♁ Lilith	in ♌ Leo	21°23'01"	X

KEY TRANSIT FACTORS

♀ Venus ∟ Semi sextile ☉ natal Sun · peak 31 Jul ★

These days you feel **more comfortable being yourself around others**, and people respond well to that ease. You're not trying as hard to impress anyone, which actually makes your conversations flow better and your relationships feel less strained. This small shift in *Venus* supporting your *Sun* won't solve everything, but it gives you a genuine advantage in how you present yourself while it lasts.

♁ Lilith ♂ Conjunction ♄ natal Saturn · peak 15 Jul

Right now you are more aware of the rules and limits you have accepted in your life, and you may feel **resentful about obligations that once felt normal**. You are questioning whether certain responsibilities actually belong to you or whether you have been following someone else's expectations without thinking. These days this can show up as resistance to authority figures or a blunt honesty about what you will and will not do anymore.

♄ Chiron △ Trine ♀ natal Venus · peak 30 Jul

You find it easier to talk about what you actually need from the people close to you without feeling guilty or defensive. Your **honesty about your own worth** comes across as calm instead of demanding, so others listen and respond well. Over the coming weeks, this directness helps you build relationships that feel more real because they're based on what you actually want, not what you think you should want.

♅ Uranus ♂ Quincunx ☾ natal Moon · peak 5 Jul

Your emotional needs are shifting in ways that don't quite fit your usual routines, leaving you feeling **restless and out of step with how you normally operate**. You might suddenly want different things from your home life or relationships, but you're not entirely sure what those things are yet. Over the coming weeks, expect some practical awkwardness as you adjust to what you actually need rather than what you thought you needed.

♃ Jupiter ♂ Opposition ♂ natal Mars · peak 14 Jul

These days you're more likely to overcommit and then resent the people asking things of you, even though you said yes. Your impatience is high and **you push hard on goals without checking if you're actually moving in the right direction**. Over the coming weeks, small frustrations pile up into real conflicts because you're acting faster than you're thinking.

♁ NNode * Sextile ♂ natal Mars · peak 31 Jul

You find yourself **taking action on things that matter to you without overthinking**, and people respond well to your straightforward confidence. Over the coming weeks, opportunities show up because you're willing to put yourself forward instead of holding back. Your practical energy right now is contagious, and you're likely to accomplish more by simply doing rather than planning.

♃ Jupiter △ Trine ♄ natal Mercury · peak 1 Jul

Right now your thinking is clearer than usual and you find it easier to explain what you mean to other people. You're picking up on details and patterns you normally miss, which helps you solve problems faster and make better decisions in practical situations. This is a good time to write, teach, negotiate, or learn something new because your mind is working **with less friction** and your words land better with others.

♇ Pluto ♂ Conjunction ♀ natal Venus · peak 23 Jul

You're experiencing **unusually intense feelings about your relationships and what you want from them**. Your attractions feel deeper and more serious than usual, and you may find yourself wanting to control or reshape a partnership in some way. These shifts won't last long, but while *Pluto* is conjunct your natal *Venus*, expect your emotional needs to feel non-negotiable.

♆ Neptune * Sextile ♀ natal Venus · peak 1 Jul

Right now you're more **willing to see people as they want to be seen rather than how they actually are**, which softens your relationships in a real and practical way. You feel less critical of your partner or close friends and more inclined to give them the benefit of the doubt when things go wrong. Over the coming weeks, this gentler outlook makes your social life feel easier and your connections feel warmer, even though nothing concrete has actually changed.

♃ Jupiter * Sextile ♇ natal Pluto · peak 1 Jul

You are noticing that **you can actually follow through on changes you've been wanting to make**, whether at work or in your personal life, because your motivation to act is both strong and steady right now. *Jupiter* sextile your natal *Pluto* means you have real leverage to transform something practical — you see what needs to happen and you have the confidence to do it without second-guessing yourself. Over the coming weeks, people around you may pick up on this shift and start treating you differently, which can open doors you didn't expect.

♄ Saturn * Sextile ♀ natal Venus · peak 1 Jul

Right now you're able to be **more honest about what you actually want from your relationships**, without getting defensive or apologetic about your needs. People respond well to this straightforward approach because you're not dramatizing anything—you're just saying things clearly. Over the coming weeks, this *Saturn* influence steadies your *Venus*, so conversations about commitment or boundaries feel less risky and more like normal adult talk.

♇ Pluto ∟ Semi sextile ☉ natal Sun · peak 1 Jul

You're finding it easier to make quiet changes in how you present yourself to others without needing to overhaul everything at once. **Small shifts in your confidence** are happening naturally—you might speak up more in meetings or adjust how you spend your time in ways that feel right. These practical adjustments are laying groundwork for bigger things, and you're doing it at a pace that doesn't exhaust you.

♄ Saturn ♂ Conjunction ♃ natal Chiron · peak 31 Jul

Right now you are **taking your old hurts more seriously** instead of brushing past them. You might find yourself wanting to understand where your sensitivities came from, or noticing that certain situations trigger you in ways you have not examined before. This period asks you to stop and look at what actually bothers you, rather than just moving forward as you normally do.

♃ Chiron ♂ Opposition ♃ natal Chiron · peak 1 Jul

Right now you're running into situations where your usual coping strategies stop working the way they used to. You feel **more defensive about your weak spots** and less willing to accept help from others who see them. Over the coming weeks, this friction forces you to actually examine what you've been protecting instead of just moving past it.

