#### KEY TRANSIT FACTORS

##### ☉ Sun ∟ Semi sextile ♀ natal Venus · peak 3 Dec ★

These days you feel more **genuinely comfortable around people**, and they respond to that ease in you. You're not trying as hard to impress anyone, which somehow makes your relationships run smoother and more naturally. This small but real shift in how you show up socially can help you strengthen connections that matter to you over the coming weeks.

##### ♀ Venus ∟ Semi sextile ☉ natal Sun · peak 4 Dec ★

These days you feel **more comfortable being yourself around others**, and people respond well to that ease. You're not trying as hard to impress anyone, which actually makes your conversations flow better and your relationships feel less strained. This small shift in *Venus* supporting your *Sun* won't solve everything, but it gives you a genuine advantage in how you present yourself while it lasts.

##### ♇ Pluto ∟ Semi sextile ☉ natal Sun · peak 11 Dec

You're finding it easier to make quiet changes in how you present yourself to others without needing to overhaul everything at once. **Small shifts in your confidence** are happening naturally—you might speak up more in meetings or adjust how you spend your time in ways that feel right. These practical adjustments are laying groundwork for bigger things, and you're doing it at a pace that doesn't exhaust you.

##### ♄ Saturn qx Quincunx ☾ natal Moon · peak 9 Dec

These days you feel a mismatch between what you need emotionally and what your life is actually set up to give you. You might find yourself feeling restless or slightly out of sync in your daily routines, or noticing that **your usual comfort strategies stop working the way they normally do**. Over the coming weeks, small adjustments to how you manage your time or handle responsibilities may help you feel more settled again.

##### ♃ Jupiter qx Quincunx ♂ natal Mars · peak 31 Dec

Over the coming weeks, you may notice your usual drive and confidence don't quite match up with what's actually possible right now, leaving you **frustrated when plans don't move as fast as you want them to**. *Jupiter* is expanding your ambitions while *Mars* pushes for quick action, but the two are pulling in slightly different directions. You might waste energy on projects that start with excitement but need to be adjusted or abandoned halfway through.

##### ♁ NNode \* Sextile ♄ natal Chiron · peak 31 Dec

Over the coming weeks, you find it easier to **talk openly about past hurts without getting stuck in them**. People respond well when you share something real about yourself because you're no longer defending or minimizing what happened. This practical shift in how you communicate creates real opportunities to connect with others on an honest level.

#### ♄ Chiron ☾ Semi sextile ☽ natal Moon · peak 31 Dec

These days you find it easier to **talk about your feelings without getting stuck in them**, which helps you connect with people who matter to you. Your emotional vulnerabilities feel less like private wounds and more like honest things worth sharing. Over the coming weeks, this gentle openness tends to draw supportive responses from others, making your relationships feel more real and less lonely.

#### ♅ Uranus ☿ Quincunx ☽ natal Moon · peak 31 Dec

Your emotional needs are shifting in ways that don't quite fit your usual routines, leaving you feeling **restless and out of step with how you normally operate**. You might suddenly want different things from your home life or relationships, but you're not entirely sure what those things are yet. Over the coming weeks, expect some practical awkwardness as you adjust to what you actually need rather than what you thought you needed.

#### ♄ Chiron ☉ Opposition ♄ natal Chiron · peak 1 Dec

Right now you're running into situations where your usual coping strategies stop working the way they used to. You feel **more defensive about your weak spots** and less willing to accept help from others who see them. Over the coming weeks, this friction forces you to actually examine what you've been protecting instead of just moving past it.

#### ♄ Saturn ☊ Conjunction ♄ natal Chiron · peak 31 Dec

Right now you are **taking your old hurts more seriously** instead of brushing past them. You might find yourself wanting to understand where your sensitivities came from, or noticing that certain situations trigger you in ways you have not examined before. This period asks you to stop and look at what actually bothers you, rather than just moving forward as you normally do.

#### ♆ Neptune ☊ Conjunction ♄ natal Chiron · peak 1 Dec

Right now you are more aware of where you feel inadequate or broken, and you may find yourself wanting to help others with similar pain instead of focusing on your own healing. This shift toward **helping others deflect from yourself** can feel noble but often leaves your own needs unmet. Over the coming weeks, watch whether you are actually listening to what you need or just getting lost in someone else's problems.

#### ♆ Neptune \* Sextile ♀ natal Venus · peak 31 Dec

Right now you're more **willing to see people as they want to be seen rather than how they actually are**, which softens your relationships in a real and practical way. You feel less critical of your partner or close friends and more inclined to give them the benefit of the doubt when things go wrong. Over the coming weeks, this gentler outlook makes your social life feel easier and your connections feel warmer, even though nothing concrete has actually changed.

