel more genuine and people seem more willing to open up to you. Your practical helpfulness combines naturally with real empathy right now, so you're both more useful and more present with the people around you.

♄ Chiron ☌ Opposition ♃ natal Mercury · peak 31 Dec

Over the coming weeks, you find yourself second-guessing what you say before you say it, and wondering if people are really listening to you the way they used to. **Self-doubt creeps into conversations** that should feel easy, leaving you more cautious about sharing your actual thoughts. This is a practical problem right now because unclear communication at work or with people close to you can create misunderstandings that take real effort to fix once they happen.

♁ NNode □ Square ♁ natal NNode · peak 31 Dec

Right now you feel pulled in two directions about what you should be doing with your time and energy. You might say yes to commitments that conflict with each other, or feel **restless and unable to settle** on a clear priority. Over the coming weeks, this confusion usually pushes you to make a hard choice about which direction actually matters to you.

♅ Uranus * Sextile ♄ natal Chiron · peak 31 Dec

You find it easier right now to talk about past difficulties without getting stuck in them, and people actually listen differently when you do. Your **ability to explain what hurt you in a practical way** opens doors to real conversations instead of arguments. This period gives you a chance to turn old pain into something useful that helps both you and others move forward.

♃ Jupiter ☌ Opposition ☉ natal Sun · peak 10 Dec

Right now you are running into people and situations that directly challenge what you believe about yourself. You feel **pulled in opposite directions** — one part of you wants to expand and take on more, while another part doubts whether you can actually deliver. Over the coming weeks, this friction is likely to expose where you've been overestimating your capabilities or making promises you can't keep.

♄ Chiron △ Trine ♇ natal Pluto · peak 31 Dec

Over the coming weeks, you find it easier to **talk honestly about difficult things** without getting defensive or shutting down. People respond well to your openness because you're not attacking or blaming them, just saying what actually happened and how it affected you. This period gives you a practical window to repair relationships or clear the air in conversations you've been avoiding.

♁ NNode △ Trine ♅ natal Uranus · peak 31 Dec

Over the coming weeks, you find it easier to **break free from routines that no longer fit** without feeling guilty or reckless. Your instinct for what needs to change aligns naturally with the directions your life is actually moving, so small rebellions feel honest rather than impulsive. This is a good window to experiment with new approaches to work or friendships and trust that the timing is right.

♆ Neptune * Sextile ☉ natal Sun · peak 31 Dec

You're finding it easier to **notice what others need** without being asked, and people respond well to this attentiveness right now. Your practical decisions feel more intuitive, and you're less likely to get stuck overthinking small details the way you usually do. Over the coming weeks, this *Neptune* influence on your *Sun* lets you move through situations with more acceptance and less resistance.

♁ NNode □ Square ♇ natal Pluto · peak 1 Dec

Right now you are **resisting changes that feel necessary but threatening**, and this resistance is creating real friction in your relationships and work. You want to stay in control of situations that are actually asking you to let go, which makes you come across as stubborn or defensive to people around you. Over the coming weeks, the only way forward is to identify what you are actually afraid of losing and decide whether holding on to it is worth the conflict.

♂ Mars Rx · ♊ Gemini

Energy scatters across too many directions right now, making sustained effort on a single goal unusually difficult. Arguments or miscommunications can flare up without clear cause, and the frustration of divided attention builds quickly. Choose one or two priorities and protect them from the rest during this period.

♃ Jupiter Rx · ♈ Aries

Expansion and confidence retreat inward during this period, and bold initiatives launched recently may feel overextended. The impulse to charge forward is replaced by a quieter, more honest review of where your genuine optimism is warranted. Reassessment serves you better than new beginnings right now.

♄ Saturn Rx · ♌ Leo

Ambition and the structures supporting creative or public expression face an honest review during this period. Recognition that has been slow to arrive may be prompting important reassessment of your goals or methods. Internal validation serves you more right now than seeking external acknowledgment.

KEY DATES

Mon, 1 Dec ♄ Saturn ✕ Sextile ☾ natal Moon

Wed, 3 Dec New Moon in Sagittarius

Sun, 7 Dec ♀ Venus enters ♏ Scorpio

Venus in *Scorpio* makes people **more direct and intense** about what they want from others, cutting through small talk and surface-level connection. In relationships and at work, you'll notice people asking harder questions, setting clearer boundaries, and **pulling back from anything that feels fake** or half-hearted. This transit typically brings **deeper focus** on a few close connections rather than spreading energy wide, and people tend to be more honest about money, loyalty, and what they actually need.

Mon, 8 Dec ♄ Saturn ✕ Sextile ☾ natal Moon

Wed, 10 Dec ♃ Jupiter ☉ Opposition ☼ natal Sun

Thu, 11 Dec ♃ Jupiter stations Direct

Jupiter turning **direct again** means opportunities and decisions that felt stuck or unclear over the past months can finally move ahead with real momentum. What becomes **clearer now** is whether plans, applications, or deals are actually going to work — delays lift and you get actual answers instead of waiting. **Growth starts moving** in the areas where *Jupiter* sits in your chart, so watch for openings in money, work, relationships, or learning that were on pause during the retrograde.

Sun, 14 Dec ☿ Mercury enters ♑ Capricorn

Mercury entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

Thu, 18 Dec Full Moon in Gemini

Sun, 21 Dec ♄ Chiron ☉ Opposition ☿ natal Mercury

Mon, 22 Dec ☼ Sun enters ♑ Capricorn

♊ NNnode ☉ Opposition ♃ natal Jupiter

The Sun moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