♁ Lilith ♂ Conjunction ♆ natal Neptune · peak 31 Jul

These days you're more drawn to people and situations that feel emotionally intense or slightly forbidden, and you may **ignore practical warning signs** because the pull feels meaningful to you. Your usual ability to see through manipulation or deception gets softer right now, so you're more likely to believe what you want to believe about someone or something. Over the coming weeks, check your choices against what you actually know to be true, not just what feels compelling in the moment.

♄ Saturn Rx · ♄ Capricorn

Ambitions, career structures, and long-term goals are under the most rigorous review possible during this period. Work that has been sustained through discipline alone may now reveal where genuine motivation is missing. This is a demanding but genuinely clarifying period for honest assessment of your long-term direction.

* = natal resonance — this transit echoes your birth chart, amplifying its influence

PROGRESSED MOON

○ Progressed Moon in ♎ Libra 6.9° H11

○ Progressed Moon □ Square ♃ natal Chiron

LUNATIONS

● New Moon · Monday, 3 Jul

in ♋ **Cancer**

emotional reset, home, inner security

in H9 — **Expansion & Beliefs**

Your beliefs, worldview, and hunger for broader experience are entering a fresh cycle. This lunation supports **travel, higher education, publishing, or any pursuit that expands your horizons** beyond the familiar. A new philosophy or spiritual direction may begin taking shape now. Whether you're planning a journey, starting a course of study, or simply opening your mind to different perspectives, what you initiate carries real weight for your long-term growth.

○ Full Moon · Tuesday, 18 Jul

in ♐ **Capricorn**

career results, ambition tested, authority reviewed

in H3 — **Communication & Learning**

A conversation, agreement, or learning process is reaching its culmination. Something that has been said or left unsaid is **demanding honest attention now**. The full moon illuminates your immediate environment — siblings, neighbors, short journeys, messages, and everyday exchanges. A truth that's been circling may finally land clearly. This is a moment to **complete a piece of writing, resolve a local dispute, or have the direct conversation** you've been avoiding.

KEY DATES

Sat, 1 Jul ♃ Jupiter △ Trine ☿ natal Mercury

♆ Neptune * Sextile ♀ natal Venus

♃ Jupiter * Sextile ♃ natal Pluto

Mon, 3 Jul New Moon in Cancer

Thu, 6 Jul ☿ Mercury enters ♋ Cancer

Mercury entering *Cancer* makes people **slower to speak** and more careful about what they say, especially when emotions are involved. In conversations at work or home, you'll notice folks **asking more questions** before jumping to conclusions, and they tend to remember details from past talks that seemed unimportant before. **Written communication** becomes warmer but wordier during this time, so emails and texts often include more personal touches or take longer to compose.

Mon, 10 Jul ♆ Neptune * Sextile ♀ natal Venus

Fri, 14 Jul ♃ Jupiter ♂ Opposition ♂ natal Mars

Sat, 15 Jul ♁ Lilith ♂ Conjunction ♄ natal Saturn

Sun, 16 Jul ♃ Pluto ♂ Conjunction ♀ natal Venus

Tue, 18 Jul Full Moon in Capricorn

Thu, 20 Jul ☿ Mercury enters ♌ Leo

Mercury in *Leo* makes people talk more **directly and with confidence**, so conversations at work or home tend to feel bolder and less cautious than usual. When someone speaks up during this transit, they usually **want to be heard** and remembered, which means they pick words for impact rather than softness. In practice, this shows up as **clearer requests, firmer opinions**, and less apologizing—though it can also mean people interrupt more or push their point when they should listen.

Sun, 23 Jul ☉ Sun enters ♌ Leo

♃ Pluto stations Direct

♁ NNnode * Sextile ♂ natal Mars

♃ Pluto ♂ Conjunction ♀ natal Venus

♄ Chiron △ Trine ♀ natal Venus

The Sun entering Leo brings a **shift toward more direct self-expression** — people tend to speak up more at work, take on visible roles, and want their efforts noticed rather than working quietly behind the scenes. In relationships and social settings, **confidence and attention-seeking increase**, which can mean more fun and boldness but also more friction if someone feels overshadowed or ignored. Over the next month, most people find themselves **more willing to take charge**, pursue what they actually want, and care less about blending in.

Mon, 24 Jul ♀ Venus enters ♍ Virgo

Venus in *Virgo* makes people **pickier about who and what they spend time on**, noticing small details that matter to them more than before. In relationships and at work, this shift brings **honest feedback** instead of smooth talk—people say what actually needs fixing rather than what sounds nice. Most notice they'd rather **organize their space, fix problems, and do real things** than go out or make grand gestures during this period.

Sun, 30 Jul ♄ Chiron △ Trine ♀ natal Venus

Mon, 31 Jul ☾ Jupiter enters ♋ Cancer

♁ NNode ✕ Sextile ☿ natal Mars

Jupiter in *Cancer* tends to make people **more generous with family and home matters**, so you'll likely notice yourself spending more on the house, investing in closer relationships, or wanting to gather people around you more often. At work and in daily life, there's usually a **pull toward comfort and security** — people take on bigger mortgages, expand their households, or commit more deeply to long-term projects that feel personally meaningful. The pattern is that *Jupiter's* expansion meets *Cancer's* focus on belonging, so opportunities often show up through **family connections, real estate, or emotional commitments** rather than through individual achievement or abstract ideas.