#### ♇ Pluto ☊ Conjunction ♀ natal Venus · peak 1 Dec

You're experiencing **unusually intense feelings about your relationships and what you want from them**. Your attractions feel deeper and more serious than usual, and you may find yourself wanting to control or reshape a partnership in some way. These shifts won't last long, but while *Pluto* is conjunct your natal *Venus*, expect your emotional needs to feel non-negotiable.

#### ♁ NNode ☽ Trine ♀ natal Venus · peak 1 Dec

Right now you find it easier to **say what you actually want in relationships** instead of hiding your needs. People respond well to your honesty because you're not aggressive about it, just clear. Over these coming weeks, you may notice others treating you with more warmth and respect when you show up as your authentic self.

#### ♇ Pluto ☾ Semi sextile ♄ natal Saturn · peak 31 Dec

These days you find it easier to **follow through on commitments** without overthinking or second-guessing yourself. A practical focus comes naturally to you right now, and you notice you can break larger goals into manageable steps without getting bogged down. This period supports steady progress on anything you've been putting off, especially projects that require discipline and careful planning.

#### ♃ Jupiter Rx · ♉ Taurus

Material growth and financial expansion slow during this period, encouraging a more careful review of resources and values. Over-commitments made in a spirit of optimism may now feel burdensome. Consolidating what you have is more productive now than reaching for more.

## LUNATIONS

---

● New Moon · Friday, 9 Dec

in ♐ Sagittarius

new beliefs, expansion, broader horizons

in H2 — Resources & Values

Your financial picture and sense of personal worth are entering a new chapter. This lunation plants seeds around **income, resources, and what you truly value** — it's the moment to start building something that will grow steadily rather than chasing quick results. A practical new step in managing money, establishing a skill, or clarifying what security means to you personally will have lasting effects over the coming months.

---

○ Full Moon · Thursday, 22 Dec

in ♊ Gemini

information peak, scattered focus, mental overload

in H8 — Transformation

A deep transformation is reaching its peak. Something involving **joint finances, emotional power dynamics, or a significant inner change** is being exposed to full light. Secrets, buried feelings, or unresolved matters around shared resources may surface now with unusual intensity. This full moon asks you to **face something that has been avoided** — in money, intimacy, or your relationship with loss and change. What is released here genuinely frees you.

#### KEY DATES

---

**Thu, 1 Dec** ♃ Jupiter enters ♉ Taurus

*Jupiter* in *Taurus* makes people **slower to decide** but more **confident once they commit** to money moves, property deals, or long-term plans. At work and in relationships, you'll notice a shift toward **wanting real results** rather than quick wins — people spend time building something solid instead of jumping between options. Over time, those who **take deliberate action** on financial goals or practical projects during this transit tend to see actual gains, though the pace feels measured compared to what *Jupiter* usually delivers.

**Sat, 3 Dec** ♅ Uranus enters ♐ Capricorn

*Uranus* in *Capricorn* makes people **rethink how they handle rules and structure** — you might suddenly want to break old routines at work or change long-standing systems that no longer make sense. In relationships and careers, this shift brings **unexpected disruptions to established patterns**, with people noticing sudden job changes, reorganizations, or the need to learn new technical skills just to keep up. The pattern is that **stability gets questioned**, and those who adapt by building more flexible systems rather than clinging to "how we've always done it" tend to move ahead more easily.

**Fri, 9 Dec** New Moon in Sagittarius

**Wed, 14 Dec** ☿ Mercury enters ♐ Capricorn

*Mercury* entering *Capricorn* shifts how you talk and think toward **practical results** — you'll notice yourself cutting out small talk and focusing on what actually matters at work or in conversations. People around you tend to **respect the directness** more during this time, even if your words feel plainer than usual, because *Capricorn* makes communication **efficient and honest**. At work especially, **planning and problem-solving** feel sharper; *Mercury* here rewards you for thinking several steps ahead instead of reacting on the spot.

**Sun, 18 Dec** ♀ Venus enters ♐ Sagittarius

*Venus* in *Sagittarius* brings a **looser, more generous** approach to spending and dating, with people tending to say yes to invitations and expensive outings rather than staying home. In relationships and work, this transit makes **honesty and directness** feel more important than keeping the peace, so conversations become blunter and less filtered. Most people notice they **want variety** — sticking with the same restaurant, routine, or person feels boring — and they're more willing to try something unfamiliar or travel to a new place.

**Thu, 22 Dec** ☼ Sun enters ♐ Capricorn

Full Moon in Gemini

*The Sun* moving into *Capricorn* shifts focus toward **getting results** and **building something real** — you'll notice people around you tightening routines, setting deadlines, and cutting away what doesn't work. At work and in projects, there's a **push for efficiency** over comfort, so meetings get shorter, decisions happen faster, and people care less about feelings and more about the bottom line. In relationships and friendships, expect **less small talk** and more honest conversations about what actually matters — this is when people check in on whether things are moving forward or just stalling.
